The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents will be available on and after Tuesday, October 17, 1978, at the office of the Awarding Authority.

A performance of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of \$3,000, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all proposals or any item or items of a proposal, if it be in the public interest so to do.

CITY OF BOSTON

PUBLIC WORKS DEPARTMENT

Proposals for Highway Reconstruction in Lane
Park and Manton Terrace in Brighton.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for highway reconstruction in Lane Park and Manton Terrace in Brighton.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for highway reconstruction in Lane Park and Manton Terrace in Brighton," and left at Room 714, seventh floor, City Hall, before 2 p.m. of THURSDAY, OCTOBER 26, 1978.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid price, in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The attention of all bidders is specifically directed to the City of Boston Supplemental

Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program contract provision of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The threesiness Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

TRUSTEES OF HEALTH AND HOSPITALS
OF THE CITY OF BOSTON, INC.

NOTICE TO CONTRACTORS

The Trustees of Health and Hospitals of the City of Boston, Inc., hereinafter referred to as the Awarding Authority, hereby invites sealed bids for providing preventative elevator maintenance, in accordance with specifications accompanying the proposal forms, which may be obtained at the Purchasing Department, third floor, Linda Richards Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., on or after twelve noon, Boston time, Monday, October 16, 1978.

Bidders are required to leave at the above office their bid proposal, accompanied by a bid deposit in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Trustees of Health and Hospitals of the City of Boston, Inc., or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority, and conditioned upon the faithful performance by the principal of the agreements contained in the bid, in the sum of \$500, to become the property of Trustees of Health and Hospitals of the City of Boston, Inc., if the proposal after acceptance is not carried out. The proposal must be completely filled in, *signed*, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done.

Bids will be publicly opened and read on Thursday, October 26, 1978, at twelve noon, Boston time, at the Department of Purchasing at the address shown above. The successful bidder must furnish a performance bond, in an amount equal to 100 percent of the contract price, said bond to be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for General Bids for Guard and Canine Protection Services at Various Locations.

The City of Boston, acting by its Director of Public Facilities, Room 813, Boston City Hall, 1

City Hall Square, Boston, Mass. 02201, herein-after referred to as the Awarding Authority, invites sealed proposals for guard and protection services at various locations.

Proposals will be received up until twelve o'clock noon, Friday, October 20, 1978, at the office of the Awarding Authority, Room 813, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$500. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents will be available on and after Monday, October 16, 1978, at the office of the Awarding Authority.

A performance of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of \$1,000, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all proposals or any item or items of a proposal, if it be in the public interest so to do.

**Invitation for General Bids for Furnishing and
Installing New Acoustical Ceiling Tiles In
Various Schools.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing new acoustical ceiling tiles in various schools.

General bids will be received up until twelve o'clock noon, Boston time, Monday, October 30, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$800. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take

affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition in accordance with section 44D, chapter 149, of the General Laws, as amended.

DEPARTMENT OF HEALTH AND HOSPITALS

**Invitation for Bids for the Repair of Air Shields
Equipment Located at Boston City Hospi-
tal from October 30, 1978, through June
30, 1979.**

The City of Boston, acting by the Board of Health and Hospitals, and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the following service in accordance with specifications accompanying the proposal forms which may be obtained at the office of Legal Affairs, Room 504, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, October 16, 1978.

Bidders are required to leave at the above office their bid proposal, together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening

bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Monday, October 30, 1978, at twelve noon, Boston time, at the Office of the General Counsel, Legal Affairs, at the address shown above. The successful bidder(s) must furnish a performance bond, in an amount of \$500. Said bond must be with a surety company authorized to do business in Massachusetts as surety to guarantee the faithful performance of the contract.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

NO. 43

LIVING IN BOSTON

Part II

Housing Opportunities Some Economic Factors

Boston's housing is more than the brick townhouses, recycled waterfront buildings, and high-rise apartments of the downtown, which are well-known symbols of the city's vitality. The choices include a remarkable variety of styles found in neighborhoods that range from dense urban environments to very suburban settings.

Brick rowhouses, usually three to five stories with generous-sized rooms and ornate interiors, occur primarily in the older residential districts of Boston. A legacy of the nineteenth-century "walking city," these neighborhoods are still close to the downtown and are highly prized by people who enjoy the opportunity to walk to work and to be near the focus of Boston's cultural and commercial life.

Wood-frame Victorian homes are concentrated in the "streetcar suburbs," the neighborhoods farther from the city center that were developed mainly between 1850 and 1920, during the expansion of the public transit system. Such houses often feature spacious rooms, stained glass windows, multiple fireplaces, and finely crafted woodwork. Some were originally built with an income apartment, while others have had their servants quarters converted to rental units, providing an opportunity for elegant living at a lower cost.

The unique "triple-decker," a detached, wood-frame house with three apartments, one above the other, was also built around the turn of the century, with similar details and craftsmanship. It appears in almost all of Boston's streetcar suburbs. Each apartment usually contains two or three bedrooms and has a porch or often two. For an individual, a couple or a small family, the triple-decker may be the most economical and satisfactory housing style ever built.

More modern, single-family ranches and capes, colonials, and bungalows are scattered throughout the city but predominate in the

lower-density sections that were built up in the twentieth century. From these districts a resident would have a twenty- to thirty-minute commute to the downtown.

Rental opportunities are found in all districts of Boston. They include apartments in owner-occupied houses, as well as large and fairly elegant apartment blocks dating from the 1890s to the 1920s; modern, high-rise structures; and suburban-style, garden apartment complexes.

Neighborhood settings are as varied as the housing. Homes in some areas have small front and back yards, often with hedges and gardens. In other locations, spacious lawns from a broad expanse of green space. In rowhouse districts, the steps leading to the front door of a house may begin right at the edge of the sidewalk. In the denser neighborhoods, on-street parking is the rule, but some Victorian homes still have their own carriage houses, and more modern dwellings also include garages.

The variety of housing in Boston is greater than in any nearby community, and the spread of prices is just as broad. Purchase prices can range from \$10,000 to well over

\$200,000, depending upon location, size, condition, architectural features, and rental-income opportunities. Although it is difficult to generalize, purchase prices as a rule are considerably lower than for comparable housing in the suburbs. Mortgage financing of all types — conventional, privately insured, VA guaranteed, and FHA insured — is available from Boston lending institutions for all neighborhoods.

Rents also vary greatly. A two-bedroom apartment could be found for a monthly cost of anywhere from \$150 plus heat, to \$2,000, including doorman.

Property taxes are high throughout Massachusetts and are an easily misunderstood economic factor in Boston. Although the city's official tax rate is high, assessments are generally low. The annual tax bill on a particular house in Boston will usually be about the same as that on a house of similar size and quality in most of Boston's nearby suburbs, while the purchase price will usually be lower.

Boston, along with other Massachusetts cities and towns, is currently subject to a court order requiring that assessments on real property be revised to 100 percent of market value. While full assessment would result in a lower tax rate, it might also cause an increase in some residential tax bills, varying from district to district within the city. Although no time-table or formula for change exists as yet, the prospective homebuyer should find out how any proposed changes are apt to affect taxes on a given property.

(Continued on next page)

Boston . .

(Continued from front page)

Living in Boston can be economical for more reasons than just lower house prices. A wide variety of two- and three-family dwellings present opportunities for rental income to help with housing costs. These houses are particularly attractive to younger people who wish to build up equity in a home rather than paying rent, but who want to spend less each month than the cost of a single-family home. Many people also appreciate the security and sense of community that come from having others living in their building.

Structures that have been allowed to deteriorate in the past can often be purchased quite inexpensively by buyers who want to do renovations to provide a custom-designed home. The City of Boston offers several programs to assist housing rehabilitation by owners, particularly in neighborhoods in need of fresh investment. For detailed information, contact the Office of Housing at 722-4470.

Savings can also be realized in transportation costs. Proximity to work and recreation, to the corner store, and to public transportation can often eliminate the need for two cars in a household and can cut down on the use of a single car. National statistics indicate that dispensing with a second car can result in savings of about \$2,000 per year.

CITY EMPLOYEES LEARN LIFESAVING CPR

On October 12, at City Hall, Mayor White's Boston Community Schools Program and Red Cross volunteers kicked off an extensive neighborhood safety drive as part of a half-million-dollar Public Safety Assistance Project, funded by CETA. At the urging of Vice-Mayor Edward T. Sullivan, representatives from fifty city agencies participated in a free CPR (Cardiopulmonary Resuscitation) training program.

Said Vice-Mayor Sullivan, "This program enables public employees to better serve Boston's residents. You are here today because the

public is telling us that they want employees who can respond to a variety of needs. Your jobs demand constant interaction with the public. Therefore, it is most crucial that you be trained in lifesaving techniques to serve people outside of your traditional capacity if necessary."

The event launches a new safety program, designed by Boston Community Schools and the Boston Chapter of the Red Cross, to provide training in lifesaving techniques. A team of Boston Community School personnel and Red Cross volunteers are teaching a series of free CPR courses in the eighteen Boston Community Schools from now until May. In addition, some community schools will be offering first aid, lifesaving, and water safety courses for certification.

Paul Grogan, director of the Boston Community School Program, pointed out the importance of community education for Boston's neighborhoods. "This project is a perfect example of how Boston Community Schools in mobilizing outside agencies, such as the Red Cross, to service community residents right in their own neighborhoods. Our city-wide program reaches an enormously diverse group of participants of all ages with a multitude of health and safety needs. Whether it's an elderly citizen with a heart problem, a teenager working out in the gym, or

a child learning to swim, our staff is now prepared to recognize and respond to the needs of our participants to ensure their safety while they are learning and playing at our facilities. Additionally, this project provides valuable training and marketable skills to CETA enrollees enabling them to move back into the workforce. The Public Safety Assistance Project is an important example for our city, as it represents the strong impact community education has as a crucial vehicle for change and growth in our neighborhoods."

For more information concerning neighborhood CPR and other public safety courses at Boston Community Schools call 266-9390.

MAYOR PRAISES FEDERAL COURT INJUNCTION AGAINST HARASSMENT

Mayor Kevin H. White, on October 13, praised Federal Court action against an East Boston man charged with racial harassment and intimidation in a public housing project in East Boston as "firm and expeditious justice."

Federal District Court Judge A. David Mazzone entered the consent order against an East Boston man as a result of his involvement in incidents of racial harassment and intimidation on July 3 in East Boston.

The judge's order, returned in response to a suit filed by the City of Boston seeking expedited federal judicial intervention to stem racial incidents in East Boston public housing, prevents the man from engaging in any harassment of minorities for the next five years. Failure to comply with that order would result in his arrest for contempt of court.

Four men were charged in the suit as a result of racial incidents in an East Boston housing project beginning June 29, 1978. The city filed the suit August 25, 1978, after an intensive investigation.

Said Mayor White, "We sought this federal suit to complement and supplement the existing, law-enforcement effort to stem racial

violence in city housing. Judge Mazzone's action today is encouraging. It means he shares our view that firm and expeditious justice is the best way to deal with racial incidents. He has now set the stage for a prompt hearing on the three remaining defendants in the case."

Said Terry Lenzner, special counsel to the Mayor, "Today's action represents the first successful resolution by a city of racial violence in housing through the federal court. This process, which would have been impossible without a massive investigation, enables us to move swiftly and surely prosecute civil rights cases in public housing in Boston."

The case of the other three defendants is pending in Federal District Court.

MOD HOLDS FIRST ANNUAL CONVENTION

The First Annual Convention for Service Providers to Hearing Impaired Individuals, sponsored by the Massachusetts Office of Deafness (MOD), will be held Thursday and Friday, October 26 and 27, at the Holiday Inn, Somerville, Mass.

The convention theme is "Serving Hearing Impaired Individuals — Today and in the 80s." Special demonstrations of the newest, communications aids for hearing-impaired persons will be presented by the Deaf Community Center and the Northeast Telecommunication Service Center, Framingham, Mass.

The keynote speaker at the Thursday evening, October 26, banquet will be Dr. Hilde Schlesinger, University of California/San Francisco, a psychiatrist nationally known for her work in deafness research and mental health.

On Friday, October 27, Dr. William E. Castle, director and dean of the National Technical Institute for the Deaf (NTID), Rochester Institute of Technology, Rochester, New York, will discuss a new national program. Called "NTID Project Outreach," the program will help integrate deaf students into the nation's general education process.

The convention program, which has been developed by MOD's Interagency Council Executive Committee, seeks to promote and maintain an effective statewide system of services to the hearing impaired population of all ages.

SENIOR CITIZENS: CAN YOU ACT?

Mayor Kevin H. White gladly announces the beginning of Theater Classes for Senior Citizens at the Roslindale Recreation Center, 6 Cummins Highway, Roslindale Square. The free classes will include a mixture of storytelling, theater games, improvization, and relaxation. There also will be a basic study of body movement and voice which should definitely add to the fun. Classes are scheduled to begin on Tuesday afternoon, October 24th at 2 p.m., in the Seniors Room at the Roslindale Recreation Center. For more information please call either the Roslindale Recreation Center at 323-3313, or Dorothy M. Curran at 725-4008.

STUDENT BROADCASTERS CONVENTION AT UMASS

Radio station WUMB at UMass-Boston will host the second annual National Student Broadcasters convention October 27 to 29, at the Sheraton-Boston Hotel. Some 500 student broadcasters from throughout the northeast are expected to attend the meeting.

The main focus of the convention will be on the Federal Communications Commission (FCC) because of its decision last June 7 to abolish ten-watt college and university radio stations. FCC Chairman Charles D. Ferris has been invited to address the students.

Some forty workshops and panels have been scheduled on every facet of the broadcasting industry. The record companies' panel will be chaired by ABC's Eric Doctorow and will detail what it takes in manpower and dollars to produce an album.

Sessions are slated on "personality radio," announcer's training, programming, news, management, jazz, public affairs, investigative reporting, internships, radio theater, promotions, engineering, and a special, video seminar titled "All about the Music Business."

There will also be hardware and software exhibits by various industry firms. Other highlights include a disco with album prizes, educational radio award ceremony, artists showcase, and banquet.

Top professionals from area commercial and educational stations will be among the many speakers.

"T" RESTORES STUDENT TRANSFERS

The removal of the long-standing restriction against student transfers between the "urban and suburban" divisions of the MBTA went into effect October 16.

Under the new policy, students with school badges will be permitted to transfer between urban and suburban, public transportation routes.

The transfer restriction was a holdover from the days when the public transportation authority was the Metropolitan Transit Authority which covered fourteen "urban" cities and towns, and private transportation companies handled buses in the other sixty-five "suburban" communities which, since 1964, have been part of the Massachusetts Bay Transportation Authority.

Under MBTA rules, student badges may not be used after 5 p.m., and are valid only on days when school is in session. Transfers are valid for a 10-cent fare only. If the student fare is higher than 10 cents at the transfer point, the student must pay the difference between the 10-cent value of the transfer and one-half of the adult fare.

Elimination of the restriction on student transfers between urban and suburban divisions removes the remaining major distinction in the Authority's fare structure between the two areas.

OPEN HOUSE AT DORCHESTER'S STRAND THEATER

Sixty years to the day when World War I ended and the Strand Theater first opened its doors in Dorchester, an open-house program will be held on November 11 to signal a new era of entertainment in the renamed M. Harriet McCormack Center for the Arts.

The open house, from 2 to 7 p.m., will permit the public to tour the center and see firsthand the progress made to that date in renovating the Uphams Corner structure which was once known as the "Showplace of Dorchester."

Mrs. Bella McKenna, chairperson of the committee spearheading the effort to return the theater to its former grandeur, says members of her committee and others will be available to provide information regarding the revitalization program.

"This will be a wonderful opportunity for the public to view the changes made so far and to hear about the many others planned for the center to complete the program," says Mrs. McKenna. "The media once described the Strand as the most beautiful theater in New England and we hope to make it so again."

The efforts of Dorchester civic leaders to gain support for their restoration program were rewarded last year when federal and city funds totaling some \$1.5 million became available.

The center, which has been named for former U.S. House Speaker John W. McCormack's late wife, plans to offer various film series and a host of professional concerts, ballets, plays, musicals, and other events when it formally reopens next year. Community groups and entertainers from UMass-Boston will also appear on stage.

To old-timers it seemed as if all the world was at Uphams Corner on that Armistice Day evening when the Strand Theater opened six decades ago. Through the years top talent like Fred Allen, Jack Benny, Fannie Brice, Ray Bolger, and Milton Berle highlighted vaudeville shows. For two decades the theater was

also a first-run, movie house. Hard times came in the late 1960s and the doors were locked.

Now the open house on November 11 will offer the public an opportunity to gain a good idea what the theater's appearance will be when the doors re-open permanently once again.

MAYOR PRAISES SELECTION OF NEW POPE

Mayor Kevin H. White, on October 16, praised the Sacred College of Cardinals selection of Karol Cardinal Wojtyla, of Krakow, Poland, as the successor to Pope John Paul I.

The new Pope, who has taken the name of John Paul II, was the first Polish prelate to visit the United States in 1969, when he toured fourteen American cities.

In Boston, the late Richard Cardinal Cushing introduced Mayor White to the Cardinal at a September 25 reception. Mayor White presented the Polish Cardinal with a Paul Revere sterling silver bowl.

Said Mayor White, "I vividly recall meeting the Cardinal on his visit here. He was a warm and compassionate man who greatly enjoyed Cardinal Cushing's sense of humor. I particularly recall his energy and his probing curiosity. He impressed me as a very gentle man of enormous breadth and intelligence."

CREDIT UNION ELECTION

The annual nomination for directors of the City of Boston Employees Credit Union will be held on Tuesday, November 21, in the fifth floor gallery, Boston City Hall.

Seven nominees will be elected. The voting hours are: 9 a.m. to 6 p.m.

Police Officer Charles Bogues, Id. 7425, from District 5 (nights), to District 7 (nights).

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without public advertising, based on the following communications:

SCHOOL DEPARTMENT

Perishable Foods

Dear Mr. Mayor:

I respectfully request your honor's permission to dispense with public advertising and to award contracts to the vendors listed below.

Under the term of the contract, the contractor will supply perishable foods, based on formal quotations.

The term of the contract shall be from July 1, 1978, to June 30, 1979.

Because of the perishable nature of the supplies, it is my opinion that public advertising would serve no useful purpose.

Boston Banana Co., 68 N.E. Produce Center, Chelsea 02150; Cheese Corporation, 70 Bay State Road, Lawrence MA. 01841; L.B. Darling Co., 28 Newton Street, Southboro, MA. 01772; Davey Brothers, Littlefield Street, Avon, MA. 02322; George D. Emerson, 51 McGrath Highway, Somerville, MA. 02143; Flagstaff Food Service, One Venus Way, So. Attleboro, MA. 02703; Harvey Foods, 485 Wildwood Avenue, Woburn, MA. 01801; Howard Johnson, 309 Brattle Street, Brockton, MA. 02401; Institutional Foods, 4 Arlington Street, Needham, MA. 02194; Merchants Poultry, 11 Foodmart Road, South Boston, 02127; K. Monkiewicz, Inc., 44-56 Winnemisset Street, Chelsea MA. 02150; Newmarket Produce Company, 119 N.E. Produce Center, Chelsea, MA. 02150; S.S. Pierce Co., 10 Wildwood Street, Woburn, MA. 01801; Ruma Fruit, 125 Market Street, Chelsea, MA. 02150; Seiler's of New England, 153 Second Avenue, Waltham MA. 02154; John Sexton, 881 University Avenue, Norwood, MA. 02062; South Shore Packing, 393 D Street South Boston MA. 02127; Stop & Shop 393 D Street, South Boston, MA. 02127; Doe Sullivan, 85 Newmarket Square, Boston, MA. 02118; Leo Ward Co., 281 Dorchester Street, South Boston, MA. 02127; Weston & Thurston Co., 22 Foodmart Road, South Boston, MA. 02127.

Respectfully yours,
Kathryn M. Brophy,
Director of School Food Services.

Evaluation Services, etc.

Dear Mr. Mayor:

I respectfully request on behalf of the School Committee of the City of Boston, your Honor's permission to dispense with public advertising and to award a contract to Heuristics, Inc., a corporation, located at 141 Linden Street, Wellesley, MA. 02181, for conducting evaluation activities for one Title VI-G and one 94-142 special education projects.

Under the terms of the contract, the contractor will provide formative and summative evaluation services for one Title VI-G and one 94-142 special education projects and will adhere to the Department of Management Information Services Guidelines for reporting evaluation results and other relevant matters. Heuristics, Inc., is a recognized, evaluation consultant, has satisfactorily delivered similar services under previous contracts and is in

compliance with affirmative action requirements.

Compensation under this contract shall not exceed \$2,482.50. This contract is funded under Grant No.134-43D and 78-035-173B. The term of this contract shall be from May 1, 1978, to June 30, 1978.

Because of the professional nature of the services to be performed and the reasonable cost of these services, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,
Edward J. Winter,
Secretary.

Dear Mr. Mayor:

I respectfully request on behalf of the School Committee of the City of Boston, your Honor's permission to dispense with public advertising and to award a contract to Beacon Research Associates, Inc., a corporation, located at 45 Newbury Street, Boston, MA. 02116, for conducting evaluation activities for two Title VI-B and two PL 94-142 special education projects.

Under the terms of the contract, the contractor will provide formative and summative services for two Title VI-B and two PL 94-142 special education projects and will adhere to the Department of Management Information Services Guidelines for reporting evaluation results and other relevant matters. Beacon Research Associates, Inc., is a recognized evaluation consultant, has satisfactorily delivered similar services under previous contracts and is in compliance with affirmative action requirements.

Compensation under this contract shall not exceed \$6,821. This contract is funded under Grant No. ED 78-140B, 78-035-174B, 78-035-175B and 78-035-231B. The term of this contract shall be from April 15, 1978, to June 30, 1978.

Because of the professional nature of this services to be performed and the reasonable cost of these services, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,
Edward J. Winter,
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization of the award of a contract, without public advertising, to Dr. Salvador Santiago Negron, 12 Bradford Road, Newton Highland Mass. 02161 to assist the Department of Bilingual Education to evaluate testing instruments to be used in implementing the Voluntary (Lau) Compliance Plan, from April 3, 1978, through June 30, 1978, at a cost not to exceed \$3,000.

The contractor will assist the Bilingual Department to evaluate tests of language dominance and language proficiency in Spanish and English; develop criteria to be used to evaluate tests in other languages; design procedures to be used to pilot-test two, language assessment instruments and an observation procedure at three selected schools assist in implementing pilot-testing,

including training of personnel in methods of test administration and/or observation; evaluate the results of pilot-testing and report findings to the Lau Unit of the Bilingual Department.

struments which are appropriate for Boston's linguistic minority population is a highly specialized professional procedure. Dr. Santiago has an excellent background in the area of testing students whose primary language is not English. Because of the nature of these services and the expertise of Dr. Santiago, the public interest would not be served by public advertisement for bids. Given the services to be provided, the fee is reasonable.

Very truly yours,
Edward J. Winter,
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to Robert Reeder, 85 Morton Village Drive, Mattapan, Mass., at a cost not to exceed \$10,425, for the period April 1, 1978, to June 30, 1978.

The contractor will assist and support the associate superintendent and his staff in the planning, implementation, and evaluation of exemplary programs at the Occupational Resource Center. In addition, the contractor will assume responsibilities for administrative operators specified by the associate superintendent of Career and Occupational Education with support from the directors of Occupational Education.

Due to the professional nature of the services to be performed and the expertise of the contractor in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,
Edward J. Winter,
Secretary.

Consultant Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract to Dr. Harold V. Webb, 2505 Greenwood, Wilmette, Illinois 60091. The contract will be in effect during the period of March 14, 1978, until the appointment of the superintendent, but not later than September 1, 1978. The total cost is not to exceed \$18,300, which includes \$8,300 for travel and work-related expenses.

Dr. Harold V. Webb has been hired as a consultant to assist the Boston School Committee in the search for a superintendent of the Boston Public School System.

Because of the professional nature of the services to be provided under this contract and because of the expertise of the contractor in providing such services, it is the determination of the School Committee that the public interest would not be served by the public advertisement for bids.

Very truly yours,
Edward J. Winter,
Secretary.

Reading Equipment Repair

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to New Century Education Corporation, 275 Old New Brunswick Road, Piscataway, New Jersey, during the period September 1, 1977, and June 30, 1978, at a cost not to exceed \$2,702.

New Century Education Corporation (N.C.E.C.) will provide service and repair all reading, audio-frame equipment in the Eliot School. In addition, N.C.E.C. will provide ongoing consultation service to the forenamed school in the maintenance of the equipment supplied the school by it.

Because of the special service to be provided by the New Century Education Corporation, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids.

Sincerely,

Edward J. Winter,
Secretary.

Instructional Management System

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization of the award of a contract, without public advertising, to the Center for Educational Assessment for the implementation of an instructional management system, criterion-referenced test for eighteen, targeted, extended day schools, during the period of January 15, 1978, to June 30, 1978, at a cost not to exceed \$8,300.

Due to the fact that the ACCEPT Program has been mentioned specifically in the project and that it more than meets the needs of a prescriptive program, it is the determination of the School Committee that the public interest would not be served by public advertisement for bids. In addition, the Center for Educational Assessment is the sole source of this material.

This agreement is to be executed, without an appropriation, under the provision of G.L. c. 44, s. 53A, and is to be made subject to the receipt of funds under grant from the Emergency School Aid Act Grant No. G00-77-033-15.

Very truly yours,

Edward J. Winter,
Secretary.

VETERANS' GRAVES REGISTRATION

Decoration of Graves

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the following veterans' organizations: West Roxbury Post 167, American Legion, c/o Richard F. Brauer, 70 Corey Street, West Roxbury, Mass. 02132; the Mount Hope Memorial Day Committee, George K. Menichios Post 324, American Legion, c/o George Hantis, 1520 Veterans of Foreign Wars Parkway, West Roxbury, Mass. 02132; Greater Boston Camp 119, Sons of Spanish-American War Veterans, c/o Kathleen A. Galvin, 570 Adams Street, Dorchester, Mass. 02122; and Boston Grand Army Memorial Day Committee, c/o David C. Berner, 56 Carroll Street, West Roxbury, Mass. 02132.

The veterans' organizations have been decorating the graves and hero signs for years on Memorial Day.

Compensation under this contract shall not exceed \$13,104.47. The term of this contract shall be from May 1, 1978, to May 31, 1978. I have determined that the contract cost is reasonable. Because of the unique nature of the services to be performed, it is my opinion that public advertising would serve no useful purpose.

Very truly yours,

David E. Gately,
Supervisor.

SUFFOLK COUNTY

District Attorney's Office

Copier Service

Dear Mr. Mayor:

As District Attorney of Suffolk County, I request your Honor's written permission to dispense with public advertising in the award of a contract to Savin Business Machines Corp., 44 North Beacon Street, Brighton, Mass., for the supply and maintenance of a Savin 780 copier. The cost of this service will not exceed \$2,700 and will cover the period between January 1, 1978, through December 31, 1978. I have determined that the contract cost is reasonable.

Award of the contract is made pursuant to a grant received by the City of Boston from the Law Enforcement Assistance Administration through the Governor's Public Safety Committee under the Omnibus Crime Control and Safe Streets Act of 1968 (P.L. 90-351), as amended by the Omnibus Crime Control Act of 1970 (P.L. 91-644).

In view of the quality of the machine and the excellent service that has been provided within the last year, it is my opinion that no practical or useful purpose would be served by public advertisement.

Sincerely,

Garrett H. Byrne,
District Attorney.

Communications Equipment

Dear Mr. Mayor:

As District Attorney for Suffolk County, I respectfully request your Honor's written permission to dispense with public advertising in the award of a contract for RCA Company, Camden, New Jersey 08101, in an amount not to exceed \$7,000 for the period April 1, 1978, through December 31, 1978.

Award of the contract is made pursuant to a grant received by the City of Boston from the Law Enforcement Assistance Administration through the Governor's Public Safety Committee under the Omnibus Crime Control and Safe Streets Act of 1968 (P.L. 90-351), as amended by the Omnibus Crime Control Act of 1970 (P.L. 91-644).

The purpose of the grant is to allow the Suffolk County District Attorney's Office to establish an intensive investigation and prosecution unit.

The purpose of the contract is to purchase and install transmitting and receiving devices in presently existing RCA mobile and portable communications equipment. The installation of such devices is necessary to improve the communications capabilities of police officers assigned to my office. RCA Company is the only company who can supply and install these devices in the

RCA equipment and the contract cost is reasonable.

Because RCA Company is the only vendor from whom these devices can be purchased and installed, it is my conclusion that public advertising will serve no useful or practical purpose.

Sincerely,

Garrett H. Byrne,
District Attorney.

TRANSFERS OF APPROPRIATIONS

The Mayor has approved the following requests for transfers of appropriations:

AUDITING DEPARTMENT

From 8-36-04-190, \$13,000, to 8-36-04-083, \$13,000.

Boston, Mass. 02110**

NOTICE TO CONTRACTORS

Sealed bids for MBTA Contract No. 015-100 will be received by the Authority's Director of Construction at the Contract Administrator's Office fifth floor, 50 High Street, Boston, Mass. 02110, until two o'clock (2 p.m.) on November 14, 1978. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The above-numbered contract is more fully described as follows:

**DEMOLITION OF BUILDINGS, CENTRAL
SQUARE, LYNN, MASSACHUSETTS.**

This work consists of the demolition of three, five-story brick buildings and their removal from the site. All basements and utility tanks shall be excavated and completely removed. Excavations shall be filled with ordinary borrow material and final surface paved with bituminous concrete.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

In view of the specialized nature of construction, an award will not be made to a contractor who is not equipped to undertake and complete the work. The low bidder and/or lowest responsible bidder may be required to submit within five (5) business days after opening of bids a postqualification statement on forms to be furnished by the Authority.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$5. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available from the Contract Administration Office at a charge of \$5 per copy. Neither charge is refundable.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of \$2, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder.

BIDDING DOCUMENTS WILL BE AVAILABLE AT THE CONTRACT ADMINISTRATION OFFICE ON FRIDAY, OCTOBER 13, 1978.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any contract entered into pursuant to this advertisement (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be

discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

As used in this notice, and in the contract resulting from this solicitation, the "covered area" is Lynn, Massachusetts.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Regional Project Manager, North, Mr. Francis Keville, at (617)722-5806.

A prebid conference will be held on Tuesday, October 31, 1978, at 10 a.m. at the project site, 460 Union Street, Lynn, Massachusetts. It is imperative that prospective bidders have a representative attend. Any request for interpretation of plans and specifications can be submitted in writing at the same time.

All bidders will be required to certify that they are not on the Comptroller's General's list of ineligible contractors.

The provisions of the Massachusetts Executive Order No. 130, Anti-boycott Covenants are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of \$7,250, in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, or trust company.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price. The surety shall be a surety company or securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

CITY OF BOSTON**

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Repairs to Water Service,
Central Maintenance.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P

of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, November 7, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids\$210

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, October 23, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority

Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

**ADVERTISEMENT
BOSTON WATER AND SEWER
COMMISSION**

10 Post Office Square, Boston, MA 02109
(617) 426-6046

INVITATION FOR PROPOSALS

The Boston Water and Sewer Commission by its Executive Director invites sealed proposals for water works reconstruction in Victory Road and Neponset Avenue, Dorchester.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Executive Director, and each in the sum of 100 percent of the contract price, less the amount of \$9,750, will be required of the successful contractor. Proposals must be submitted on the forms obtained from the Purchasing Agent, Boston Water and Sewer Commission, 10 Post Office Square, seventh floor, Boston, MA 02109; (617) 426-6046, and must be submitted in sealed envelopes to the Purchasing Agent clearly marked "Proposal for Water Works Reconstruction in Victory Road and Neponset Avenue, Dorchester."

Proposals will be publicly opened and read at the office of the Purchasing Agent, on Wednesday, November 22, 1978, at 3 p.m. Proposals must be accompanied by a certified check, treasurer's or cashier's check, payable to and to become the property of the Commission if the proposal after acceptance is not carried out. The Purchasing Agent reserves the right to reject any or all proposals and to award the contract as the Executive Director deems for the best interests of the Commission.

There will be a charge of five dollars (\$5), not refundable, for each set of contract docu-

ments taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Executive Director. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. Attention is called to chapter 370 of the Acts of 1963, which must be strictly complied with. The Executive Director reserves the right to reject any and all proposals or any item or items of the proposals should he deem it to be for the best interest of the Commission so to do.

S. STEVEN DiPRIMA,
Purchasing Agent.

CITY OF BOSTON**

**PARKS AND RECREATION
DEPARTMENT**

**This Project is Funded Under the
Community Development Block Grant.**

**Invitation for Bids for Improvements to
Gibson/Doherty, Barry, and Ryan Play-
grounds.**

The City of Boston acting by the Commissioner of Parks and Recreation hereinafter referred to as the Commissioner, invites sealed proposals for improvements to Gibson/Doherty, Barry, and Ryan Playgrounds.

Proposals will be received until 2 p.m., Boston time, Tuesday, November 14, 1978, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are required to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, at 10 a.m., Boston time, Monday, November 6, 1978.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 Affirmative Action Plan shall be submitted with the contractor's proposal. These are tables AAP-1—AAP-3 and form AAP-1 and

can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to

submit a Minority Business Identification Statement.

The contractor's compliance with the Executive Order and the regulations in the 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, Monday, October 23, 1978, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance

will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON

TRAFFIC AND PARKING DEPARTMENT

Proposals for Collection of Traffic Data.

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for collection of traffic data.

A performance bond of a surety company satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, and marked "Proposal for Collection of Traffic Data," one copy of which is to be left at Room 721, City Hall, before 12 noon on Friday, November 3, 1978, with a certified check for 3 percent of bid price, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals

or to accept any proposal or any item of a proposal should she deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Repairs to Storm Damaged, Concrete Seawall at Deer Island.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, in accordance with G.L., Chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 1, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$16,000. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, October

23, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The City of Boston, by its Purchasing Agent, hereby invites sealed bids for furnishing, in accordance with order, goods or materials as above set forth. EVERY BID MUST BE—

(A) — Submitted on a form obtained from the Purchasing Agent at Room 613, 1 City Hall Square, Boston,—

(B) — Signed by the bidder.

(C) — Accompanied by a certificate of deposit, certified check, or a treasurer's or cashier's check payable to the City of Boston in the amount of one dollar (\$1) (which shall become and be the property of the city if within five days after acceptance of the bid by the Purchasing Agent the bidder fails to execute a contract for furnishing as aforesaid the goods or materials specified and to file a faithful performance bond executed by a surety company licensed to do such business in Massachusetts, or certified check, or other suitable bond in an amount determined by the Purchasing Agent as set forth in the purchasing proposal and contract form),—

(D) — Enclosed in a sealed envelope plainly marked with the Proposal Number and Item to which the bid relates, and—

(E) — Deposited in the Bid Box at the office of the Purchasing Agent, Room 613, City Hall, 1 City Hall Square, Boston, Mass. 02201, before 3 p.m. on the bid date stated above, at which time and place all bids for the sale and delivery of such goods or materials will be publicly opened and read.

Pursuant to law, a duplicate of the bid (without bid deposit check) must also be filed with the City Auditor at his office in City Hall before the time stated above for the opening of bids by the Purchasing Agent.

The Purchasing Agent reserves the right to reject in whole or in part any and all bids or any item thereof, and to award the contract as he deems in the best interest of the City of Boston.

FRANK F. CHIN,
Purchasing Agent.

CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Roof Repairs, Fourteenth Floor, Suffolk County Courthouse.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all appli-

cable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 1, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids \$1,200

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, October 23, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

**ADVERTISEMENT
CITY OF BOSTON**

PUBLIC WORKS DEPARTMENT

Proposals for Sidewalk Reconstruction in Copeland Street, Iroquois Street, Tupelo Street, and Woodward Avenue, in Roxbury; Faunce Road, Nightingale Street, and Norwell Street, in Dorchester; West Newton Street in Boston Proper.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for sidewalk reconstruction in Copeland Street, Iroquois Street, Tupelo Street, and Woodward Avenue, in Roxbury; Faunce Road, Nightingale Street, and Norwell Street, in Dorchester; West Newton Street in Boston Proper.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Sidewalk Reconstruction in Copeland Street, Iroquois Street, Tupelo Street, and Woodward Avenue, in Roxbury; Faunce Road, Nightingale Street, and Norwell Street, in Dorchester; West Newton Street, in Boston Proper," and left at Room 714, seventh floor, City Hall, before 2 p.m. of THURSDAY, NOVEMBER 2, 1978.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid price, in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The attention of all bidders is specifically directed to the City of Boston Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program contract provision of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization, in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,

Commissioner of Public Works.

MASSACHUSETTS BAY
TRANSPORTATION AUTHORITY**

Proposal to Lease Newsstand Concession Areas, Various Locations within MBTA System.

Pursuant to the provisions of General Laws, chapter 161A, section 5(c), the Massachusetts Bay Transportation Authority invites proposals to lease newsstand concession facilities at various locations within the Authority's system.

Information on this bid proposal may be obtained from Mr. Walter F. Henneberry, Jr., Supervisor of Concessions, at 50 High Street, Boston, Mass. 02110, or by calling 722-3222.

Proposals will be accepted for lease, of all newsstand facilities or for lease of one (1) or more locations.

Proposals in sealed envelope, marked, "Bid— Newsstand Concession Areas," will be received at the office of Mr. John R. Launie, Treasurer-Controller, MBTA, 50 High Street, Boston, Mass. 02110, until 2 p.m., Boston time, November 15, 1978, at which time they will be publicly opened and read aloud.

The Authority reserves the right to refuse to accept any and all proposals and to take such other action if it finds that sound reasons in the public interest so require.

JOHN R. LAUNIE,

Treasurer-Controller.

Boston, Mass. 02110**

NOTICE TO CONTRACTORS

Sealed bids or proposals for Massachusetts Bay Transportation Authority MBTA Contract No. 091-106 (Project Value 293.0) will be received by the Authority's Director of Construction at the Contract Administration Office, 50 High Street, fifth floor, Boston, Mass. 02110, until two o'clock (2 p.m.) on November 21, 1978. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The above-numbered contract is more fully described as follows:

(Class 9—Tunneling) DAVIS SQUARE TO PORTER SQUARE TUNNELS AND SHAFTS, SOMERVILLE/CAMBRIDGE, MASSACHUSETTS.

Major elements of work are as follows:

Excavation in mixed-faced and hard-rock for twin, deep-bore tunnel construction.

Installation of temporary tunnel support for above excavation.

Tunnel contact grouting.

Cast-in-place concrete, permanent, tunnel liner construction.

Excavation and construction of cross-passages.

Excavation and support of Summer Street vent shaft and Grove Street access shaft.

Surface and subsurface settlement instrumentation installation, monitoring, and maintenance.

Haulage of excavated materials from Summer Street vent shaft to Grove Street loading site.

Construction of building protection measures for Highland Avenue properties.

Demolition of buildings at Highland Avenue and at Summer Street vent shafts.

Temporary access structure to Shawmut Bank.

Handling and loading of excavated materials from Davis Square Station into Authority-operated, rail cars.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administrator's office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administrator a "Request for Pro-

posal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$50. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available in separate volumes from the Contract Administration office at a separate charge of \$5 per copy. Neither charge is refundable.

BIDDING DOCUMENTS WILL BE AVAILABLE AT THE CONTRACT ADMINISTRATION OFFICE AT THE ABOVE ADDRESS ON October 20, 1978.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of ten dollars (\$10), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any contract entered into pursuant to this advertisement (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

Complete information and data for the site may be obtained from the office of the Regional Project Manager-North, Mr. F.M. Keville (Tel. no. 617/722-5806).

A prebid conference will be held on October 30, 1978, at 10 a.m., in the office of the Regional Project Manager-North, Cambridge, Masonic Hall Association, 1950 Massachusetts Avenue, Cambridge, Massachusetts. It is imperative that prospective bidders have a representative attend. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

1. The Offerer's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows: (See Appendix 1 to Standard Federal Equal Employment Opportunity Specifications).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract, resulting from this solicitation, is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is Somerville and Cambridge, Massachusetts, Middlesex County.

All bidders will be required to certify that they are not on the Comptroller General's List of ineligible contractors.

The provisions of Massachusetts Executive Order No. 130, Anti-Boycott Covenants, are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of one million five hundred thousand dollars (\$1,500,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, bank or trust company, payable to the MBTA.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price. The surety shall be a surety company or securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work

otherwise, as may be deemed to be for the best interests of the Authority.

BOSTON WATER AND SEWER
COMMISSION**

**10 Post Office Square, Boston, MA 02109
(617) 426-6046**

INVITATION FOR PROPOSALS

The Boston Water and Sewer Commission by its Executive Director invites sealed proposals for water works reconstruction in Dorchester Avenue, Dorchester.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Executive Director, and each in the sum of 100 percent of the contract price, less the amount of \$9,100, will be required of the successful contractor. Proposals must be submitted on the forms obtained from the Purchasing Agent, Boston Water and Sewer Commission, 10 Post Office Square, seventh floor, Boston, MA 02109; (617) 426-6046, and must be submitted in sealed envelopes to the Purchasing Agent clearly marked "Proposal for Water Works Reconstruction in Dorchester Avenue, Dorchester."

Proposals will be publicly opened and read at the office of the Purchasing Agent, on Tuesday, November 21, 1978, at 3 p.m. Proposals must be accompanied by a certified check, treasurer's or cashier's check, payable to and to become the property of the Commission if the proposal after acceptance is not carried out. The Purchasing Agent reserves the right to reject any or all proposals and to award the contract as the Executive Director deems for the best interests of the Commission.

There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Execu-

tive Director. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. Attention is called to chapter 370 of the Acts of 1963, which must be strictly complied with. The Executive Director reserves the right to reject any and all proposals or any item or items of the proposals should he deem it to be for the best interest of the Commission so to do.

CITY RECORD

KEVIN H. WHITE
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

LAWRENCE S. DICARA
PRESIDENT, CITY COUNCIL

VOL. 70

MONDAY, OCTOBER 30, 1978

NO. 44

MAYOR URGES: VOTE YES ON QUESTION ONE

Mayor Kevin H. White, on October 22, warned members of the Massachusetts Association of Older Americans that if Question One, the Classification Amendment, fails to pass on the November ballot "much of the progress this city has made in elderly programs will be wiped out in a single stroke."

Mayor White, addressing the tenth annual Senior Rally at Hynes Auditorium, said, "For years, I have worked with leaders of the elderly community, such as Frank Manning, to improve services for Boston's 100,000 citizens over sixty. Unless we pass Question One, the tax abatements the elderly now receive will become insignificant when applied to the full market value of their homes. Taxes will at least double, and renters will face higher costs."

Question One, the property tax classification amendment, simply means that voters would be approving a practice which has been traditional in Massachusetts: taxing residential property at a lower rate than revenue-producing property occupied by business or industrial interests.

Mayor White added, "It takes a real example to convince people that the tax increase is more than numbers. It is a house that must be sold; a savings account that must be drained; or a budget that just can't make ends meet. One hundred percent valuation will hit those on fixed incomes hardest. It will hit hardest at the elderly."

Mayor White cited statistics from Woburn, which has already implemented 100 percent valuation to support his case.

"This is not a guess. It's a fact. When Woburn went to 100 percent valuation, taxes on the average single-family home went up 53 percent. But for elderly homeowners, taxes went up 103 percent."

Pledging to fight for passage of Question One, "down to the wire," Mayor White said, "In Boston, we have tried to make it easier for our citizens who have worked all their lives for what they have. We've set up a hot lunch program; the senior shuttle; taxi discounts; the senior hotline; and the Mayor's Older Bostonians program which provides discounts in stores throughout the city. We are certainly not going to let 100 percent valuation discriminate against our elderly citizens without a fight. If the homeowners and renters stick together, we can pass Question One."

COMMUNITY SCHOOLS: OPPORTUNITY FOR ALL

The Boston Community Schools Program, under the auspices of the Mayor's Office, provides educational, recreational, cultural, and social programs for all ages at eighteen of Boston's newest and best equipped schools.

The program grew out of the belief that the many new schools the city was building in the early 1970s should be designated for use by the *whole community*. Therefore, a unique partnership between the neighborhoods and the city began; a partnership dedicated to making these magnificent new facilities into genuine community centers.

These community-centered schools provide programs of community education by utilizing the existing facilities of the public school. They are open weekdays from two to 10 p.m., during the public school year, and from 9 a.m. to 10 p.m., during the summer. Some schools are open on Saturdays as well.

Boston Community Schools offer something for everyone, from preschool-aged children to senior citizens. Most programs are free or at a minimal cost for community residents.

A Community School provides many opportunities for the neighborhood it serves: academic and skill development for children, teens, and adults; a meeting place for social and civic groups; a cultural center to explore the arts; a forum for the discussion of social problems; and a modern, fully equipped, recreational center with supervised instruction.

An outstanding and unique feature of the Boston Community Schools Programs is that each school is governed by a Community School Council consisting of locally elected, neighborhood representatives. The Councils meet regularly to assess their communities' needs to create the most responsive innovative programs to best meet the ongoing changes and demands of the neighborhoods. Each Community School Council is represented on the Boston Community Schools Board, which acts as a forum for the city-wide program.

(Continued on next page)

Community Schools . . .

(Continued from front page)

The Boston Community Schools Program is supported by a combination of city funds and money raised by each Community School from both public and private sources.

Overall, the program serves some 30,000 persons weekly.

For more information contact Central Office of the Boston Community School Program, 73 Hemenway Street, Boston, Mass. 02115, 266-9390.

U.S. SUPREME COURT DECISION ALLOWS BOSTON TO EXPEND FUNDS IN SUPPORT OF THE CLASSIFICATION AMENDMENT

Mayor Kevin H. White, on October 20, praised the U.S. Supreme Court's action which cleared the way for Boston to spend public money in support of Referendum Question One — the classification amendment — on the November ballot.

Said Mayor White, "Today's court ruling is a decision of benefit to every homeowner and rent-payer in Massachusetts. We will now be on a more equal footing with our business opponents in warning the public about the serious impact of court-ordered, 100 percent valuation."

Mayor White has been in the forefront of the campaign to pass Question One on the November ballot.

A YES vote on Question One simply means that voters would be approving a practice which has been traditional in Massachusetts: taxing residential property at a lower rate than revenue-producing property occupied by business or industrial interests.

The Boston City Council in mid-summer had appropriated \$975,000 to urge passage of Question One. In late summer, the Massachusetts Supreme Judicial Court, responding to a "ten taxpayer suit," enjoined the city from spending the bulk of that appropriation for "advocacy" in support of the question.

On October 17, Harvard Law Professor Lawrence Tribe filed a brief with the U.S. Supreme Court asking for swift relief from the SJC's injunction. The case was heard for the court by Justice William Brennan who lifted the SJC's injunction October 20.

Mayor White said, "This case has repercussions far beyond the City of Boston. It could have far-reaching impact upon municipalities nationwide on future referenda questions. It really opens up the right to speak to cities and towns. In this case, what the City of Boston is telling all the taxpayers in the Commonwealth

**FALSE FIRE ALARMS
KILL!**

is that if Question One fails, local property taxes will double."

Boston officials estimate that about one-third of the monies appropriated by the City Council will be spent in support of Question One.

BENEFIT FAIR FOR NEEDY ANIMALS

Thursday, November 2nd, will be a big day for needy and homeless animals as the Animal Rescue League of Boston hosts its seventy-sixth Animal Benefit Fair at their animal shelter at the corner of Arlington and Tremont Streets in Boston.

The event, offering a variety of attractions, will be open to the public free of charge from 10 a.m. to 6 p.m.

Program highlights will include demonstrations by police dogs (noon) and police horses (1 p.m.), and a special auction of select gifts and a collection of thirty-two paintings at 3 p.m.

There will also be frequently conducted group tours of the League's animal shelter and clinic during which visitors may view pets that are available for adoption.

The League's large auditorium, gaily decorated for the occasion, will feature booths and tables offering a variety of inviting items of homemade food, jellies, jams, plus cheeses, gifts for pets, antiques, jewelry, household supplies, and children's gifts.

Proceeds from the Benefit Fair will help finance continuation of the League's essential services to animals.

The Animal Rescue League of Boston is a nonprofit, humane society offering many services for animals including: taking care of lost and unwanted animals; finding new homes for many pets through adoptions; emergency ambulance service; a veterinary clinic; investigation and prevention of animal abuse and neglect; humane education programs; and many other services as well.

INTERESTED IN QUILTING?

The Boston Parks and Recreation Department and Mayor Kevin H. White announce that there will be free Quilting Classes offered at your local recreation center, now through April, 1979.

Monday—12 noon to 4 p.m. Brighton Municipal Building, 20 Chestnut Hill Avenue, 782-6963. Hill Avenue, 782-6963.

Tuesday—12 noon to 4 p.m., Roslindale Municipal Building, 6 Cummins Highway, 323-3313.

Wednesday—12 noon to 4 p.m., Charlestown Municipal Building, 112 Bunker Hill Street, 242-2922.

Thursday—10 a.m. to 12 noon, Knights of Columbus, North Margin Street, North End, 523-8909.

Thursday—1 p.m. to 5 p.m., Hyde Park Municipal Building, 1179 River Street, 364-9885.

Friday—12 noon to 5 p.m., Curley Recreation Center, L Street Building, 1663 Columbia Road, South Boston, 269-9683.

You must bring your own materials but remember there's no experience needed to come away with that beautiful quilt that will keep you warm and snug on those winter nights.

For more information, contact either your local recreation center or Dorothy M. Curran, Director of Recreation, at 725-4007.

AN EVENT WORTH ATTENDING!

In order to break the world's twenty-four-hour, free-throw record and earn money for the American Heart Association, Bill Cusack, vice president/general Manager of WBZ Radio, and Bob Lobel and Upton Bell of WBZ Radio's "Calling All Sports" will shoot baskets from 10 a.m., Saturday, November 4, through 10 a.m., Sunday, November 5, in the lobby of the Prudential Building. To assist in this Herculean effort, the Celtics and other local personalities will be there to cheer them on. Also present will be representatives from over fifty Boston area schools, attempting to beat the scores of the stars and win prizes during twenty-minute periods.

Continuous entertainment during the twenty-four hours, including singers, dancers, clowns, musicians, and magicians, will help the stars maintain their stamina and provide the proper atmosphere for the Boston Heart Association's largest fund-raising event to date.

The pledges per 1,000 baskets made by the stars will be taken via phones at WBZ and by mail. A preview of the stars' athletic prowess can be seen during the halftime show on November 3 at the Celtics/San Antonio game at the Boston Garden.

WOMEN'S VOLLEYBALL CLASSES

Because of the overwhelming interest in women's sports these days, Mayor Kevin H. White and Parks Commissioner Alan M. Austin are pleased to announce the beginning of Women's Volleyball, which started Monday, October 23, and will continue on every Monday evening throughout the winter, at the Tobin Gym, 1481 Tremont Street, Mission Hill, from 7 p.m. to 9 p.m., and at the Roslindale Recreation Center, 6 Cummins Highway, Roslindale Square, from 8:30 p.m. to 10 p.m. For more information contact Dorothy M. Curran, Director of Recreation, 725-4008.

JFK SCHOOL DEDICATED

The John F. Kennedy School of Government at Harvard dedicated its new home with a weekend of special activities, October 20 to October 22. The weekend's highlight was an outdoor ceremony featuring an address by Senator Edward M. Kennedy (D-Mass.), remarks by Speaker Thomas P. O'Neill (D-Mass.), Massachusetts Governor Michael S. Dukakis, and Harvard University President Derek C. Bok. Arthur Fiedler conducted the Harvard University Band.

The Kennedy School of Government seeks to train a new generation of professionals for government service. Harvard President Bok has said that the school aims at becoming a substantial professional school of government that will attempt to do for the public what the Harvard Schools of Business, Law, and Medicine do for their respective professions; and that it become the hub of a university-wide program in public policy and management, focusing the intellectual resources of Harvard's faculties on critical issues of public concern.

As a living memorial to the late President, the John F. Kennedy School of Government offers a wide range of graduate training and degree programs, conducts applied research in areas of public policy and management, and seeks to instill in young people an idealism and enthusiasm for public service.

The new 100,000-square foot building will house activities which previously were scattered throughout the university, and will facilitate growth for the school over the next decade. Completed in less than eleven months and below budget the new home will:

- promote a doubling in the school's enrollment from 300 to 600 full-time graduate students;

- create a new dimension to the school's programs — the Institute of Politics Public Affairs Forum where lectures and debates on issues of policy and politics will be aired in a unique town meeting ceremony.

- stimulate problem-solving through research centers in major substantive areas, including the

new Center for Science and International Affairs.

The location of the new building for the School of Government, adjacent to the undergraduate houses and across the Charles River from the Harvard Business School, emphasizes the school's unique role as a bridge between the college and this professional school. Designed by Architectural Resources Cambridge, Inc. (ARC) and constructed by the Gilbane Building Company, the building's strong, architectural expression of red brick, monitors, and slate roofs are intended to complement the traditional Georgian architecture of Harvard's college campus. Fronted by the five-acre, Metropolitan District Commission John F. Kennedy Memorial Park, the school's new home will be part of a new gateway to Harvard Square and the entire university.

PWD EQUIPMENT SHOW ENDS

The 1978 International Public Works Congress and Equipment Show ended its week-long program at the Hynes Auditorium on October 19, with a panel discussion featuring government leaders in the field of public works administration.

The panel, met at the grand ballroom of the Sheraton Boston Hotel, and was moderated by syndicated urban affairs newspaper columnist Neil Pierce. Panel members were: Governor Michael S. Dukakis (Mass.); Senator John Culver (Iowa); and Mayor Lambert Mims (Mobile, Ala.).

The panel focused on the progress and the problems of public works administration, according to Boston's Public Works Commissioner Joseph F. Casazza, the general chairman of this year's program.

The five-day show was sponsored by the American Public Works Association, a nonprofit, public service organization made up of top-ranking officials engaged in various phases of the broad field of public works throughout the United States and Canada.

More than 200 equipment manufacturers were represented at the equipment show.

NEW HOME FOR OPERA COMPANY

Mayor Kevin H. White, on October 19, announced that the Opera Company of Boston has purchased the Savoy Theatre at 536 Washington Street as its new primary facility.

The Opera Company, a nonprofit, cultural, and educational corporation, purchased the fifty-year-old, 2,850-seat, former Keith Memorial Theatre for an undisclosed sum from Sack Theatres.

Said Mayor White, "This purchase goes a long way toward setting the stage for a new era for the Boston Theatre District. It is a tribute to Sarah Caldwell's genius, and marks a significant step forward in the establishment of our own opera complex."

Mayor White added, that the Opera Company of Boston, although housed in a new building, was still "dependent upon the generosity of its patrons and subscribers for survival." He noted that a major, fund-raising drive would soon begin on the company's behalf.

Said Ms. Caldwell, founder and artistic director of the Opera Company of Boston, "Our acquisition of the Savoy means that for the first time in the history of this company, all aspects of production will be unified under one roof. We are tremendously grateful to our generous friends who have contributed the initial funds to make this possible. We are particularly grateful to Mayor White and Office of Cultural Affairs Director, Helen Rees, for their enthusiastic cooperation and support."

OCA Director Rees praised the efforts Ms. Caldwell and the Opera Company have made on behalf of the revitalization of the Theatre District.

"This purchase marks another significant step forward in the revitalization of the Theatre District," said Ms. Rees. "The Opera Company, through its president, Lazlo Bowis, and its board of directors, have assumed a leadership role in the revitalization of the Theatre District equal to the role they have played in the enrichment of the city's cultural life."

The Savoy is slated for partial renovations which should be completed in time for the company's November 1 staging of Puccini's "Tosca."

The Savoy rests on the foundation of the 2nd Boston Theatre of 1854. That theatre was headlined by such theatrical greats as Sarah Bernhardt, Victor Herbert, Edwin Booth, and Enrico Caruso.

In 1928, the Keith Memorial Theatre was constructed on the site as a tribute to vaudeville founder, B. F. Keith. Sack Theatres purchased the theatre in 1965, and renamed it "The Savoy."

The theatre features chandeliers, ceiling murals, gilt-trimmed cornices Italian marble columns, and walnut paneled walls.

THE GREAT AMERICAN SMOKEOUT

On Thursday, November 16, thousands of smokers across Massachusetts and the nation will "take the pledge" and put out their cigarettes for the day as part of the American Cancer Society's second annual "Great American Smokeout."

The Smokeout is conceived by the American Cancer Society as a light-hearted encouragement to smokers to do what most of them claim they want to do — give up cigarettes.

Volunteers are readying Smokeout pledge cards, posters, "Kiss Me I Don't Smoke" buttons, and related materials urging smokers to take a break from cigarettes on November 16. The Cancer Society is setting its sights on even more impressive results than last year, when 13 percent of the nation's smokers observed "Smokeless Thursday" by laying aside their cigarettes for twenty-four hours.

Smokers who agree to "take the pledge" on November 16 can receive a Great American Smokeout pledge card from their local Cancer Society office. Once the card is signed, it should be kept as a reminder for Smokeout day.

In conjunction with this year's Smokeout, the Massachusetts

American Cancer Society and the Cancer Information Service will inaugurate the Smokers' Quitline in November. This is a statewide, toll-free number for smokers to call for tips on quitting, moral support, and news about local quit-smoking programs. The Smokers' Quitline is staffed by ex-smokers, and the number is 1-800-952-7444.

Smokers who call the Quitline and want to give up cigarettes on Smokeout day will receive a free Quit Kit, containing information about kicking the habit, a colorful poster, and an IQ (I Quit) button.

Edward Asner, "Lou Grant" of television fame, is National Chairman of the Smokeout. Asner, a hard-core smoker who started the habit when he was seventeen, considers himself "honor bound" to refrain from smoking on November 16. He hopes that millions of smokers from coast to coast will follow his lead.

For more information about the Great American Smokeout, or to receive a Smokeout pledge card or button, contact your local American Cancer Society office.

POLICE REPORT

Boston Police have announced that as a result of their intense traffic enforcement campaign during the week of October 6, to October 12, 2,686 citations were issued for various moving vehicle violations and sixty-three violators arrested.

Since the campaign was launched by Mayor Kevin H. White and Commissioner Joseph M. Jordan on September 6, 1977, 130,160 citations have been issued.

The enforcement has been directed to priority violations of speeding, failure to stop at red lights, stop signs, illegal turns, driving to endanger, and driving while intoxicated.

The Registry of Motor Vehicle inspectors, along with members of the Boston Police Mobile Operation Patrol, issued 1,648 citations of the weekly total.

In addition, Boston Police in the eleven districts and the Tactical Patrol Force issued 1,038 citations during this period and made sixty-three arrests.

RECONSTRUCTION SET FOR MAIN STREET CHARLESTOWN

Mayor Kevin H. White and the Boston Redevelopment Authority have announced that work will soon begin on the next phase of the reconstruction of Main Street, Charlestown.

The BRA authorized a \$366,000 contract to Tricolor Corporation (low bidder) for a project that will include construction of sidewalks, new curbing, lighting, and trees on Main Street, from approximately Franklin Street to Thompson Square. Included in this contract is the new sidewalk between West School Street and Austin Street.

Mayor White said, "With this contract, almost \$1 million has been committed to an upgraded, more attractive Main Street in Charlestown since the "EI" was dismantled. Almost \$2 million is being spent on new water lines in this same area. By next year we hope to move ahead with the final phase of the rebuilding of Main Street. That will complete the transformation of Main Street, from a thoroughfare once shrouded in shadows to a new, safer, more vital street, a perfect symbol of Charlestown's rebirth."

Earlier public improvement contracts for Main Street included new sidewalks, trees, and lights for an area from Baldwin Street to Thompson Square, as well as the mini-park constructed at the corner of Austin and Main Streets.

Within the next three weeks, work will also begin on the \$1.8-million project to install new sewers and drains from Sullivan Square to City Square. A local firm, G. Conway, is the contractor for the sewer and drain project.

CHANGE OF ADDRESS

The United Way of Massachusetts has moved from 14 Somerset Street to 470 Atlantic Avenue, Boston, Mass. 02210, Tel. 742-2010.

Atherton Clodge tells us he has an aunt who bought \$200 worth of steel wool and knitted herself a new stove.

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

To settle for \$87.50 the claim of John Zor-bos, 569 South Street, Roslindale, to be reimbursed for damage to his car while being towed from Hyde Park Avenue, Boston, January 7, 1978.

To settle for \$65.93 the claim of W. A. Small, 6 Fairbanks Road, Lexington, to be reimbursed for damage to his car while being towed from State Street, Boston, April 6, 1978.

To settle for \$204.93 the claim of Frank Sidoti, 178 Lyman Road, Milton, to be reimbursed for damage to his car while being towed from Chatham Street, Boston, April 3, 1978.

To settle for \$44.22 the claim of Jill Madway, 416 Marlborough Street, Boston, to be reimbursed for damage to her car while being towed from Beacon Street, Boston, November 21, 1977.

To settle for \$32.15 the claim of Lawrence Kurland, 204 Neponset Valley Parkway, Readville, to be reimbursed for damage to his car while being towed from Brainerd Road, Boston, August 2, 1978.

To settle for \$70.50 the claim of Christopher Joseph, 356 John Alden Road, Plymouth, to be reimbursed for damage to his car while being towed from Commonwealth Avenue, Boston, August 2, 1978.

To settle for \$117.40 the claim of Oswald Jordan, 1 Duke Street, Mattapan, to be reimbursed for damage to his car while being towed from Albany Street, Boston, April 6, 1978.

To settle for \$78.30 the claim of Neal E. Hunt, 501 East 79th Street, New York, N.Y., to be reimbursed for damage to his car while being towed from Commonwealth Avenue, Boston, April 19, 1978.

To settle for \$101.10 the claim of Connie Helman, 8 Garden Court Street, Boston, to be reimbursed for damage to his car while being towed from Claymoss Road, Boston, May 23, 1978.

To settle for \$170 the claim of Patrick H. Burns, 557 Park Avenue, Woonsocket, R.I., to

be reimbursed for damage to his car while being towed from Beacon Street, Boston, May 31, 1978.

To settle for \$475 the claim of Joseph M. Greenwood, to be indemnified against the result of an accident on September 21, 1976, when, while in the performance of his duty as an employee of the Fire Department, he was operating a city-owned vehicle which struck a motor vehicle owned by Joao Darosa, causing damage to the latter.

To settle for \$178 the claim of Anthony Cerundolo, to be indemnified against the result of an accident on January 30, 1977, when, while in the performance of his duty as an employee of the Police Department, he was operating a city-owned vehicle which struck a parked vehicle of Lloyd Green, causing damage to the latter.

To settle for \$222 the claim of George Holland, to be indemnified against the result of an accident on April 11, 1976, when while in the performance of his duty as an employee of the Fire Department, he was operating a city-owned vehicle which struck a vehicle owned by Type Cab, Inc., causing damage to the latter.

To settle for \$205 the claim of Charles O'Leary, to be indemnified against the result of an accident on March 18, 1976, when, while in the performance of his duty as an employee of the Public Works Department, Highway Division, he was operating a city-owned vehicle which struck a parked motor vehicle owned by Horace Cotugno, causing damage to the latter.

To settle for \$310 the claim of Joseph Higgins, to be indemnified against the result of an accident on February 24, 1976, when, while in the performance of his duty as an employee of the Public Works Department, Highway Division, he was operating a city-owned vehicle which struck a vehicle owned by Kevin G. Doucette, causing damage to the latter.

To settle for \$291 the claim of Paul Norton, to be indemnified against the result of an accident on March 27, 1978, when, while in the performance of his duty as an employee of the Police Department, he was operating a city-owned vehicle which struck and damaged a vehicle owned by William Melton, and subrogated to the rights of the Motors Insurance Corporation.

CONTRACTS AWARDED

ADVERTISEMENT CITY OF BOSTON

POLICE DEPARTMENT

Invitation for Proposals for Providing Food Services for Prisoners.

The City of Boston, acting by the Police Commissioner, hereinafter referred to as the Awarding Authority, invites sealed proposals for providing food services for prisoners held at Districts One, Two, and Four of the Boston Police Department.

Bids will be received until twelve o'clock noon, November 8, 1978, at the office of the Police Commissioner, 154 Berkeley Street, Boston, forthwith after which time limit for the filing thereof, the bids shall be publicly opened and read aloud.

Bids must be submitted in duplicate on forms obtained from the office of the Property Clerk of the Boston Police Department, Room 310, 154 Berkeley Street, Boston. Each copy of the bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the bid shall be filed with the Awarding Authority at the office first designated above, accompanied by a bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of one hundred dollars (\$100).

The other copy of the bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the bids.

No bids may be withdrawn after the time limit for filing bids and for two (2) days (Sundays and holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter Ed.), chapter 152, to all persons employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

Sets of specifications and contract documents may be obtained at the office of the

Property Clerk of the Boston Police Department, Room 310, at 154 Berkeley Street, Boston, on and after September 30, 1978.

A bond of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts, in a sum satisfactory to the Awarding Authority, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do, as well as to accept or to reject any items of a proposal.

JOSEPH M. JORDAN,
Police Commissioner.

(Oct. 30.)

ADVERTISEMENT CITY OF BOSTON

REAL PROPERTY DEPARTMENT PROPERTY DIVISION

NOTICE TO CONTRACTORS

The City of Boston, acting by its Real Property Commissioner, Room 811, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed proposals for servicing oil burners in buildings of the Real Property Department.

Proposals will be received up until twelve o'clock noon, Boston time, Monday, November 6, 1978, at the office of the Awarding Authority, Room 811, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the name of the bidder and the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$3,000. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

No proposal may be withdrawn after the time limit for filing bids and for two (2) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents will be available on and after Monday, October 30, 1978, at the office of the Awarding Authority.

A performance bond, issued by a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority, and in the sum of 100 percent for the contract price will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all proposals or any item or items of a proposal, if it be in the public interest so to do.

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Masonry and Roof
Repairs to George Wright Golf Course
Service Building.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Thursday, November 30, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

All subbids for a subtrade designated in Item 2 of the form for general bid shall be filed with the Awarding Authority at the above address before twelve o'clock noon on Tuesday, November 21, 1978, at which time and place they will be opened and read aloud.

Bid Deposit Amounts

General Bids.....\$1,700
Subbids:

Masonry..... \$250
Roofing and Flashing..... 975

Bid Forms and Contract Documents

All general bids and all subbids must be submitted on the forms obtained from the Awarding Authority. Any general bid or subbid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, October 30, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on

this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

Damage of Pavement, Boston Marine
Industrial Park.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the

above-entitled project, in accordance with G.L., Chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 8, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$550. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, October 30, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

CITY OF BOSTON,
PUBLIC FACILITIES COMMISSION,
DONALD B. MANSON,
Director of Public Facilities.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

Invitation for General Bids Electrical Alterations at the William McKinley School, 50 St. Mary Street, Boston, Mass.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for electrical alterations at the William McKinley School, 50 St. Mary Street, Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 15, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$3,500. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General

Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition in accordance with section 44D, chapter 149, of the General Laws, as amended.

ANTHONY L. GALEOTA,
Chief Structural Engineer.

**INVITATION FOR SEALED BIDS
FOR FURNISHING GOODS
AND MATERIALS**

Proposal No. 189 — AUDIO-VISUAL SYSTEMS to the YOUTH ACTIVITIES COMMISSION — Bid Opening Date Tuesday, November 14, 1978. (Appropriation Code 3-22-52.)

Proposal No. 190 — RECREATIONAL SUPPLIES AND EQUIPMENT to the PARKS AND RECREATION DEPARTMENT — Bid Opening Date Monday, November 13, 1978. (Appropriation Codes 1-11-41-39-2 and 1-11-41-59-2.)

Proposal No. 191 — FLOW CABINET to the BOSTON CITY HOSPITAL — Bid Opening Date Wednesday, November 15, 1978. (Appropriation Code 6-63-71-71-6.)

The City of Boston, by its Purchasing Agent, hereby invites sealed bids for furnishing, in accordance with order, goods or materials as above set forth. **EVERY BID MUST BE—**

(A) — Submitted on a form obtained from the Purchasing Agent at Room 613, 1 City Hall Square, Boston,—

(B) — Signed by the bidder.

(C) — Accompanied by a certificate of deposit, certified check, or a treasurer's or cashier's check payable to the City of Boston in the amount of one dollar (\$1) (which shall become and be the property of the city if within five days after acceptance of the bid by the Purchasing Agent the bidder fails to execute a contract for furnishing as aforesaid the goods or materials specified and to file a faithful performance bond executed by a surety company licensed to do such business in Massachusetts, or certified check, or other suitable bond in an amount determined by the Purchasing Agent as set forth in the purchasing proposal and contract form),—

(D) — Enclosed in a sealed envelope plainly marked with the Proposal Number and item to which the bid relates, and—

(E) — Deposited in the Bid Box at the office of the Purchasing Agent, Room 613, City Hall, 1 City Hall Square, Boston, Mass. 02201, before 3 p.m. on the bid date stated above, at which time and place all bids for the sale and delivery of such goods or materials will be publicly opened and read.

Pursuant to law, a duplicate of the bid (without bid deposit check) must also be filed with the City Auditor at his office in City Hall before the time stated above for the opening of bids by the Purchasing Agent.

The Purchasing Agent reserves the right to reject in whole or in part any and all bids or any item thereof, and to award the contract as he deems in the best interest of the City of Boston.

FRANK F. CHIN,
Purchasing Agent.

TRAFFIC AND PARKING DEPARTMENT

Proposals for Collection of Traffic Data.

The City of Boston, acting by the Commissioner of Traffic and Parking, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for collection of traffic data.

A performance bond of a surety company satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, and marked "Proposal for Collection of Traffic Data," one copy of which is to be left at Room 721, City Hall, before 12 noon on Friday, November 3, 1978, with a certified check for 3 percent of bid price, payable to and to become

the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should she deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

CITY OF BOSTON,

EMILY LLOYD,

Commissioner of Traffic and Parking.

PENAL INSTITUTIONS DEPARTMENT

Proposal for Providing Medical Laboratory Services for the Suffolk County House of Correction at Deer Island, Boston, Mass.

The Penal Institutions Commissioner for the City of Boston, 294 Washington Street, Room 614, Boston, MA 02108, invites proposals for medical laboratory services for the Suffolk County House of Correction at Deer Island, Boston, Mass.

Bid proposal packages, including specifications of the proposal, may be obtained at the office of the Penal Institutions Department, 294 Washington Street, Room 614, Boston, MA 02108, during normal business hours.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts, and satisfactory to the Commissioner, in the sum of one thousand dollars (\$1,000), will be required of the successful contractor. Forms of proposals should be signed, enclosed in an envelope, marked "Proposal for Medical Laboratory Services for the Suffolk County House of Correction," and left at the above address before November 10, 1978, with a certified check or money order in the amount of one dollar (\$1), payable to and to become the property of the city if the proposal, after acceptance, is not carried out. The proposals will then be publicly opened and read in Room 614, 294 Washington Street, Boston.

Proposals must be made in duplicate, the sealed duplicate, without check or money order, to be deposited by the bidder with the City Auditor at City Hall previous to the time for opening the bids. Before commencing performance of the proposed contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under the proposed contract and shall continue such insurance in full force and effect during the term of said contract.

The Commissioner reserves the right to reject any and all proposals, or any item or items of any proposal should he deem it to be in the best interest of the city to do so.

WILLIAM R. CELESTER,

Penal Institutions Commissioner.

BUILDING DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Demolition and Site Clearance,
Project No. 74, Community Development
Block Grant.**

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

173 K Street, Ward 6.
195-197 K Street, Ward 6.
17 Middle Street, Ward 7.
1085 Blue Hill Avenue, Ward 14.
33 Theodore Street, Ward 14.
120 Norfolk Street, Ward 17.
122 Whitfield Street, Ward 17.
144-146 Whitfield Street, Ward 17.
148 Whitfield Street, Ward 17.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, November 9, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), Chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a twenty-seven-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas, (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a

violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of tables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST-1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

BUILDING DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Proposals for Sidewall Repair,
Community Development Block Grant.**

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the sidewalk repair of the following building:

273 Dudley Street, Ward 8.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, November 9, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies

of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), Chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a ten-day period to complete the sidewalk repair of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas, (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of tables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless

he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

PARKS AND RECREATION DEPARTMENT

**Invitation for Bids for Installation of Electric
Wiring and Fixtures for Lighting on
the Boston Common.**

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for installation of electric wiring and fixtures for lighting on the Boston Common.

Proposals will be received until 2 p.m., Boston time, Wednesday, November 8, 1978, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Contract documents, including bid forms, will be available at and after 9 a.m., Monday, October 30, 1978, at the office of the Awarding Authority, upon deposit of a certified check, in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays,

Sundays, and legal holidays, after the opening of general bids.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

REAL PROPERTY DEPARTMENT

**Invitation for Proposals for Window Cleaning
at Boston City Hall.**

The City of Boston, acting by its Assistant Commissioner of Real Property, hereinafter referred to as the Awarding Authority, invites sealed proposals for the cleaning of windows at Boston City Hall, One City Hall Square, Boston, Mass.

The work is to be done by either of the following means: (1) ladders; (2) scaffolding; (3) cherry picker. The applicable revised rules and regulations appearing in Industrial Bulletin No. 21, established by the Department of Labor and Industries, Division of Industrial Safety, are to be in effect. The contractor must indicate which of the above-mentioned means he proposes to use.

Proposals will be received up until twelve o'clock noon, Boston time, Monday, November 6, 1978, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the office of the Assistant Commissioner of Real Property, Room 811, City Hall, One City Hall Square, Boston, Mass. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check, payable to the City of Boston, in the sum of two hundred fifty dollars (\$250), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two (2) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications may be obtained on and after Monday, October 30, 1978, at the office of the Assistant Commissioner of Real Property, Room 811, City Hall, One City Hall Square, Boston, Mass.

A performance bond, issued by a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority, in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all proposals or any item or items of a proposal, if it be in the public interest so to do.

CITY OF BOSTON,
BERNARD W. CALLAHAN,
Assistant Commissioner.

**Invitation for Bids for Furnishing and Erecting
a Forty-foot Spruce Tree on Boston Common.**

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing and erecting a forty-foot spruce tree on Boston Common.

Proposals will be received until 2 p.m., Boston time, Wednesday, November 8, 1978, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be

filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Contract documents, including bid forms, will be available at and after 9 a.m., Monday, October 30, 1978, at the office of the Awarding Authority, upon deposit of a certified check, in the amount of \$10, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for General Bids for Guard and Canine Protection Services Southwest II Campus High School, Jamaica Plain.

The City of Boston, acting by its Director of Public Facilities, Room 813, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed proposals for guard and protection services at various locations.

Proposals will be received up until twelve o'clock noon, Thursday, November 9, 1978, at the office of the Awarding Authority, Room 813, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding

Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$500. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. CITY RECORD

KEVIN H. WHITE
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

LAWRENCE S. DICARA
PRESIDENT, CITY COUNCIL

VOL. 70

MONDAY, NOVEMBER 6, 1978

NO. 45

VETERANS DAY NOVEMBER 11

Let us all in our own special way honor our war veterans living and dead with a prayer invoking the good Lord to always remember them. They are most deserving of this honor.

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands. One Nation under God, indivisible, with liberty and justice for all."

MAYOR'S GOAL: TAX ON TAX-EXEMPT PROPERTIES

Mayor White Announces Suit Seeking State Reimbursement for Boston's Burgeoning Tax-exempt Properties.

Mayor Kevin H. White, on October 24, announced the City of Boston is suing the state to get relief from the city's overburden of tax-exempt properties.

Universities, hospitals, and other tax-exempt facilities are "putting the city in a vicelike grip of lost tax revenues," Mayor White said at a news conference outside the State House.

"Sixty-one percent of all property in Boston is tax-exempt," Mayor White said, "and the city's tax rate shows it. The people of Boston simply can't afford to carry the load for tax-exempts any longer.

Mayor White said the suit — filed October 24, with the Massachusetts Supreme Judicial Court — is "the opening salvo in our attempts to get property tax reform and relief for the people of Boston."

The suit asks that the court declare the present system of exemptions unconstitutional.

It seeks reimbursement for the differential between Boston's percentage of tax-exempt property and the percentage statewide.

It asks that the court retain jurisdiction until the State Legislature passes reform legislation that will provide reimbursement to Boston and other cities and towns having a disproportionate share of tax-exempt property.

Boston is the case in point, Mayor White said. The city's taxpayers support institutions that are largely used by out-of-town residents.

Colleges and universities in Boston, for instance, are not paying \$55 million in taxes to the city because they are tax-exempt. This represents \$32.35 on the city's tax rate.

Only 1 percent of the student body at those schools is from the City of Boston.

The City of Boston loses \$18.4 million in tax revenues yearly because hospitals and nursing homes are tax-exempt. This represents nearly \$11 on the city's tax rate.

Yet 61 percent of all patients at Boston Hospitals were from outside

Boston, based on discharge records from March 1, 1974, to February 28, 1975.

At Massachusetts General Hospital and at Children's Hospital, only one patient in four was from Boston. Eighty-five percent of New England Deaconess patients were not from Boston.

Mayor White said the suit became imperative because the city's tax-exempt properties have increased nearly 50 percent from 12 percent of taxable valuation in 1900, to 61 percent in 1977.

Corporation Counsel Herbert Gleason said taxable property in Boston represents only 5 percent of the valuation of taxable land in Massachusetts, and Boston's land area is only 1 percent of the land area in the state, yet Boston supports 24 percent of all tax-exempt property in Massachusetts.

Gleason said the city would gain \$220 million in tax revenues — easing the property tax burden for residents — if the tax-exempt institutions were to be assessed fully.

The city's tax rate would then be about \$145 per \$1,000 of assessed value. The present rate is \$252.90.

LIVING IN BOSTON: Part III

Schools in the City; Getting Around; Health Care in the City

Many educational alternatives are available to the children in Boston, including the public school system, parochial schools in many neighborhoods, and a variety of private schools.

The Boston Public Schools offer a wide range of opportunities, beginning with a two-year kindergarten program and extending through a high school system that includes technical and examination schools.

District Schools

Boston is divided into eight, large geographic, school districts, cover-

ing all grade levels. A child is normally assigned to a school within the district based on home address. To find out what school a child would attend within a district, call the Boston Public School Information Center at 726-6555.

Magnet Schools

In addition to the geographic districts, a city-wide district, District IX, is composed of "magnet" schools that are open to students from all parts of the city. Magnet schools allow a choice of special educational programs and approaches such as language arts, science, open education, or multi-

cultural education. Information about the magnet school program may be obtained from the District IX Magnet School Office, 442-1396. In addition, the City-Wide Educational Coalition has published "A Parents' Guide to the Magnet Schools in Boston." CWEC can be reached at 542-2835 for copies and further information.

Examination Schools

Boston Latin School, Boston Latin Academy, and Boston Technical High School are part of the magnet school district and accept students on the basis of competitive examinations, beginning in grades 7

or 9 for the Latin schools and grade 9 for "Tech." They are widely recognized as providing excellent preparation for college. For more information, call the District IX Superintendent at 442-1396.

Preschool

The Boston Public School system is unusual for the metropolitan area, in that it offers a two-year kindergarten program for children starting at age four. Kindergartens are included in both the district and magnet schools, some with special features such as full-day sessions which, in effect, provide day care. For specific information, call the Kindergarten Office at 726-6447, or the City-Wide Educational Coalition at 542-2835.

For all levels and programs of the Boston Public Schools, parents of new students are well advised to investigate all the alternatives *before* registering their children, since transfers may be difficult to obtain.

In addition to the public schools, Boston has many private and parochial schools for children of all ages. The Department of Education of the Roman Catholic Archdiocese of Boston, at 536-5417, is the source of information about parochial school programs. Private independent schools are listed in the Porter Sargent *Handbook of Private Schools*, found in most libraries. Educational counselors in the Boston area also specialize in private school referrals. A free directory can be obtained from the Independent Educational Counselor Association, 110 Great Road, Bedford, Mass. 01730, 275-1070.

Parents will also find a variety of privately run nursery schools and day-care centers in most neighborhoods. There are approximately 150 licensed, day-care centers in the City of Boston. For more information, call the regional office of the Massachusetts Office for Children, 727-8898.

Many Boston residents find public transportation — provided by the Massachusetts Bay Transportation Authority (MBTA) — the cheapest, most convenient way to travel around the city. Some parts of Boston are better served than others, but all have local bus routes

and connections to downtown Boston by rapid transit, trolley, or commuter rail. Basic rapid transit, trolley, and bus fare is 25 cents. Commuter rail fares range from 72 cents to \$1.10 per trip for fast, direct service to South Station, with free transfer to rapid transit. Directions, schedules, and route maps are available from the MBTA at 722-3200, or at the Park Street Station information booth.

Boston has major auto routes into the downtown and ample parking in lots and garages, although rush-hour traffic and the intricacies of navigating the downtown's narrow streets can sometimes be a chore. Boston's "reverse commuters," who live in the city and work in the suburbs, are able to use the highway system at hours when most traffic is traveling in the opposite direction.

Residential parking can be difficult or costly in densely populated districts, but in many residential areas it is plentiful and free, with overnight, on-street parking allowed for residents.

People come to Boston from all over the world to be treated by specialists in everything from pediatrics (Children's Hospital) to diabetes (the Joslin Clinic) to arthritis (the Robert Breck Brigham Hospital) to severe burns (the Shriners Burns Institute).

Single Copies 15 cents

NEWS AGENCY

Old South Newsstand, 302 Washington Street.

Advertising

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Everyday health care is an equally important part of the city's hospital and medical scene, however. A dozen, general hospitals are located both in the downtown medical areas and in outlying districts. Neighborhood health centers offer walk-in consultation in various specialties at regularly scheduled hours. The City of Boston's Department of Health and Hospitals can provide a list of neighborhood health centers. Call 424-5557.

Serious medical emergencies — which may be beyond the capabilities of suburban or rural hospitals — are handled routinely by the skilled personnel of Boston's ambulance services and hospital emergency rooms. A call to the city's emergency telephone number — 911 — can bring emergency service in a matter of minutes.

For information on individualized medical care, the Massachusetts Medical Society, 536-8812, maintains files on the specialties and training of local physicians and will make referrals.

"AT THE COPA" BENEFITS LUNG ASSOCIATION

A multi-feature event spotlighting the dazzling fashion from one of Boston's trendiest new stores, Beacon Copp's and Fort, to benefit the American Lung Association of Boston will have its debut at Beacon Copp's and Fort's salon at 338 Boylston Street in Boston's Back Bay beginning at 3 p.m., Sunday, November 12th.

Chamber music by instrumentalists of the Boston Symphony Orchestra, paintings, prints and graphics from the Museum of Fine Arts School and an atmosphere set in motion by an "At the Copa" disco lounge will set the stage for this weekend superattraction.

The "At the Copa" at Beacon Copp's and Fort, certain to attract city and suburban dwellers alike, will continue on at 8 p.m. on the same Sunday, November 12th.

Tickets for this fashion fest are \$10 and are tax deductible.

For information call 426-8330 or 266-8708.

BALLET CLASSES AVAILABLE

Starting Monday, October 30, there will be ballet classes offered by the Parks and Recreation Department. Mayor Kevin H. White and Parks Commissioner Alan M. Austin invite all youngsters to participate in the classes which are being held in Brighton at the Brighton Municipal Building, 20 Chestnut Hill Avenue, on Monday's from 2 p.m. to 5 p.m. and in Charlestown at the Charlestown Recreation Center, 112 Bunker Hill Street, on Tuesdays from 2 p.m. to 5 p.m. There will also be classes held on Tuesday evenings from 6:30 p.m. to 9:30 p.m. for everyone fourteen years and older.

For further information call Dorothy M. Curran, director of recreation, at 725-4007.

NOTED SPEAKERS HIGHLIGHT ANNUAL BCEH LUNCHEON

Harold Russell, chairman of the President's Committee on Employment of the Handicapped, was the keynote speaker at the 1978 Boston Committee on Employment of the Handicapped (BCEH) Affirmative Action Luncheon and Workshop which took place Friday, October 27, in the 57 Restaurant, Boston.

Other members of the head table were City Council member Rosemarie Sansone; State Representative Emanuel Serra; Elmer Bartels, commissioner of the Massachusetts Rehabilitation Commission; and Douglas Gaeth, deputy director of the Division of Employment Security. Ted O'Brien of WNAC-TV "emceed" the event.

During the noon luncheon the General Electric Company of Lynn Riverworks received the first annual Charles Steinmetz award. Charles Steinmetz, a profoundly handicapped person, became known as the "father of GE" shortly after its founding 100 years ago.

Ted O'Brien, and Mo Eagerman of the Eagerman Bakery Company of the greater Boston area, received awards for "Distinguished Advocacy" for employment of handicapped persons. Lou Murray,

director of the Governor's Office of Community Services, received the Distinguished Community Service Award.

Special workshops will be conducted this year by major employers who will share their experiences in hiring handicapped workers. Exhibits will be presented by agencies involved in the rehabilitation and job placement of the handicapped, and federal representatives will present current information on affirmative action regulations.

The Boston Committee on Employment of the Handicapped is a voluntary organization made up of employers from the Boston business community, who wish to promote employment of the handicapped within and without their organizations, and providers of services to the handicapped.

ANNUAL MEETING AND ELECTION OF DIRECTORS OF THE CITY OF BOSTON EMPLOYEES CREDIT UNION

To All Department Heads and County Officials

The Annual Meeting and Election of Directors of the City of Boston Employees Credit Union will be held at the City Council Chambers, City Hall, on Tuesday, November 21, 1978. The polls will be open from 9:30 a.m. to 6 p.m.

It is requested that authorization be given to all Credit Union members in your office for enough time off during the above hours to cast their ballots.

VETERANS DAY

One minute before eleven o'clock in the morning of November 11, 1918, the long battlefront in France shook with the roar of cannon. One minute later, a complete silence. Then the shouts of soldiers and a cry of joy that reechoed throughout the world. The armistice with Germany, signed at 5 a.m. that morning, had gone into effect. So ended the fighting in the First World War, which had cost more lives than any previous war in history. Ever since,

the allies have commemorated November 11 as Armistice Day (now known as Veterans Day.) November 11 is the date of its celebration this year. An armistice differs from a truce in that it extends to the whole or a considerable part of the armies of two or more countries, and precedes or looks toward negotiations for peace. Advances, retreats, or the redistribution of troops in the fighting line are forbidden during an armistice, but supplies and reinforcements may be brought up. It was this kind of armistice that was concluded between the central powers on the one side and Russia on the other, December 15, 1917. The armistices which were concluded between the victorious allies on one side and defeated Bulgaria (September 29), Turkey (October 31), Austria-Hungary (November 3), and Germany (November 11, 1918) were of a different sort. They contained such severe terms that, instead of maintaining the existing military situation (*status quo*), they were deliberately framed so as to make it impossible for the central powers to resume the war. They amounted, therefore, to surrender on the part of Germany and her allies and forecast the peace terms to be imposed on the defeated states. It is customary in the United States, at 11 a.m. on Veterans Day, to stand for one minute in silent tribute to our fallen World War heroes, who so nobly sacrificed their lives for the cause of peace.

ART AND DRAWING CLASSES

Art and drawing classes another of the many free programs sponsored by the Boston Parks and Recreation Department, will be held every Monday from 10 a.m. to 12 noon. There will be drawing classes at the James Michael Curley Recreation Center, L Street, 1663 Columbia Road, South Boston. There is no prior experience required and everyone is welcome to participate. For more information call either the Curley Recreation Center at 269-9683 or Dorothy M. Curran, recreation director, at 725-4008.

SWISS IN AMERICAN LIFE

Concourse Level, General Library Building.

A special exhibit prepared originally for the Bicentennial observance. Through November 30.

LANDLORDS: TURN ON THE HEAT

Housing Inspection Commissioner John A. Vitagliano has issued a reminder to all landlords in the City of Boston of their obligation to provide the minimum heating requirements to tenants as required by state law. These requirements are as follows:

Between 7 a.m. and 11 p.m. — 68° F.

Between 11 p.m. and 7 a.m. — 64° F.

The law is applicable between September 15 and June 15 of each year — and only to those situations where the landlord is responsible for supplying heat as part of a leasing agreement. These standards have been promulgated by the State Department of Public Health as meeting minimum medical needs and at the same time being compatible with energy conservation considerations.

Besides the minimum heat requirements of the State Code a landlord has a right to limit the maximum heat in an apartment to 78° F. This is a recent modification of the code and was adopted as a protective device against those tenants who waste energy by allowing room temperatures to exceed normal requirements.

Vitagliano was particularly adamant about warning landlords not to turn heat off at night and weekends. He stated that this has been an especially bad problem in the past but that the Housing Inspection Department has recently instituted a new set of procedures to deal harshly with no-heat complaints during night and weekend hours.

Vitagliano stated that any indications of lack of heat being attributable to willful landlord neglect will be automatically referred to the Boston Housing Court with recommendations for heavy fines being imposed.

Tenants with complaints about lack of heat can call the Housing Inspection Department during the day at 725-4787, or the Mayor's twenty-four-hour service after 5 p.m. and on weekends at 725-4000. Complaints can also be filed at any local Little City Hall.

DEMOCRATIC MAYORS SUPPORT PRESIDENTS "ANTI-INFLATION" PROGRAM

*Text of a telegram sent by Mayor
Kevin H. White to President Carter,
Tuesday, October 24.*

On behalf of the National Conference of Democratic Mayors may I extend to you our strong declaration of support for your "anti-inflation" program as unveiled this evening. As Democratic Mayors, we pledge our full cooperation to achieve these common goals.

Inflation continues to be the primary concern of those who live in our cities. As the public officials who must manage municipal government in a period of rising inflation, and valid pressures for reduced taxes, it is our hope that this program will bring us closer to a stable economic environment.

Our only hope is that you also continue a commitment toward achieving a cohesive national urban strategy. While we set out on the task of bringing inflation under control, limiting the 1980 budget, and providing for effective local tax reform, we trust that urban constituencies will not bear a disproportionate share of the federal belt-tightening which must take place.

The Executive Committee of the National Conference of Democratic Mayors applauds your initiatives and stands ready to aid you in the implementation of this program.

NEW HEALTH CENTER FOR EAST BOSTON

*Mayor White calls new East Boston
Neighborhood Health Center
"Best in the Country."*

Mayor Kevin H. White, on October 28, called the new \$3-million, East Boston Neighborhood Health Center "one of the best facilities of its kind in the nation," at dedication ceremonies.

The four-story facility, the only health center in the Department of Health and Hospitals city-wide network operating a twenty-four-hour, emergency service unit, was financed by Boston Community Development Block Grant Funds. a

Hill-Burton grant for over \$2-million from the U.S. Department of Health, Education and Welfare, a construction loan from the State Street Bank, and a mortgage loan from Sun Life Insurance Company of Canada. Security for the mortgage was provided by a \$1-million, service contract between Massport and the health center.

Said Mayor White, "When I first became Mayor, there was only a handful of doctors in East Boston, and not one had opened a practice for years. In 1970, all we had was a broken-down, relief station for emergency care and some infant health services."

Contrasting that situation with the new health center, Mayor White said, "This facility single-handedly provides quality, primary health care to almost half the people in East Boston — people who choose it over other available alternatives. We had 10,000 patient visits to the old relief station in 1970. In 1978, we estimate we will have seven times that number.

"This health care center concept is clearly the future of medical care for all Americans."

CAPITAL IMPROVEMENT PROJECT STARTED IN BACK BAY

As one of its first, major, capital improvement projects, the Boston Water and Sewer Commission has begun relaying the water main on Commonwealth Avenue from Arlington Street to Massachusetts Avenue. The existing 6-inch pipe will be relaid with an 8-inch pipe on both the inbound and outbound sides of Commonwealth Avenue, a new connection to the 48-inch trunk will be made and new hydrants will also be set. In all, almost 13,000 feet of water pipe will be relaid.

The existing water mains were laid in 1853. Recent tests show that the present main is delivering only 20 percent of its design capacity. Once the relaying is completed, customers served by the main will enjoy stronger water pressure, increased volume of water, and increased fire flow capacity for safety.

The construction contract was awarded by the Boston Water and Sewer Commission to the low bidder, Lindsay Construction Company, for \$644,180.60. The job is expected to take 200 working days from the starting date of October 16, 1978. Construction will be suspended once the weather turns to freezing, so the project should be completed in the spring of 1979.

Residents will be supplied with water service during construction, however, temporary shutdowns may occur from time to time. Every effort will be made by the Boston Water and Sewer Commission to notify customers in advance of any interruptions in service. In addition, some dirty water may result occasionally from reversal of the water flow due to gate operations.

Traffic on Commonwealth Avenue will not be affected by the construction. However, there will be limited parking in the immediate area in which the contractor is working. The contractor is currently working on the outbound side of Commonwealth Avenue between Arlington and Berkeley streets.

POLICE DEPARTMENT ORDERS

October 4.

Personnel Order No. 78-239

The following reassignments are hereby ordered, effective on the dates listed below.

Lieut. Lester J. Brennan, Id. 3055, from District 14 (nights), to District 6 (nights)—10-11-78.

Lieut. Aaron Cohen, Id. 4599, from District 14 (nights) to District 13 (nights)—10-11-78.

Lieut. Paul F. Evans, Id. 6753, from District 13 (nights), to District 14 (nights)—10-11-78.

Lieut. Edmund P. Feloni, Id. 4402, from District 6 (nights), to District 14 (nights)—10-11-78.

Detective Anthony C. Antonuccio, Id. 4759, from District 1 (days), to District 15 (nights)—10-11-78.

Police Officers:

Richard P. Brennan, Id. 6268, from District 1 (days), to Operations (days)—10-7-78.

Michael W. Broderick, Id. 6576, from Personnel Division, Medically Incapacitated Section (nights), to District 2 (nights)—10-6-78.

The Boston Retirement Board has approved the following veteran's application for retirement.

Michael J. Kane, 174 O'Callaghan Way, South Boston, senior building custodian, John P. Holland School, School Department.

ADVERTISEMENT CITY OF BOSTON

ECONOMIC DEVELOPMENT AND INDUSTRIAL CORPORATION

Invitation for Bids for Roadway Extension Alsen-Mapes Industrial Park.

The Economic Development and Industrial Corporation of Boston has designated the Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Friday, November 10, 1978, at the office of the Public Facilities Department, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids. \$7,500

Copies of the contract documents, including bid forms, will be available on and after Monday, November 6, 1978, at the office of the Public Facilities Department upon depositing \$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit, in the form of a bid bond, cash or a certified check made payable to and to become the property of the Economic Development and Industrial Corporation of Boston if the proposal after acceptance is not carried out. The bid bond, if used, shall be with a surety company satisfactory to the owner and qualified to do business in the Commonwealth.

No bid for the award of this project will be considered acceptable unless the contractor complies with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

ECONOMIC DEVELOPMENT AND INDUSTRIAL CORPORATION,

By GEORGE C. SEYBOLT,
Chairman.

The City of Boston, by its Purchasing Agent, hereby invites sealed bids for furnishing, in accordance with order, goods or materials as above set forth. EVERY BID MUST BE—

(A) — Submitted on a form obtained from the Purchasing Agent at Room 613, 1 City Hall Square, Boston,—

(B) — Signed by the bidder.

(C) — Accompanied by a certificate of deposit, certified check, or a treasurer's or cashier's check payable to the City of Boston in the amount of one dollar (\$1) (which shall become and be the property of the city if within five days after acceptance of the bid by the Purchasing Agent the bidder fails to execute a contract for furnishing as aforesaid the goods or materials specified and to file a faithful performance bond executed by a surety company licensed to do such business in Massachusetts, or certified check, or other suitable bond in an amount determined by the Purchasing Agent as set forth in the purchasing proposal and contract form),—

(D) — Enclosed in a sealed envelope plainly marked with the Proposal Number and Item to which the bid relates, and—

(E) — Deposited in the Bid Box at the office of the Purchasing Agent, Room 613, City Hall, 1 City Hall Square, Boston, Mass. 02201, before 3 p.m. on the bid date stated above, at which time and place all bids for the sale and delivery of such goods or materials will be publicly opened and read.

Pursuant to law, a duplicate of the bid (without bid deposit check) must also be filed with the City Auditor at his office in City Hall before the time stated above for the opening of bids by the Purchasing Agent.

The Purchasing Agent reserves the right to reject in whole or in part any and all bids or any item thereof, and to award the contract as he deems in the best interest of the City of Boston.

FRANK F. CHIN,
Purchasing Agent.

(Nov. 6.)

ADVERTISEMENT CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Repairs to Maternity and Children's Building, Boston City Hospital.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Thursday, November 30, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall

Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

All subbids for a subtrade designated in Item 2 of the form for general bid shall be filed with the Awarding Authority at the above address before twelve o'clock noon on Wednesday, November 22, 1978, at which time and place they will be opened and read aloud.

Bid Deposit Amounts

General Bids	\$4,500
Masonry	1,250
Waterproofing, Dampproofing, and Caulking	900
Roofing and Flashing	100
Glazing	250
Painting	350

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Wednesday, November 8, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

Proposal for Furnishing Calendar, Refills, etc. for Boston Public Schools.

The School Committee of the City of Boston invites bids for furnishing calendar, refills, etc. for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Calendar, Refills, etc." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager, at or before twelve o'clock noon on Friday, November 17, 1978. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

CITY OF BOSTON

PARKS AND RECREATION
DEPARTMENT

This Project is Funded Under the
Community Development Block Grant.

Invitation for Bids for Renovations at Caldwell Park, Cook Park, and Union Park, Charlestown, Mass.

The City of Boston acting by the Commissioner of Parks and Recreation hereinafter referred to as the Commissioner, invites sealed proposals for renovations at Caldwell Park, Cook Park, and Union Park, Charlestown Mass.

Proposals will be received until 2 p.m., Boston time, Tuesday, November 28, 1978, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, at 10 a.m., Boston time, Monday, November 20, 1978.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 Affirmative Action Plan shall be submitted with the con-

tractor's proposal. These are tables AAP-1 — AAP-3 and form AAP-1 and can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (see pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the

three lowest bidders may also be required to submit a Minority Business Identification Statement.

The contractor's compliance with the Executive Order and the regulations in the 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Specifications and other contract documents may be obtained at the office of the Commissioner at and after 9 a.m., Boston time, Monday, November 6, 1978, upon the deposit of cash or a certified check, payable to the City of Boston, for \$25 per set of specifications. The full amount of the deposit will be refunded upon the return of all documents in good condition, within thirty days after the opening of the bids (Saturdays, Sundays, and legal holidays excluded).

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to

the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

ALAN M. AUSTIN,

Commissioner of Parks and Recreation.

(Nov. 6.)

**ADVERTISEMENT
BOSTON WATER AND SEWER
COMMISSION**

10 Post Office Square, Boston, MA 02109
(617) 426-6046

INVITATION FOR PROPOSALS

The Boston Water and Sewer Commission by its Executive Director invites sealed proposals for reconstruction of sewerage works in Frankfort Street, East Boston, and sewerage and water works in Knapp Street, Boston Proper.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Executive Director, and each in the sum of 100 percent of the contract price, less the amount of \$3,575, will be required of the successful contractor. Proposals must be submitted on the forms obtained from the Purchasing Agent, Boston Water and Sewer Commission, 10 Post Office Square, seventh floor, Boston, MA 02109; (617) 426-6046, and must be submitted in sealed envelopes to the Purchasing Agent clearly marked "Proposal for Reconstruction of Sewerage Works in Frankfort Street, East Boston, and Sewerage and Water Works in Knapp Street, Boston Proper."

Proposals will be publicly opened and read at the office of the Purchasing Agent, on Monday, November 20, 1978, at 3 p.m. Proposals must be accompanied by a certified check, treasurer's or cashier's check, payable to and to become the property of the Commission if the proposal after acceptance is not carried out. The Purchasing Agent reserves the right to reject any or all proposals and to award the contract as the Executive Director deems for the best interests of the Commission.

There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters,

chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Executive Director. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. Attention is called to chapter 370 of the Acts of 1963, which must be strictly complied with. The Executive Director reserves the right to reject any and all proposals or any item or items of the proposals should he deem it to be for the best interest of the Commission so to do.

S. STEVEN DiPRIMA,
Purchasing Agent.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

**Invitation for General Bids for New Partition
at the Edward Everett School, 71 Pleasant
Street, Dorchester, Mass.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for new partition at the Edward Everett School, 71 Pleasant Street, Dorchester, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 22, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the

Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreement contained in the subbid or general bid, in the sum of \$100. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, and schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition in accordance with section 44D, chapter 149, of the General Laws, as amended.

ANTHONY L. GALEOTA,
Chief Structural Engineer.

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY

50 High Street,
Boston, Mass. 02110

NOTICE TO CONTRACTORS

Sealed bids for Massachusetts Bay Transportation Authority (MBTA) Contract No. 070-107 (Project Value 63.0) will be received by the Authority's Director of Construction, at the Contract Administration Office, fifth floor, Construction Directorate, 50 High Street, Boston, Mass. 02110, until two o'clock (2 p.m.) on November 28, 1978. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The above-numbered contract is more fully described as follows:

PART A

(Class 7 — Buildings) Maintenance Vehicle
Storage and I and R Facility, Boston
Massachusetts

This work includes construction of a one-story building approximately 83,000 square feet in area, complete with mechanical and electrical services; certain special equipment items (grease and oil systems and special exhaust systems); repair and storage areas; office, lunchrooms, toilet and locker rooms; truck wash; and fueling facilities. The work also includes site improvements consisting of Arlington Avenue and Dorrance Street reconstruction, widening of Beacham Street, paved areas, sidewalks, driveways, curbing, fencing, drainage, sanitary and utility work, lighting, demolition, and incidental work.

Part B

(Class 7 — Building) Rail Bending and
Special Tie Fabrication Shops, Boston and
Somerville, Massachusetts

The work includes a one-story building, 210' x 100' with a total floor area of approximately 21,000 square feet, complete with mechanical and electrical services, certain special equipment items, 2-ton lifting capacity chain hoist, reconstructed overhead crane with one (1) overhead crane hoist and a dust collector system; office, toilet, and locker rooms; storage and work areas; and a lunchroom. The work also includes site improvements, paved access and apron areas, drainage, sanitary and utility improvements, lighting, dismantling and storage of Building No. 34, demolition and incidental work.

This contract is subject to a financial assistance contract between the MBTA and the Urban Mass Transportation Administration of the U.S. Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administrator's office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening bids.

Prequalified bidders may obtain from the Contract Administrator a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$50. The Authority's General Requirements and Covenants (1978 Edition of Division I, as amended) are available from the Contract Administration Office at a separate charge of \$5 per copy. Neither charge is refundable.

BIDDING DOCUMENTS WILL BE AVAILABLE AT THE CONTRACT ADMINISTRATION OFFICE AT THE ABOVE ADDRESS ON Tuesday, October 31, 1978.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of ten dollars (\$10), payable by a separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Complete information and authorization to view the site may be obtained from the office of the Project Manager — Construction, Mr. V. P. Tsarides (Tel. No. 722-5806).

A prebid conference will be held on November 15, 1978, at 10 a.m. in the office of the Project Manager — Construction, 58 Day Street, West Somerville (Davis Square), Mass. It is imperative that prospective bidders have a representative attend. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any contract entered into pursuant to this advertisement (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

NOTICE OF REQUIREMENTS FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

1. The Offeror's or Bidder's attention is called to the "Equal Employment Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows: (See Appendix 1 to Standard Federal Equal Employment Opportunity Specifications).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the

sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor, employer identification number, estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is Boston and Somerville, Suffolk and Middlesex Counties, Massachusetts.

All bidders will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

The provisions of Massachusetts Executive Order No. 130, Anti-Boycott Covenants are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of three hundred thousand dollars (\$300,000), in the form of a bid bond, or cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, bank, or trust company.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price. The surety shall be a surety company or securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

MASSACHUSETTS BAY TRANSPORTATION
AUTHORITY,

By R. R. KILEY,
Chairman.

**Invitation for General Bids for Furnishing, De-
livering, Setting-Up and Demonstrating
Graphic Arts Equipment in Various
Schools.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering, setting-up and demonstrating graphic arts equipment in various schools.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, November 21, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to

the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

BOSTON REDEVELOPMENT AUTHORITY**

One City Hall Square, Boston, Mass.

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Securing and Boarding Up, Contract No. 3 of Authority-owned buildings throughout the City of Boston Urban Renewal Areas until twelve noon, Boston time, on November 13, 1978, at City Hall, ninth floor, Room 910, Boston, Mass. (Attention: Engineering Department), at which time and place all bids will be publicly opened and read aloud.

A prebid conference will be held on November 1, 1978, at 10:30 a.m. at City Hall, ninth floor, Board Room, Boston, Mass., to discuss scheduling of the work and other matters.

Proposed forms of contract documents, including drawings and technical specifications, are on file at the office of the Boston Redevelopment Authority, City Hall, ninth floor, Room 910, Boston, Mass.

Copies of the contract documents may be obtained by depositing \$25 in cash or a certified check, payable to the Boston Redevelopment Authority, with the Boston Redevelopment Authority, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; (c) conditioned upon the faithful performance by the principal of the agreement contained in the subbid or general bid. Bid deposits shall be in the amount equal to at least 5 percent of each proposal for Securing and Boarding Up Contract No. 3.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract for Boston Redevelopment Authority-funded construction contracts, the contractor must give satisfactory assurance that at least 10 percent (30 percent for impact area) of his/her bid price shall be expended for minority business enterprise.

For the purpose of this paragraph, the term minority business enterprise means, a business of at least 51 percent of which is owned and controlled by minority group members or in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract document are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his/her bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves to the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including without limitation, the notice to all bidders (including subbidders) and provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications or supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. These forms, AAP1-AAP6 and AAP8, can be found at pages ST1-ST10 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensa-

tion and conditions of employment and to the Boston Redevelopment Authority's Equal Opportunity Compliance Policy, adopted February 20, 1969, revised June, 1975, and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity, Anti-discrimination and Affirmative Action Program and City of Boston Affirmative Action Compliance with contract specifications and to the required certification of the bidder regarding equal employment opportunity.

Prebid conference and EEO and affirmative action attention is called to all prospective bidders that they are required to attend a prebid conference to discuss the federal state and local requirements regarding affirmative action; also to discuss the Minority Business Utilization program, goals, and timetables for minorities and females. This conference will be held with the Contract Compliance Officer of the Boston Redevelopment Authority, Mr. Reggie Johnson's office, Room 917, on November 1, 1978, at 11:30 a.m.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specification" set forth in this part.

The goals and timetables for minority and female participation must be expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area. (See pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

As used in this notice, and in the contract the covered area is Boston, and the Islands of Boston Harbor, Mass.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the equal opportunity clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract. The Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

Attention is also directed to the Instruction to Bidders — Award of Contract: Rejection of Bids and the prohibition of abnormally high and abnormally low prices for any class of item of work.

The Boston Redevelopment Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest to do so.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.

BOSTON REDEVELOPMENT AUTHORITY
By KANE SIMONIAN,
Secretary.

ADVERTISEMENT CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Pre-Purchase of Diesels and Pumps for High-Pressure Pumping Station.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, in accordance with G.L., Chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, November 29, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$12,000. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, Novem-

ber 6, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

CITY OF BOSTON,
PUBLIC FACILITIES COMMISSION,
DONALD B. MANSON,
(Nov. 6.) Director of Public Facilities.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Administration Building, 26 Court St.,
Office of the Business Manager

Proposals for Furnishing Wiping Cloths, Cotton Waste and 15-Inch Rulers for the Boston Public Schools.

The School Committee of the City of Boston invites bids for furnishing wiping cloths, cotton waste, and 15-inch rulers for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Wiping Cloths, Cotton Waste, and 15-Inch Rulers." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager, at or before twelve o'clock noon on Friday, November 17, 1978. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

LEO J. BURKE,

Business Manager of the School Committee.

NO. 46

LIVING IN BOSTON

Part IV

Enjoying the City

Boston is famous for its museums, historical sites, theatres, musical organizations, and professional athletic teams. Many cities offer all of these, but few cities can claim the quality and the quantity that Boston does.

Some of Boston's institutions are unique. The long-traditional Fourth of July celebration at the Esplanade along the Charles River — with the Boston Pops Orchestra led by Arthur Fiedler — creates a spirit of community and fun that would be difficult to match. A new winter event began a few years ago with "First Night," a New Year's Eve celebration that offers musical, theatrical, and dance performances throughout the Back Bay and downtown, followed by a fireworks extravaganza over Boston Common at midnight. The Great Boston Kite Festival has become an annual springtime event at Franklin Park. Summerthing, the city's popular summer arts festival, sponsors major presentations in all of Boston's neighborhoods, along with movies, craft workshops, and other activities for residents.

There is even more to be enjoyed when you live in the city, most of it close at hand. Many activities are also easy for children to get to, once they are old enough to take public transportation, enabling parents to limit the hours they have to devote to playing chauffeur or arranging carpools.

Some of the things you can do when you live in Boston are:

Play . . .

- softball in an evening league at one of Boston's lighted athletic fields
- golf on two public courses, George Wright in Hyde Park, and Franklin Park in Roxbury
- tennis at public outdoor courts throughout the city or at indoor tennis clubs in South Boston, Dorchester, and the downtown
- Little League baseball or Pop Warner football or ice hockey at one of a dozen skating rinks

Visit . . .

- the Children's Museum, the Science Museum, the New England Aquarium, the USS Constitution Museum, the Isabella Stewart Gardner Museum, and of course, the world-renowned Museum of Fine Arts,
- the new aviary and the Children's Zoo at the Franklin Park Zoo in Roxbury

Outdoors, go . . .

- cross-country skiing in Franklin Park or at George Wright Golf Course.
- sunbathing at Malibu Beach in Dorchester, Carson Beach in South Boston, or Orient Heights in East Boston.
- swimming at the beaches or in any of the seven public pools in the city, some of which have wading pools for small children
- jogging along the Charles River in Allston-Brighton and the Back

Bay, around Chestnut Hill Reservoir in Allston-Brighton, or at Jamaica Pond in Jamaica Plain

- hiking or bicycling through the Stony Brook Reservation in Hyde Park

• saltwater fishing from Castle Island in South Boston, Rainbow Park in Dorchester, or Belle Isle Creek in East Boston, or freshwater fishing at Jamaica Pond

- sailing on the Charles River, in Boston Harbor, on Dorchester Bay, and at Jamaica Pond

• horseback riding in Franklin Park (rent a horse at a nearby stable in Jamaica Plain)

Join . . .

- one of Boston's seven YMCAs, which offer swimming, sports, exercise classes, crafts, and camping programs
- a community garden club, historical society, theatre group, or neighborhood arts council

Explore . . .

- the Arnold Arboretum in Jamaica Plain, known for its hundreds of different plant species and at its most spectacular in the spring
- the Boston Harbor Islands State Park (the ferry leaves from Long Wharf at the downtown Waterfront)
- the Neponset River or the Charles River by canoe

Learn . . .

- woodworking, photography, auto mechanics, and lots more in the city's Community Schools Pro-

(Continued on next page)

Boston . . .

(Continued from front page)

gram, which uses local schools for after-hours community activities

- any number of subjects for college or graduate credit at the Downtown Center or Harbor Campus/Dorchester of the University of Massachusetts, or at any of dozens of other educational institutions in the city

Basic information sources for city activities include:

Artsline 261-1660

Boston Community Schools 266-9390

Boston Parks and Recreation 725-3239

Metropolitan District Commission 727-5215 (swimming pools, skating rinks, natural area reservations, Boston Harbor Islands)

Boston's daily newspapers publish events calendars on a weekly basis, as do the city-wide weeklies. The weekly newspapers that serve Boston's neighborhoods are also good sources of information about community activities.

"Living in Boston" describes the sixteen major sections of the city. However, Boston has at least 100 different informal subdivisions that can be called neighborhoods. Just as a resident is likely to say that he lives in Hyde Park or the Fenway, not simply "Boston," so someone might also say he is from Lower Mills (Dorchester), Highland Park (Roxbury), Oak Square (Allston-Brighton), or Orient Heights (East Boston).

Getting to know the neighborhoods of Boston is one of the exciting aspects of living in the city. Each neighborhood has an identity that is formed by the mix of residents, the types of housing, the layout of the streets, the topography of the area and the sense of local history.

In some neighborhoods people know each other well, may have lived there a long time, and may belong to community groups that are active both politically and socially. In other neighborhoods there may be more of a sense of

privacy, with each household going its own way. However, many people who live in Boston feel that knowing your neighborhoods is one of the very nice things about city living.

The following neighborhood descriptions give a range of home purchase prices for each district which generally reflects the value of houses in good condition. The typical monthly rent levels given for a two-bedroom apartment include the costs of heat and utilities. However, in some instances the tenant may pay those costs directly, in which case the actual rent will of course be lower.

Both purchase and rental figures are intended only to give a general idea of the market in 1978. Many individual cases will fall outside the stated ranges. Rent levels are especially variable, depending on the level of maintenance or renovation, whether the apartment is in an owner-occupied home or an apartment building, and whether the owner rents primarily to friends from the neighborhood or advertises the apartment widely. Within the same neighborhood it would not be unusual to find a new resident in a substantially renovated apartment paying twice the rent of a long-time tenant whose apartment had not had major improvements made in many years.

CITY RECORD

Joseph J. Fahey, Editor

Editorial Office, Room 203, 1 City Hall Square, Boston, Mass. Tel. 725-4607.

Second class postage paid at Boston, Massachusetts.

Subscription (in advance) \$5.00 per year

Single Copies 15 cents

NEWS AGENCY

Old South Newsstand, 302 Washington Street.

Advertising

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Boston's neighborhoods have something to offer for almost any lifestyle.

The descriptions, to be published in the next edition of the *City Record*, should help you to find what you want.

(To be continued)

BUILDING REHAB PROJECT PLANNED IN FENWAY

Mayor Kevin H. White, on October 29, announced plans for the rehabilitation of thirteen apartment buildings along Peterborough Street in the Fenway into 220 units of low- and moderate-income housing.

The project, a so-called "Section 8" development, funded by the U.S. Department of Housing and Urban Development, includes rehabilitation and rent subsidy money totaling nearly \$7 million.

Said Mayor White, "The final financing for this project by HUD represents the fruits of more than four years of labor to save these buildings and preserve the ethnic and economic character of the Fenway."

Mayor White added, "These buildings deteriorated under inept and insensitive management. The arson menace was an ever-present danger, but the city persevered, as did the people of this neighborhood. We have committed Community Development monies for new sidewalks and streetlights here. There will be new plantings in the spring to enhance the neighborhood — but most importantly — when grant funds were hard to find during the Nixon-Ford Administration, we stood by the HUD grant application to make this project a reality."

The housing will provide forty-two units for elderly. The remainder of the units will be mixed both by race and by income.

The buildings in the project, all on Peterborough Street, are numbers 35-45, 36-46, and 72-82.

The developer of the project is Continental Wingate Corp., which acquired the properties privately through a New York bank.

UNITED WAY CHAIRMAN'S REPORT

Third Quarter Report is \$14,591,803; one week left to raise \$5.5 million.

We have passed the three-quarter mark of the 1978 Campaign, and we are right on target. Our total at this point tells us one thing: that many dedicated volunteers have worked hard — very hard — to bring in the money.

We are on the way to the best campaign result in the history of the United Way of Massachusetts Bay — but we cannot relax; we cannot stop; we cannot become complacent.

We have just one week to raise \$5.5 million to meet our \$20-million goal.

The easy money is in. From here on out, the job gets even tougher. The last two weeks in a United Way campaign are always the most critical, and this year is no different. If hard work ever counted, it does now.

Each of us must continue to work to reach 100 percent of potential, in every executive/employee campaign. All volunteers — at every level of the campaign — must complete their calls and ask for a Fair Share Pledge, whether you're talking to an individual, a small business, or a larger corporation.

If we are to provide the services that are so vital to this community and its residents, then we must ask for a fair share. Fair share, simply, is the price tag of our product — and is a vital one: services to people, people all over the Mass. Bay area.

If we win — and hit that \$20-million goal — it certainly will not be a singular feat. It will be the result of YOUR hard work, YOUR dedication, YOUR leadership. Thousands and thousands of people will win with us.

Perhaps no effort in your lifetime will have a more profound effect on the lives of so many people that what you are doing in this United Way Campaign.

We must work together!

Our final dinner on the 21st of November should be a celebration of a victory — a victory for the community.

Let's make it happen. It is up to each of us. We have just one week to go!

"GREENHOUSE" PLANNED FOR BOSTON

The Boston Redevelopment Authority has recently designated (tentatively) a developer for a \$17.5-million, luxury apartment complex adjacent to the Colonnade Hotel located on Huntington Avenue, Boston.

A 306-unit "Greenhouse" will stand twelve stories high on a site owned by the Christian Science Church within the Fenway Urban Renewal Area. Two twelve-story towers will be connected by a three-story glass atrium.

The project, which will include a 200-car garage and 8,000 square feet of commercial space on the ground floor, should start by mid-1979, according to Robert Ryan, BRA director.

"T" ADDS EVENING BUS SERVICE

Extra Christmas shopping buses began running Monday evening, November 6, to Boston's Downtown Crossing.

The extra buses, from Charlestown and South Boston, will supplement the evening service that is already available on the Downtown Crossing buses.

The buses with the extra evening service are on bus Route 11 — City Point to Downtown via Bayview — and bus Route 93 — Sullivan Square to Downtown via Bunker Hill Street.

This extra evening service up until 9:55 p.m., will be operated Monday through Friday only, directly into Downtown Crossing with stops at Kneeland, Essex, Summer, and Milk Streets on Washington Street; Franklin and Arch Streets; and Chauncy and Summer Streets. The extra trips will be run from Monday, November 6, through Friday, December 22.

Evening service to the Downtown Crossing is also available on Bus Route 43 until 12:55 a.m. The Route 43 buses leave Downtown every ten minutes from 6 p.m. to 7 p.m.; every fifteen or twenty minutes from 7 to 9 p.m., and every half hour from 9:25 p.m. until 12:55 a.m.

HELP FOR HANDICAPPED DRIVERS

Handicapped drivers can now find the resources they need for mobility with a new AAA directory, "The Handicapped Driver's Mobility Guide."

The seventy-eight-page directory lists and describes more than 500 transportation services around the country for handicapped drivers, including manufacturers of handicapped driving aids, and resource publications.

For example, the fifteen listings in Massachusetts show the services provided by each organization, and include names, addresses, and phone numbers for reader follow-up.

The guide contains other useful information such as: vehicle selection, factory options, additional equipment and modification, what the Veterans Administration recommends, etc.

The directory is intended to help handicapped drivers improve their access to jobs, shopping, recreational and social outlets. If you are interested in having a copy sent to you, please mail your name and address, plus \$1 to cover cost and mailing, to: Handicapped Drivers, c/o AAA, 1280 Boylston Street, Chestnut Hill, MA 02167, or you may pick up a copy at the Mass. Division AAA office nearest you for 50 cents.

Money doesn't talk anymore. It just goes without saying.

"Your Honor," said the defendant who was pleading his case to the judge, "I was not going 40 mph. No, not 20, not even 10. In fact, when the patrolman came up, I was almost at a standstill." "I'd better stop you now," said the judge, "before you back into something. Twenty-five dollars fine, please."

After the government takes enough to balance the budget, the taxpayer has the job of budgeting the balance.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOXES

The designation of the following boxes have been changed and company commanders shall make the changes on their assignment card:

6135, Marginal Street, opposite No. 72.

13-2447, Standard Manor Nursing Home, 461 Walnut Avenue.

V. LETTER OF THANKS

"October 28, 1978.

Dear Commissioner:

On the night of October 23, 1978, between 0:30 and 11 p.m., the men from Station 16, responded to an emergency call from me. Through their fast, efficient, and courteous service, they were instrumental in saving my husband's life. He was having a coronary attack. We would like to thank them very much and feel they should be commended.

Sincerely,

Mrs. Sugarman."

Contract for the period July 1, 1978, through June 30, 1979, to provide meals for sequestered and deliberating jurors, awarded to: Dini's, Inc., Creative Gourmets, Ltd., d/b/a Soupcon; Joe Tecce's, Inc.; Stella Restaurant, Inc.; Joseph's Aquarium Restaurant, Inc., not to exceed \$60,000.

Services to Jurors

For the period July 1, 1978, through June 30, 1979, to provide rooms, meals, and related services for sequestered jurors and accompanying court officers as requested from time to time by the Sheriff, awarded to Hotels of Distinction, Inc., d/b/a The Copley Plaza; Howard Johnson's Motor Lodge (57 Park Plaza); Brighton R.I. Corporation, d/b/a Ramada Inn; Howard Johnson's Motor Lodge, 5 Howard Johnson Plaza; Boston Park Plaza Hotel Operating Co., Inc.; and Ramada Inns, Inc., not to exceed \$100,000.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

**ADMINISTRATIVE SERVICES DEPARTMENT
Purchasing Division
Groceries, etc.**

Dear Mayor:

On June 16, 1978, your Honor approved a letter of award for several contracts to companies for furnishing groceries and canned goods to the various city departments as a result of publicly opened bids on May 26, 1978. Permission is requested to amend the original letter dated June 12, 1978, to have the correct approximate total amounts read as indicated below:

George D. Emerson Company, \$110,129, net/thirty days; Davey Bros., Inc., \$46,917.45, less 1 percent, thirty days; Nogler Bros. Co., Inc., \$4,812, less 2 percent discount, time of payment.

Respectfully,
Frank F. Chin,
Purchasing Agent.

Radio Equipment

Dear Mr. Mayor:

On January 28, 1978, your Honor approved the award of a contract, based on public advertising for bids, to Motorola, Inc., 24 Hartwell Avenue, Lexington, Mass., for the purchase of radio equipment to various city departments at cost not to exceed \$122,924.80.

Your authorization is requested to amend this contract to provide for the purchase of sixty-four Motorola Model No. H908, plug-in units which will be used with the Motorola MX series, portable radio. These additional units are necessary to include circuiting that will allow the police dispatchers console to iden-

tify the transmission of a specific portable radio and an emergency situation.

The additional sixty-four items will be purchased at a unit cost of \$120, which will increase the contract cost by \$7,680. The contract, as amended, shall not exceed \$130,604.20.

Because Motorola, Inc., is uniquely qualified to provide compatible accessories for equipment already purchased under this contract and because the cost is reasonable, it is my opinion that further advertising would serve no useful purpose.

Respectfully yours,
Frank F. Chin,
Purchasing Agent.

Film and Supplies

Dear Mr. Mayor:

On June 8, 1978, your Honor approved a letter to award contracts to several companies for furnishing films and supplies, medical and X-ray, to the Boston City Hospital, as a result of publicly opened bids of April 24, 1978.

The amount of the contract for one company, Xonics Medical Systems read inadvertently \$44,577.05. Permission is requested to amend the original letter dated June 5, 1978, to have the approximate amount of the contract read \$411,577.05, net thirty days, which is the correct amount.

Respectfully,
Frank F. Chin,
Purchasing Agent.

**COMMUNITY SCHOOLS
Program for Youth**

Dear Mr. Mayor:

I respectfully request your Honor's written authorization to disperse with public advertising and amend the amount and duration of the city's contract No. SC5342 with Programs for Youth, a corporation with a place of business at 316 Huntington Avenue, Boston, Mass.

Under the term of the amendment, Programs or Youth will furnish during the period September 1, 1977, to August 15, 1978, personnel, supplies, material, equipment, and administration necessary to operate the Community Schools Program at a cost not to exceed \$423,879. I have determined this cost to be reasonable.

In view of the professional nature of the services to be performed in addition to the excellent performance of Programs for Youth under the base contract, it is believed that public advertising would serve no useful purpose.

Respectfully,
Paul Grogan,
Director.

**EEPA
Management System**

I respectfully request your Honor's permission to amend a contract with Mr. Frank Jerabek, 22 Searle Street, Brookline, Mass. 02148. Mr. Jerabek is presently working under a consulting contract to develop a financial management system (FMS) for all City of Boston CETA grants. Because the scope of requirements for the FMS increased in complexity subsequent to the initial award it is now necessary to retain the contractor for additional workdays above the one day a week contemplated by the original contract.

Funds for this amendment will be provided to the city through a federal government grant

under the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contract will continue to be effective for the period February 20, 1978, through December 31, 1978. The amount of the award will be increased by \$1,000; thereby increasing the total amount not to exceed \$8,000.

In view of the excellent performance of the contractor, the technical and professional nature of the service, and the reasonable cost thereof, I request approval to dispense with inviting sealed bids by public advertising in the City Record pursuant to authority granted under the City of Boston Code, St. 4, s. 7.

Sincerely,
Charles M. Atkins,
Administrator.

**HEALTH AND HOSPITALS DEPARTMENT
Personal Services**

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the letter of award dated January 5, 1978, and approved by your Honor on February 13, 1978, amending the city's contract with Medical Personnel Pool, 73 Tremont Street, Boston, Mass., and Bergall Corporation, d/b/a Staff Building Medical Services, 18 Tremont Street, Boston, Mass., under which said companies have agreed to provide skilled nurses for the Boston City Hospital whenever an emergency situation, created by a shortage of nursing personnel, necessitates supplementation of the Boston City Hospital's regular staff, for the period August 1, 1977, through June 30, 1978, said letter of award amending the contract to increase the total contract amount to a sum of \$147,000.

This amendment shall correct errors in the fee schedules as stated in the letter of January 5, 1978, so as to state the correct amount in conformance with the contractors' bids. This shall be accomplished by striking out lines four through nineteen of paragraph three which read as follows:

Medical Personnel Pool — General Ward Coverage Monday — Friday, \$75.20 per day, R.N.; Saturday and Sunday, \$77.52 per day, R.N.; Holidays and overtime, \$116.28 per day, R.N. Critical Care Areas — Monday — Friday, \$82.80 per day, R.N.; Saturday and Sunday, \$85.12 per day, R.N.; Holidays and overtime, \$127.69 per day, R.N.

Staff Builders Medical Services — No difference between General Ward Coverage and Critical Care, Monday — Friday, 7-3, \$66; 3-11, \$66; 11-7, \$72 per day; Saturday and Sunday, 7-3, \$72; 3-11, \$72; 11-7, \$72 per day; Holidays, 7-3, \$72; 3-11, \$72; 11-3, \$72 per day; Overtime = over forty hours per week is time and one half.

And by inserting in place thereof the following:

Medical Personnel Pool — General Ward Coverage, R.N. — Monday — Friday, \$75.20 per eight-hour shift; 3/11 Friday, 11/7 Sunday, \$77.52 per eight-hour shift. Critical Care Areas, R.N. — Monday — Friday, \$82.80 per eight-hour shift; 3/11 Friday, 11/7 Sunday, \$85.12 per eight-hour shift. All hours over forty worked by one individual during a weekly pay period shall be billed at time and one half, as will the following holidays: New Year's Day,

(Continued on next page)

CONTRACTS AMENDED

(Continued from previous page)

Washington's Birthday, Easter Sunday, Memorial Day, July fourth, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Veteran's Day, and Christmas.

Staff Builders Medical Services — No difference between General Ward Coverage and Critical Care. For the period August 1, 1977, through December 31, 1977, R.N. \$9 per hour, \$72, per eight-hour shift; for the period January 1, 1978, through June 30, 1978, R.N. \$9.90 per hour, \$72.90 per eight-hour shift. The following holidays will be billed at time and one half: New Year's, Memorial Day, Fourth of July, Labor Day, Thanksgiving, and Christmas.

As these rates and Staff Builder's 10 percent increase in their rates effective January 1, 1978, are part of the original agreement, I respectfully request your Honor's permission to amend the January 5, 1978, letter of award and the contract under the terms and conditions stated above.

Sincerely

David L. Rosenbloom,
Commissioner.

Window Cleaning

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend, without advertising, the city's contract with National Window Cleaning Service, 63 Holyoke Street, North Quincy MA 02171, under which said National Window Cleaning Service is providing for the cleaning of all windows at Boston City Hospital and performing all work necessary and incidental thereto, during the period of July 1, 1977, through June 30, 1978, at a cost not to exceed \$11,800.

This amendment has been occasioned by the premature closing of the Outpatient Department due to the snowstorm of February, 1978, and the subsequent move to the Ambulatory Care Center, and shall increase the city's liability by \$1,800, resulting in a total contract price of \$13,600.

It was originally anticipated that the move to the Ambulatory Care Center would not take place before May or June, 1978, and that window cleaning for the Ambulatory Care Center would be paid under contract for the Fiscal Year 1978-1979.

In view of the above and because the cost to the city, in my opinion, is reasonable, I hereby respectfully request your Honor's permission to dispense with public advertising and to approve the award for this amendment under the term and conditions stated above.

Very truly yours,

David L. Rosenbloom,
Commissioner.

LAW DEPARTMENT

Photographic Services

Dear Mayor White:

On August 1, 1977, the Law Department awarded a contract which was approved by your Honor on June 23, 1977, and based on public advertising for bids to Myles Enterprises, Inc. for photographic services to the Investigating Division. This contract is for the period July 1, 1977, through June 30, 1978, at a cost not to exceed \$15,000.

Due to the storm of February 6-8, 1978, the contractor has been required to take more photographs than was anticipated in the terms of the original contract. Your authorization is requested to amend this contract by providing for extra services and by increasing the liability of the city under this contract by \$6,000. The additional compensation to the contractor will be payable at the same rate specified in the terms of the original contract which I have determined to be reasonable and fair. The cost of this contract as amended shall not exceed \$21,000.

Because of the need for continuous service throughout the contract period by the Investigating Division, it is my opinion that further advertising for bid would serve no useful purpose.

Very truly yours,

Herbert P. Gleason,
Corporation Counsel.

LICENSING BOARD

Stenographic Services

Dear Mayor White:

I respectfully request your Honor's permission to amend my letter of February 27, 1978, which you approved on March 1, 1978, to award a contract to McKenna & Mendes Reporting Associates, 89 State Street, Boston, Mass.

Although this agency followed all rules with regard to publicly advertising for bids for this contract, and although McKenna & Mendes was the only bidder and submitted a reasonable bid, McKenna & Mendes Reporting Associates did not file a duplicate bid with the Auditing Department. I am now advised by the Law Department that this inadvertent error on the part of the contractor negates the legality of the bid and its acceptance by the city.

Because of the immediate need to provide stenographic services to the Licensing Board, and because the contract cost is reasonable, it is my opinion that to repeat the advertising and bidding process on this contract would serve no useful purpose. Therefore, I respectfully request your permission to technically reject the bid which we received (McKenna & Mendes Reporting Associates being the only bidder) and to award the contract to McKenna & Mendes Reporting Associates, 89 State Street, Boston, Mass., without public advertising, for stenographic services for the period February 13, 1978, to June 30, 1978, at a cost not to exceed \$4,000.

Respectfully submitted,

Andrea W. Gargiulo,
Chairwoman.

PARKS AND RECREATION DEPARTMENT

Bus Transportation

Dear Mr. Mayor:

On June 27, your Honor approved the award of a contract between the City of Boston (Acting by the Commissioner of Parks and Recreation Department) and Brush Hill Transportation Company with a usual place of business at 109 Norfolk Street, Dorchester, Mass., for furnishing bus transportation, July 1, 1977, to June 30, 1978, for the approximate sum of \$53,200. This contract called for the furnishing of necessary bus transportation for participants in Parks and Recreation's neighborhood playgrounds and recreation programs.

The above contract was publicly advertised. Bids were received on June 14, 1977, and the contract was awarded to Brush Hill Transportation Company, the lowest bidder.

The contract did not provide for bus trips beginning after 5 p.m. for children attending evening recreation programs. I propose to amend the above contract to include the provision of this type bus trip for the above purpose to specific destinations. The specific destinations are to Boston Lobsters' Professional Tennis Matches on Wednesday evenings in May and June, 1978.

This amendment will include the addition of new Item 16. The unit price for these new items were negotiated and are in accordance with similar unit costs of the same contract.

The amendment will result in an increase in the sum of the contract from \$53,200 to the sum not to exceed \$55,200. The required amount was encumbered by the city Auditing Department.

In view of the above, I respectfully request your Honor's authorization to make in the name and behalf of the city, an agreement amending such contract to comply with the above-noted requirement.

Very truly yours,

Alan M. Austin,
Commissioner.

Castings, etc.

Dear Mr. Mayor:

On June 27, 1977 your Honor approved the award of a publicly advertised contract for completing the manufacture of new patterns and gray iron castings for the Public Garden fence to the lowest responsible, eligible bidder, George DeAngelis Iron Works, 14 Brookley Road, Jamaica Plain, Mass., for the sum of \$332,872.10.

All castings to be manufactured under the contract have been delivered to the city. Due to damage to the perimeter fence caused by vehicles smashing through the fence we must order extra castings to repair the damaged fence sections and order an additional supply of fence parts so that future damage can be repaired immediately.

The patterns used to manufacture fence parts are still in the possession of the contractor, and I propose to order 632 additional fence parts for the reason stated above at the unit bid price set forth in the contract documents for a total cost of \$29,604.75. It is my judgment that the unit bid prices received over twelve months ago are fair and reasonable. If the patterns are returned to the city and a new contract advertised for additional fence parts, I believe the cost will be greater than the unit prices under the present contract due to inflation and a much smaller quantity of parts to be manufactured.

Therefore, I respectfully request your authorization to amend the contract between the city and George DeAngelis Iron Works to increase the contract sum from \$332,872.10 to \$362,476.85.

Very truly yours,

Alan M. Austin,
Commissioner.

Engineering Service

Dear Mr. Mayor:

I respectfully request your authorization to dispense with inviting proposals in the City

Record in amending the agreement between the City of Boston acting through its Commissioner of Parks and Recreation and Fay, Spofford and Thorndike, Inc. (engineers), dated July 29, 1974, the letter of award approved by your Honor on July 3, 1974, for engineering services to prepare plans and specifications and supervision of construction of improvements at Jamaica Pond. The amendment will provide additional monies under supplementary services to reimburse the engineer for extra work performed beyond the services required under the basic fee and to provide a full-time clerk of the works during construction this spring.

The contract documents prepared by Fay, Spofford and Thorndike, Inc. were publicly advertised and bids were received on October 28, 1975. Due to lack of funds the contract was not awarded.

In November of 1976, Fay, Spofford and Thorndike, Inc. was directed to prepare an application for the city for funding of the Jamaica Pond project under Phase I of U.S. Department of Commerce and Economic Development Administration's (EDA) Local Public Works bill which provided 100 percent funding of approved construction projects.

We were notified by EDA that the project was approved for funding and engaged the engineer to revise the original contract documents to reflect the changes that had taken place at the site since bids were received in 1975 and to revise the contract documents to conform with the requirements of EDA.

The construction contract was publicly advertised for bid and awarded to the low bidder in April of 1977, at the present time the contract is 65 percent complete.

The original design contract provided \$17,000 for supplementary services. To date we have expended \$12,227.04 for a full-time clerk of works; \$11,334.16 for preparing the EDA application and revising the original construction contract; \$3,367 for field survey of the site; and \$108.14 for miscellaneous items.

We project construction to be completed on or about June 15, 1978, and anticipate additional monies to be expended under supplementary services will be \$3,465 for a full-time clerk of works; \$1,200 for changes to the original contract document; and \$2,000 for the taking of sample core borings of new pavements constructed by the contractor; thus the total sum expended or to be expended under supplementary services will be \$33,701.34. As the engineer's design contract provided \$17,000 under supplementary services an additional \$16,701.34 is required.

Therefore, I respectfully request your Honor's authorization to dispense with inviting proposals in the *City Record* in amending the agreement between the City of Boston and Fay Spofford and Thorndike to increase the supplementary services from \$17,000 to \$33,701.34 thereby changing the maximum liability of the city from \$41,455.00 to \$58,156.34.

Very truly yours,
Alan M. Austin,
Commissioner.

REAL PROPERTY DEPARTMENT

Work Uniforms, etc.

Your Honor:

I respectfully request permission to amend the contract awarded to Interstate Uniform

Services Corporation, 78-80 East Cottage Street, Dorchester, Mass., for furnishing work uniforms and dry mops on rental service in City Hall and other municipal buildings and courthouses.

The previous contract was for an amount of \$10,860.20, and the funds are being exhausted rapidly. Additional uniforms were needed when more personnel were added to the department by the CETA programs, and will necessitate additional funds for uniforms. I believe that an additional amount of \$4,500 will be necessary for the balance of the year.

I, therefore, respectfully request your permission to amend this contract from the sum of \$10,860.20, to \$15,360.20.

Respectfully Yours,
Bernard W. Callahan,
Assistant Commissioner.

Garage Repairs

Your Honor:

Permission is hereby requested to amend the contract of the Quincy Corporation, 33 Newport Avenue, North Quincy, Mass. 02171, No. SC-6320, 3-71-56, to allow an added cost of \$1,000.

The work was necessary to correct a falling parapet wall which endangered pedestrian traffic.

Problems arose with garage traffic which necessitated completing the work on Saturday and Sunday, prime time, emergency basis.

I, therefore, respectfully request your permission to amend this contract from the sum of \$17,000, to \$18,000.

Very truly yours,
Joanne A. Prevost,
Commissioner.

Your Honor:

I respectfully request permission to amend the contract awarded to Minute-Man Security Services, Inc., 20 Lomasney Way, Boston, Mass., for furnishing guard and protection services at new City Hall, City Hall Annex, and various locations in the City of Boston.

The previous contract was for an amount of \$84,568.88, and the funds are being exhausted rapidly. An additional building has been turned over to the department. This a fourteen-story building at 182 Tremont Street, Boston. I believe that an additional amount of \$23,000 will be necessary for the balance of the year.

I, therefore, respectfully request your permission to amend this contract from the sum of \$84,568.88, to \$107,568.88.

Respectfully yours,
Bernard W. Callahan,
Assistant Commissioner.

SCHOOL DEPARTMENT

Educational Programs

Dear Mayor White:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Harvard College Museum of Comparative Zoology the following amendments to a contract for participation in the development of educational programs at Trotter E.S.:

Change termination date from April 1, to June 30, 1978.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing

such services, it is the determination of the Board of Superintendents, and has been approved by the School Committee, that the public interest would not be served by public advertisement for bids.

Yours truly,
Edward Winter,
Secretary.

Dear Mayor White:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Thompson Island Education Center the following amendments to a contract for participation in the development of educational programs at Brooks School:

Change the amount from \$7,765, to \$7,400.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing such services, it is the determination of the Board of Superintendents, and has been approved by the School Committee, that the public interest would not be served by public advertisement for bids.

Yours truly,
Edward Winter,
Secretary.

Dear Mayor White:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Thompson Island Education Center the following amendments to a contract for participation in the development of educational programs with Boston high schools:

Change the amount from \$50,000, to \$47,093.75.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing such services, it is the determination of the Board of Superintendents, and has been approved by the School Committee, that the public interest would not be served by public advertisement for bids.

Yours truly,
Edward Winter,
Secretary.

Dear Mayor White:

On behalf of the School Committee of the City of Boston, I request your written authority to dispense with inviting proposals by advertisement and to award to Massachusetts College of Art the following amendments to a contract for participation in the development of educational programs at English High School:

Change the amount from \$28,890, to \$29,690.

This additional amount is necessitated in order to aggregate all pairing program evaluation funds under the college contract for payment to the designated evaluator.

Because of the professional nature of the services to be provided under this contract and the expertise of the contractor in providing such services, it is the determination of the Board of Superintendents, and has been approved by the School Committee, that the

(Continued on next page)

CONTRACTS AMENDED

(Continued from previous page)

public interest would not be served by public advertisement for bids.

Yours truly,
Edward Winter,
Secretary.

Dear Mr. Mayor:

On May 9, 1978, this department awarded a contract approved by your Honor, without public advertising, to Beacon School, 209 Babcock Street, Brookline, MA 02146, during the period July 1, 1978, through June 30, 1979, at a cost not to exceed \$66,900, for special services to fifteen pupils.

Your authorization is requested to amend this contract by the adoption of the Massachusetts Rate Setting Commission rate of \$5,000 per year, per student. The cost of the contract as amended shall not exceed \$75,000.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,
Edward J. Winter,
Secretary.

TRAFFIC AND PARKING

Compensation Adjustments

Maureen Gavell, parking meter supervisor, from \$186.35 to \$194.95 a week.

Robert Rocha, parking meter operations man, from \$213.85 to \$223.10 a week.

Richard McCormick, assistant traffic sign supervisor, from \$255.35 to \$267.70 a week.

Leaves of Absence

Raymond Cavallaro, assistant traffic sign supervisor, \$267.70 a week.

Irene M. Connolly, parking meter supervisor, \$194.95 a week.

Gene DiBenedetto, director of traffic safety education, \$330.45 a week.

Ida Rotondi, parking meter supervisor, \$186.35 a week.

Reinstatements

Francis P. Carney, parking meter operations man, \$223.10 a week.

Helen E. Dahlbeck, parking meter supervisor, \$203.85 a week.

Status Changes

Donald Burgess, from junior traffic engineer, electrical, at \$298.75 a week to assistant traffic engineer, at \$330.45 a week.

Robert F. Drummond, from associate traffic engineer, at \$478.15 a week to traffic engineering director, at \$555.56 a week.

Richard W. Loring, Jr., from senior traffic engineer, at \$398.35 a week to principal traffic engineer, at \$437.90 a week.

Sandra O'Connell, from assistant traffic engineer, at \$330.45 a week to senior traffic engineer, at \$363.85 a week.

Andrew J. Quintillani, from principal traffic engineer, at \$437.90 a week to associate traffic engineer, at \$478.15 a week.

ADVERTISEMENT SUFFOLK COUNTY

SHERIFF'S OFFICE

NOTICE TO CONTRACTORS

The County of Suffolk, acting by its Sheriff, hereinafter referred to as the Awarding Authority, invites interested, competent persons customarily engaged in automobile maintenance and body work, located within Suffolk County, to enter into a contract to perform periodic and emergency repair, maintenance, and body work as requested from time to time by the Awarding Authority, and at all times in accordance with specifications accompanying the contract documents.

Copies of the contract documents and application forms may be obtained at the Office of the Sheriff, Room 104, New Courthouse, Pemberton Square, Boston, Mass., on or after Wednesday, November 15, 1978. Applications shall be completely filled in, signed, and enclosed in an envelope, sealed and plainly marked, "Application for Vehicle Maintenance and Repair Contract."

The Awarding Authority will receive applications for such contracts at the office named above until twelve o'clock noon, Boston time, Wednesday, November 29, 1978.

The Awarding Authority reserves the right to waive any informalities and to reject any or all applications if it be in the public interest to do so.

**ADVERTISEMENT
THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

**Department of Planning and Engineering,
26 Court Street, Boston, Mass.**

**Invitation for General Bids for Furnishing and
Delivering Fire Retardant Rest Mats to
Various Schools.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and delivering fire retardant rest mats to various schools.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, November 30, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, inclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount of bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for the work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter.

Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Roof Repairs,
Various Libraries and City Hall.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, November 21, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square,

Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids\$3,100

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, November 13, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated

damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

**PARKS AND RECREATION
DEPARTMENT**

Invitation for Bids to Operate Golf Professional and Sports Shop Privilege at George Wright Golf Course, Hyde Park, Mass.

The City of Boston, acting by the Parks and Recreation Commissioner, invites sealed bids to operate golf professional and sports shop privilege at George Wright Golf Course, Hyde Park, Mass., for the period commencing with the opening and terminating with the closing of the golf course in 1979 as determined by the Commissioner or his designated representative, including an option for renewal for two consecutive one-year periods based on satisfactory performance and approval of the Commissioner. In no event is the golf professional and sports shop privilege to open prior to April 1st or remain open after November 30th unless expressly approved by the Commissioner.

Bids will be received until 2 p.m., Wednesday, November 29, 1978, at the office of the Awarding Authority, Room 802, 1 City Hall Square, Boston, Mass., at which time and place they will be publicly opened and read aloud.

A bid deposit in the form of a certified check on a responsible bank or trust company payable to the City of Boston, in the sum of \$100, shall be submitted with the bid.

Proposals shall be submitted on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and description of the work to be done. Proposal shall be filed at the office of the Commissioner, designated above, and shall be filed before the time stated above for the opening of the proposals. A ten dollar (\$10) fee will be charged for each proposal picked up by each bidder.

The successful bidder, as the licensee, shall be subject to the laws, rules, and regulations

of the Boston Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and in the sum of one thousand dollars (\$1,000), as well as certain public liability and property damage insurance, will be required of the successful bidder.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

PARKS AND RECREATION DEPARTMENT

Invitation for Bids for Tree Planting, Perimeter Sidewalks, Public Garden.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for tree planting, perimeter sidewalks, Public Garden.

Proposals will be received until 2 p.m., Boston time, Tuesday, November 28, 1978, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department,

Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Contract documents, including bid forms, will be available at and after 9 a.m., Monday, November 13, 1978, at the office of the Awarding Authority.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

NO. 47

LIVING IN BOSTON

Part V

Allston-Brighton—Along the Banks of the Charles

A narrow strip of land along the Charles River links Allston-Brighton to the rest of Boston. The winding river bank also creates one of the district's finest amenities, a pleasant environment for walking, jogging, bicycling, and even canoeing, all the way to downtown Boston.

Settled as farmland in the 1600s and known as Boston's "Wild West" when it had a bustling cattle market in the nineteenth century, Allston-Brighton is a residential district of great variety and appeal. It has small, intimate neighborhoods off the main streets that consist of single- and two-family homes dating from the late-Victorian era to the 1950s. The familiar triple-decker is also found in many locations. Imposing older apartments along the main thoroughfares house many of the community's senior citizens, as well as its young, working people and numerous students.

To give a general idea of the housing market, a small, single-family home might be priced between \$25,000 and \$40,000, while an interesting Victorian single might cost around \$50,000. Two-family dwellings begin around \$35,000 and may go as high as the lower \$60s. A large, triple-decker might cost in the \$30,000 to \$50,000 range. A two-bedroom apartment rents for about \$300.

A marked feature of this community of 67,000 is its comfortable heterogeneity. Families of Irish and Italian descent are numerous. Recently, Chinese and Hispanic families have made their homes here, along with young professional people. Boston College and Harvard Business School, both located in Allston-Brighton, and nearby Boston University attract many residents to the area.

Storrow Drive and the Massachusetts Turnpike make Allston-Brighton particularly convenient for people driving into town or west of the city. Two branches of the MBTA Green Line serve the district, and express bus service to downtown

Boston is available from Brighton Center. Finally, Harvard Square in Cambridge is minutes away by bus or car.

Back Bay—Walk through the Nineteenth Century

Boston's Back Bay was designed on a grand scale in the mid-nineteenth century and is still one of America's most impressive planned developments. If Commonwealth Avenue reminds you of a European boulevard, it should. Boston's self-confident reply to the great thoroughfares of Paris, it remains a delight for people who live nearby or stroll along it on a Sunday afternoon.

The Back Bay was made for the leisurely walker. The district's distinctive townhouses are an architectural survey of Victorian urban styles. The Esplanade where Boston holds its famous Fourth of July celebrations, is ideal for bicycling, jogging, sunbathing, or just walking along the Charles River. On the river are dozens of sailboats, many from the public Community Boating Club. The buildings of the

Massachusetts Institute of Technology across the river in Cambridge form an impressive backdrop.

Saturday afternoon may mean shopping on Newbury Street, visiting galleries and boutiques, and perhaps stopping for tea or a drink at a sidewalk cafe or in a fine old hotel. At night few streets are livelier than Boylston, with hundreds of people on their way to clubs and restaurants or listening to street musicians. The Back Bay is a truly cosmopolitan place to live.

Apartments predominate in the Back Bay. Some are in distinguished townhouses that have been subdivided over the decades, others are in fairly large apartment buildings. Rents can be high, and it is worth patient looking to find the best mix of quality and price. A large two-bedroom apartment may rent for \$400 to \$600 per month.

Condominium ownership is an increasingly popular preference. Prices range considerably. A quality one-bedroom unit can be found in the \$30,000 range, although less expensive units are available. Family-sized condominiums generally cost from the \$40s on up. A complete townhouse might cost over \$100,000, although a rental apartment could reduce the owner's cost.

As in other intown districts, parking in the Back Bay can be difficult or expensive, and many people forego owning a car, preferring to rent one when necessary. The community is well-served by the MBTA

(Continued on next page)

Boston . . .

(Continued from front page)

Green Line, however, and most downtown destinations are just a short walk away.

Charlestown — Bunker Hill and Brick

The first English settlers spent a year in Charlestown before moving south across the Charles River to present-day downtown Boston in 1630. In succeeding years, Charlestown grew to be a thriving harbor-side community, its progress only briefly checked when the British burned almost the entire town in 1775 during the Battle of Bunker Hill.

In the course of the later nineteenth century, Charlestown became a more and more distinctly Irish settlement. Today, it retains much of its Irish heritage and close-knit family atmosphere, while also attracting new residents drawn by its townhouses and proximity to downtown.

Most of the housing in Charlestown is of wood or brick rowhouse design, with front steps set right at the sidewalk. Some of these structures were built for nineteenth-century sea captains and wealthy merchants. The majority were constructed on a more modest scale, although with considerable attention to interior detail. Some truly historic homes remain from the early nineteenth century, and there are also a few modern detached houses as well. Because of Charlestown's hilly contours, many homes, regardless of design, have fine views of downtown Boston or the harbor.

While there has been a general appreciation in housing values in recent years, prices in Charlestown can still be moderate. A brick rowhouse in good condition might cost around \$40,000. A similar house that has undergone extensive renovation might cost \$60,000 or more. More modest homes, or rowhouses in need of repair, are available for below \$30,000. Rent for a two-bedroom apartment will likely be around \$300.

Charlestown is within walking or bicycling distance of the downtown

office and shopping districts. From Monument Square to Government Center is about a twenty-minute walk. The MBTA Orange Line, which runs along the edge of the district, goes directly downtown, and buses provide frequent service.

In addition to landmarks like the Bunker Hill Monument and "Old Ironsides" (the USS "Constitution"), Charlestown will soon boast a new attraction. The former Charlestown Navy Yard with its many historic structures is being recycled for housing and other uses, including a 6½-acre public park fronting on the harbor.

Dorchester — Victorian Suburb

Dorchester's settlement began in 1630, when several villages were established along the waterfront of Dorchester Bay and the Neponset River. In the early nineteenth century, the district's many hills provided attractive sites for country estates. In 1870, Dorchester was annexed to Boston, and the trolley lines were extended to provide good connections to the downtown business district several miles to the north. Dorchester then began its rapid development as the Victorian "streetcar suburb" that it still resembles today.

A fifteen- or twenty-minute subway ride downtown, a yacht club or beach within walking distance, or a

view from a hillside home — these are some of the reasons people have for living in Dorchester. A strong neighborhood spirit, interesting older architecture, or the economy of owning a home with rental income are also attractions. For many residents, Dorchester offers just the right combination of urban convenience and suburban space. Corner stores, excellent public transportation (there are five stops on the MBTA Red Line, plus connecting bus and trolley service), and neighbors who may become friends are just a short walk away. At the same time, there is enough space around most homes for a lawn, a garden, and some privacy.

With 150,000 residents, Dorchester is larger than many cities and just as varied. Its population includes Irish, Haitian, Lithuanian, Afro-American, Italian, Hispanic, Polish, and other ethnic groups, which contribute to a multiplicity of languages and cultures. Some of its neighborhoods are racially integrated, while others are predominantly black or predominantly white.

Most neighborhoods are characterized by turn-of-the-century, wood-frame houses, with a mixture of singles, two- and three-family homes. But there are also some blocks of brick rowhouses, some neighborhoods composed exclusively of single-family houses built since 1930, and some streets of elaborate Victorian homes on large lots. House prices generally range from \$20,000 to \$35,000, although a house needing renovation can be found for much less and one that is particularly attractive may cost substantially more. A two-bedroom apartment will rent for around \$200.

Downtown — Heart of the City

Beacon Hill, the Waterfront, Chinatown, the North End — downtown is the part of Boston tourists know best. Here at the heart of the city, where the earliest settlement took place and where all transportation systems now converge, are literally dozens of historic landmarks: the Old State House, the Boston Massacre site, King's Chapel, Old North Church, and many more. Here also is the recently restored Faneuil

Advertising

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

Hall Marketplace with its enticing shops and eating places.

For those who want to be near downtown offices and stores, to have close at hand the Italian restaurants and European street life of the North End, or the atmosphere and cuisine of Chinatown, to be able to walk to the Waterfront Park or Boston Common, there are many choices for intown living. The gaslit, nineteenth century streets of Beacon Hill offer unique abodes in elegant brick and stone townhouses. High-rise luxury apartment complexes are found near Massachusetts General Hospital, on the Waterfront and elsewhere. Living spaces in recycled Waterfront wharf buildings are much in demand. Not to be forgotten is the little community of Bay Village, near the theatre district and Chinatown, with its gas lights and small brick rowhouses.

Intown living tends to be expensive. A Beacon Hill townhouse is likely to be priced near or above \$100,000, while one in Bay Village might be around \$50,000. A one-bedroom Waterfront condominium can range from \$25,000 to \$70,000, with larger units as high as \$150,000. A two-bedroom apartment can rent from \$300 to \$600 or more.

East Boston — Harbor View

Located across the inner harbor from downtown Boston, East Boston has always been a focus of waterfront activity. It was here, for example that Donald McKay's shipyard built the "Flying Cloud" and other clipper ships that were once an important source of Boston's prosperity. East Boston's waterfront views are a major attraction. One can look across the harbor to the intown skyline, out to the busy main ship channel, or over saltwater marshes with their plentiful wildlife.

When Cunard liners tied up at East Boston piers in the nineteenth century, this historic community was predominantly Irish. Today most of its 40,000 inhabitants are of Italian descent, and the district is known for its strong family environment.

Housing in East Boston includes two- and three-story, brick or wooden rowhouses, some in small groupings and others on rather densely

developed streets. There are also newer, more "suburban" single- and two-family homes as well as a scattering of sea captains' mansions from the last century. A brick ranch house, with an impressive view and a beach nearby, might be bought for \$40,000 and up. A two-family home in need of some work might be had for \$25,000 — in first-rate condition, for \$35,000. A new owner may have spent upwards of \$70,000 for a sea captain's house near the water's edge, but neighboring one- to three-family structures might be found for under \$30,000. Two-bedroom apartments rent for around \$200.

Although separated from the downtown by the harbor, East Boston has good connections to the rest of the city via the MBTA Blue Line. It is a ten-minute ride from Maverick Square to Government Center. The Mystic/Tobin Bridge and the Callahan/Sumner Tunnels provide automobile links to the south, and several main highways lead to the North Shore. Logan International Airport in East Boston is a great convenience, and while it creates noise problems in certain neighborhoods, others are remarkably unaffected.

(To be continued)

BRANCH LIBRARY MEETINGS

Friday, November 24 — Dudley Branch. Adult/Young Adult Film Program. *The Adventures of Prince Achmed*, 3 p.m.; Faneuil Branch. Children's Film Program. *Sam, Bangs and Moonshine* and *The Cat in the Hat*, 3:30 p.m.; South Boston Branch. Children's Story Hour, 3:30 p.m.; Uphams Corner Branch. Thursday Family Film Festival, *Mr. Hulot's Holiday*, 6 p.m.; Uphams Corner Branch. The Spanish Adventure Series, Music of Spain and Latin America, 3 p.m.

THANKSGIVING DAY

In the first year of his office, President George Washington issued a proclamation recommending that November 26, 1789, be kept as a day of "national thanksgiving" for the establishment of a form of government that made for safety and happiness. For years the festival was almost exclusively a New England institution, celebrated by religious services in the churches, the sermon often a political address, and by the gathering at the old home of the scattered members of the family. The day gradually became a custom in the western and some of the southern states, each appointing its own day. In 1863 President Lincoln issued a proclamation in which he "appointed and set aside" the last Thursday in November as a day of national thanksgiving "for the defense against unfriendly designs without and signal victories over the enemy who is of our own household." Until 1939 each president followed Lincoln's example in proclaiming the last Thursday in November a national day of Thanksgiving. In that year Franklin D. Roosevelt, desiring to lengthen the interval between Thanksgiving and Christmas, named the next to the last Thursday as the date of celebration. But in December, 1941, Congress passed a resolution making the fourth Thursday a legal holiday. Governors in the various states usually issue proclamations to this effect. The day is also celebrated in all the territories and possessions.

MOUNTED POLICE PATROLS EXPANDED IN FOUR NEIGHBORHOODS

The Boston Police Department's innovative Mounted Patrol program has expanded its coverage in four Boston neighborhoods by adding twelve new beats to the patrol program.

That announcement came on November 9, from Police Commissioner Joseph M. Jordan at ceremonies in Mattapan Square graduating seventeen more officers

from the Mounted Patrol Horsemanship Training program. That graduating class brings the Mounted Patrol complement to ninety officers.

The new beats will provide Mounted Patrol coverage in: Mattapan, Roslindale, the Back Bay-Fenway area, and the downtown area west of Charles Street. (Complete list of streets and times included.)

Said Mayor Kevin H. White, "We are trying to bring the police services closer to the neighborhood residents. Studies indicate that police on horseback are more effective at doing that than police in patrol cars. Cooperation between Boston residents and their police has reduced the crime rate 18 percent over the last eighteen months. Still closer cooperation through the Mounted Patrol can reduce that rate even more."

This latest graduating class, the third under the Mounted Patrol program, has just completed an intensive, eight-week program of instruction designed to train both horse and officer as a single, effective, police unit. The instruction includes control of animal under street conditions; care of animal and horsemanship; and two weeks of field training where trainees respond to neighborhood calls.

Police Commissioner Joseph M. Jordan said, "The neighborhood response, so far, to the Mounted Patrol has been tremendous. These officers represent the cream of the crop, their training and personality characteristics make them the best possible police officers for this type of duty."

Mayor White also praised the training the Mounted Patrol officers receive as "very thorough." These officers receive superb training, and it shows in the way they perform their duties."

The Mounted Patrol Unit is composed of volunteers from the Police Department ranks ranging from probationary recruits, fresh from the Police Academy, to twenty-five-year veterans on the force.

New Mounted Patrol Beats

Mattapan — Blue Hill Avenue/Morton Street, 8:30 a.m. to 5

p.m.; Mattapan Square, 5:30 p.m. to 1 a.m.

Back Bay — Newbury Street (Arlington Street to Massachusetts Avenue), 10 a.m. to 5 p.m.; Boylston Street (Arlington Street to Fairfield Street), 10 a.m. to 5 p.m., 6 p.m. to 2 a.m.; Bay Village, 6 p.m. to 1 a.m.; Charles Street, 6 p.m. to 2 a.m.; Kenmore Square, 8:30 a.m. to 5 p.m., 6:30 p.m. to 2 a.m.

The Fenway area, 8:30 a.m. to 5 p.m.

Roslindale Square, 8:30 a.m. to 5:30 p.m., 5:30 p.m. to 1 a.m.

NEW MOTOR VEHICLE LAWS

Despite a short Legislative session that was restive over leadership challenges, scandals, court reform, and tax department reorganization, some laws were passed that are of interest and importance to you as a motorist.

Stop and Yield Laws

Here are two law changes that are very important to know.

The first deals with stop signs, and specifies that every driver approaching a stop sign or flashing red signal shall stop. Prior to the change, the second and third vehicles in a line could proceed without stopping again, after having stopped behind the first vehicle.

The second law change states that a driver who fails to stop at a yield sign and is involved in a collision shall be "prima facie" deemed to have failed to yield the right of way. The term means "on the face of it," and the burden of proof is on the driver.

Gas Price Signs

The thirty-nine-year-old law that prohibited gas stations from posting large display signs on their premises to advertise gasoline prices has been repealed. The small price signs on the pump are still required, but now additional signs that can be seen easily from the street are also permitted.

This law change places no limit on the size or number of gas-price advertising signs a station may post on its property. However, the pump

signs are still limited to a maximum size of 8 by 10 inches.

Recently, the prohibition against large gas-price signs caused some stations to resort to gimmicks such as signs that appeared to advertise gas prices, but upon closer inspection were found to refer to cigarettes, dry gas, deodorants, oil, and the like.

Mass. Division AAA objected to those signs as deceptive, misleading, and a form of bait advertising. Their sole purpose was to trick motorists into a station through the lure of a low price for their gasoline.

Insurance Rates

Effective the first of next year, insurance rates for drivers sixty-five years of age and older will be reduced 25 percent. The merit rating system with its surcharges will still apply, as it does to all other age groups.

"BRINK'S JOB" PREMIERE DECEMBER 7

The world premiere of the film "The Brink's Job" will take place December 7 at the Sack Cheri Theatre, Boston, as a benefit for Summerthing. Filmed on location in Boston, "The Brink's Job" is the story of the famous \$2.7 million, Brink's heist in 1950, that won international fame as "the crime of the century." Stars Peter Falk, Peter Boyle, and Paul Sorvino will be sharing the spotlight on December 7 with the City of Boston and the residents who participated in the film.

The December 7 premiere benefit, coordinated by the Mayor's Office of Cultural Affairs, sponsors of Summerthing and Sack Theatres, will include special events before and after the film opening. Armored trucks will roll through the city and the North End will once again become a meeting place for stars and celebrants of "The Brink's Job."

For a complete schedule of activities and ticket information call the Mayor's Office of Cultural Affairs at 725-3000.

INTERESTED IN MODELING!

Mayor Kevin H. White and Parks Commissioner Alan M. Austin announce Modeling and Grooming Classes for pre-teen and teen-age girls — another of the many free programs offered by the City of Boston through the Parks and Recreation Department. Registration for the Modeling and Grooming Classes will take place at the following Recreation Centers, days and times listed below:

From 3 p.m. to 4 p.m.:

Monday, November 27, James M. Curley Recreation Center, 1663 Columbia Road South Boston, 269-9683; Tuesday, November 28, Roslindale Recreation Center, 6 Cummins Highway, Roslindale, 323-3313; Wednesday, November 29, Brighton Municipal Building, 20 Chestnut Hill Avenue, Brighton, 783-6963.

From 6 p.m. to 8 p.m.:

Wednesday, November 29, Shelburne Recreation Center, 2730 Washington Street, Roxbury, 442-0808; Thursday, November 30, Orchard Park Recreation Center, Dearborn and Ambrose Streets, Roxbury, 427-9210.

For further information contact Dorothy M. Curran, director of recreation at 725-4006.

CULTURAL AFFAIRS PRESENTATIONS

Boston City Hall Galleries

Main gallery wall, fifth floor, Cloth Tapestries by Barbara Schwartz, December 4 to 29.

Scollay Square, third floor, Photographs by Steve Dunwell, "The Run of the Mill" on textile manufacture in New England.

Bostonian Gallery, second floor, "Facades — Architectural Photographs of Boston's Financial District." Color photographs by Ken LaMond.

Human Rights Corridor, second floor, Paintings by Ray Parks.

BVAU Wall, second floor, "Spirits," an exhibition of photographs by Michael Bate.

AUGMENTED SEWER PROJECTS FOR SOUTH END

Mayor Kevin H. White has announced that the Boston Redevelopment Authority will soon begin work on an additional \$3-million worth of sewer improvement work in the South End Urban Renewal Project.

The BRA recently awarded a contract for \$1.2 million to Modern Continental Construction Company and another contract for \$2.1 million to the John Mahoney Construction Company to carry out the installation of the new sewer lines and storm drains. Both firms were low bidders.

Funds for the sewer improvement projects are being provided by the U.S. Environmental Protection Agency.

Mayor White said, "We are pleased that EPA is providing funds for these important projects. We will be able to carry out much-needed improvements without adding to the burden of the homeowners of Boston. It is also important that we continue with our program of upgrading utilities in areas such as the South End.

Mayor White also noted that the present contracts are in addition to previously announced sewer projects in the amount of \$5 million to be carried out in the South End during the next year.

Contract SD-LA, to be carried out by Modern Continental, consists of installing 1,500 linear feet of new storm drains, 460 linear feet of new sanitary sewer, and 1,700 linear feet of storm and sanitary services in portions of Clarendon Street, Columbus Avenue, and Montgomery Street.

The work being done by the John Mahoney Construction Company consists of installing approximately 4,000 linear feet of new storm drains, 3,000 linear feet of new sanitary sewer, and storm and sanitary services in portions of Warren Avenue, Dartmouth Street, Pembroke Street, Appleton Street, Dartmouth Place, and West Canton Street.

LET'S KEEP AMERICA CLEAN

MAYOR APPOINTS JOHN F. SNEDEKER TO HEAD WATER AND SEWER COMMISSION

MDC Commissioner John F. Snedeker has announced that he would be leaving the MDC on December 1, 1978, to assume the duties of executive director of the Boston Water and Sewer Commission.

Commissioner Snedeker stated, "My tenure as commissioner has been both memorable and exciting. There is no other job in government that offers the challenges or creates the demands that the MDC does. In the past three and one-half years, I have dealt with two racial confrontations at Carson Beach, a rock concert, four, Fourth of July spectacles with Arthur Fiedler, a *Globe* Spotlight, and of course, the historic Blizzard of 1978. However, I hope that my real contribution has been to bring order and stability to the MDC, and to install new pride and motivation in the 3,000-member, work force. I believe the MDC is now a stronger, more viable component of government than it has ever been. I want to thank all those department heads and supervisors who helped make these changes possible."

Commenting on his new assignment the commissioner added, "Running the Boston Water and Sewer Commission is a challenge I look forward to. Many of the problems which are apparent today are due to the lack of a permanent director. This has caused decisions within the agency to be delayed or inconsistent. Morale within the agency is not high and the public has had little information about the commission's positive contributions. I intend to immediately address all three of these problems."

In concluding, the commissioner added, "The challenge is great. I plan to make sure that the people of Boston know not only where their money for water and sewerage services is going, but that their money is being spent to provide the best and most efficient service possible."

Experience is what prevents you from making the same mistake again right away.

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

To settle for \$182.26 the claim of Walter Johnson, 63 Slayton Way, Roxbury, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Dudley Street, Roxbury, April 7, 1977.

To settle for \$30 the claim of William Seminara, 1 Glenhaven Road, West Roxbury, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Centre Street, West Roxbury, March 7, 1978.

To settle for \$60 the claim of James Wexler, 48 Hancock Street, Somerville, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Granby Street, Boston, April 6, 1978.

To settle for \$388.26 the claim of Bruce F. Comjean, 59 Commercial Wharf, Boston, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Arlington Street, Boston, January 27, 1978.

To settle for \$60 the claim of Dorothy Lombardo, 1062 Highland Avenue, Needham, to be reimbursed for damage to her motor vehicle as a result of a defect in the roadway of Huntington Avenue, at the overpass, Jamaicaaway, April 8, 1978.

To settle for \$69.81 the claim of Kenneth Niles, 56 Davis Avenue, Norwood, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Washington Street, adjacent to the MBTA Arborway Station, Jamaica Plain, October 16, 1977.

To settle for \$500 the claim of Donnamarie Powers, 277 Shaw Street, Braintree, to be reimbursed for damages sustained as a result of a defect in the roadway of India and Central Street, Boston, November 8, 1977.

To settle for \$6 the claim of Alison E. Eckman, 82 Berkeley Street, Boston, to be reimbursed for damage to her car while being towed from Berkeley Street, Boston, May 17, 1978.

To settle for \$160 the claim of Richard Carrio, 22 Walter Street, Roslindale, to be reimbursed for damage to his vehicle as a result of a defect in the roadway of Summer Street, Boston, January 22, 1978.

To settle for \$75 the claim of E. Evelyn Conlon, 37 M Street, South Boston, to be reimbursed for personal injuries as a result of a fall in the sidewalk of West Broadway, South Boston, October 2, 1977.

To settle for \$276.05 the claim of Robert DePietro, 208 Union Street, Norwood, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Queensberry Street, Boston, April 7, 1977.

To settle for \$122.25 the claim of Mark Donohue, 45 Van Brunt Street, Hyde Park, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Central Avenue, Hyde Park, February 17, 1978.

To settle for \$165.25 the claim of Henry Jackson, 1158 Tremont Street, Roxbury, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Washington Street, Jamaica Plain, February 16, 1978.

To settle for \$105 the claim of Colette King, 182 Bristol Road, Wellesley, to be reimbursed for damage to her vehicle as a result of a defect in the roadway of Commonwealth Avenue, Brighton, January 22, 1978.

To settle for \$23.10 the claim of Raymond MacCallum, 94 Westmoor Road, West Roxbury, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Huntington Avenue, Boston, December 14, 1977.

Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

LEO J. BURKE,

Business Manager of the School Committee.

CITY OF BOSTON**

**Department of Planning and Engineering,
26 Court Street, Boston, Mass.**

**Invitation for General Bids for Partition Work
at 26 Court Street, Boston, Mass.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for partition work at 26 Court Street, Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, December 5, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$800. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition in accordance with section 44D, chapter 149, of the General Laws, as amended.

**Invitation for General Bids for Plaster Repair
Work at South Boston High School, 95 G
Street, South Boston, Mass.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for plaster repair work at South Boston High School, 95 G Street, South Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Monday, December 4, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly

marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$650. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

**ANTHONY L. GALEOTA,
Chief Structural Engineer.**

LIVING IN BOSTON

Part VI

Fenway — Link in the Emerald Necklace

The Fenway is most noted for the Back Bay Fens and the shallow, meandering Muddy River flowing through it. This parkland is one of the significant "gems" in Boston's "Emerald Necklace" of green space designed by landscape architect Frederick Law Olmsted in the late nineteenth century. Among other features, the Fens boasts a well-tended rose garden as well as the Victory Gardens established during World War II and allotted today to green-thumbed city residents on a first-come, first-served basis.

The Fenway is also known for its institutions. They include the Museum of Fine Arts, the Isabella Stewart Gardner Museum, Harvard Medical School, Northeastern and Boston Universities, and many more. For sport fans, the Fenway means Fenway Park and the indomitable Red Sox.

Housing in the Fenway is predominantly large, apartment buildings, which line the drives on either side of the Fens and rowhouses, which are located on smaller side streets. A three- or four-bedroom, brick townhouse with a small yard might cost anywhere from \$20,000 to \$60,000 and up. A two-bedroom apartment may rent for about \$250 to \$300.

Owning a car in the Fenway may be more trouble than it is worth; given the high density and limited parking space, but the area is served by buses and the MBTA's Green Line and is within walking distance of the Back Bay's shopping and office district.

Some of the Fenway's larger old buildings have deteriorated in recent years, although this has been balanced by growing interest and commitment on the part of active community groups and city government support. Based on its excellent location, its housing stock and its exceptional parkland, the Fenway has the potential for a strong future.

Hyde Park — New and Old

Settled around the time of the Civil War and for many years a

remote village on the Neponset River, Hyde Park was annexed to Boston in 1912 and is thus the city's newest residential district. Its early residents tended farms and orchards, and it also became a manufacturing and railroad center. Although less important today, factories and rail yards are still a part of the landscape along the Neponset and in the sub-district of Readville, the southernmost point of the city.

While there are a number of dwellings that date from the later nineteenth century, most of the housing in Hyde Park is relatively new and the community has a decidedly suburban atmosphere. Numerous homes, typified by the cape colonial, were built in the 1950s and early 1960s to accommodate a diverse and growing population, which is now nearly 38,000. Several large townhouse and garden apartment complexes were also built during this period.

To give an idea of prices, small, single-family homes cost generally between \$20,000 and \$30,000, while a larger, modern, single might range in the 30s. A sizable Victorian may be priced in the high 30s to low 40s, although some go over \$50,000. A

three-family house might cost around \$35,000. A two-bedroom apartment will rent for about \$250.

Hyde Park is unparalleled in its open space and recreational opportunities. The George Wright Municipal Golf Course, the Neponset River Reservation with its marshlands and picnic areas, and the wilderness of the 450-acre Stony Brook Reservation are all close at hand.

Because of its outlying location, Hyde Park is somewhat less well served by public transportation than closer-in districts. There is, however, a generous schedule of weekday trains to Back Bay and South Stations, and buses provide connections to the MBTA Orange Line. The community is very convenient to the Route 128 circumferential highway and to other major roads to the south and west of the city.

Jamaica Plain — Victorian Variety

First a farming community and later the site for the country estate of Boston's wealthy families, Jamaica Plain owes much of its nineteenth-century development as one of the city's "streetcar suburbs." The fine Victorian homes that abound in the district attest to this growth. So does the "Emerald Necklace" of parkland, virtually encircling the community, that was created by late-nineteenth-century planners who saw the need to set aside green landscapes for future generations of Bostonians. Thanks to this foresight, Jamaica Plain residents can sail or jog at Jamaica Pond, explore the Arnold Arboretum, or go horseback riding or golfing in Franklin Park — it's all right at their doorstep.

(Continued on next page)

Boston . . .

(Continued from front page)

The neighborhoods of Jamaica Plain range from fairly dense to spacious. Mid-nineteenth-century homes, built for affluent residents of that era, are mixed in with later, more middle-class Victorian single- and two-family homes, as well as with a generous selection of triple-deckers. Some sections were not built up until the twentieth century and in these, spacious, modern, single-family homes on large lots are available.

House prices are as varied as the housing. A generous Tudor may cost \$60,000 to \$80,000. A nice triple-decker might be available in the low 20s, while a Victorian single could cost over \$40,000 and smaller singles in many styles are often found under \$30,000. Rent for a two-bedroom apartment may run between \$250 and \$350.

As a community, Jamaica Plain, with a population of 45,000, is as heterogeneous as any in the city. On a Saturday morning on Centre Street, the main shopping district, you will see long-time residents of Irish descent, young professional households, Black and Hispanic shoppers, all mingling together.

Transportation in Jamaica Plain is provided by the MBTA Orange Line and the Green Line Arborway trolley. The Jamaicaway and the Arborway connect the community with other auto routes to the downtown and outlying destinations.

Mattapan — Contemporary Spirit

Mattapan offers the successful combination of a suburban environment, a racially integrated community, a large and convenient shopping area, and good rapid transit service to the downtown.

Originally part of neighboring Dorchester, Mattapan for many years marked an important Neponset River crossing and trading center for travelers heading south from Boston on Blue Hill Avenue, the major thoroughfare. Earlier in this century, Mattapan was the center of Boston's Jewish community. Today, continuing evolution has brought Haitians, Cape Verdeans, and native

American Black families into the area, creating a diverse mix of races and cultures. The variety in this community of 21,000 is reflected in the shops of Mattapan Square, the large and thriving shopping district.

While some portions of Mattapan, primarily along Blue Hill Avenue, experienced deterioration in the late 1960s and early 1970s, the majority of the district offers well-maintained homes on pleasant streets. Substantial single- and two-family homes, both brick and frame, are found in quantity. Modern split-levels and ranch-style houses stand on lots as large as half an acre. The district has its share of conventional two- and three-family homes, including a number of triple-deckers. Generally, newer homes cost \$30,000 or more. Older wood-frame housing is often less. Two-bedroom apartments rent for \$200 to \$300.

A touch of country life is enjoyed by Mattapan residents who use the free, high-speed trolley, which originates in Mattapan Square, to make intown connections with the MBTA Ashmont Red Line. Trolley passengers can look out on the Neponset River marshlands, a lovely natural area that is particularly scenic in the autumn, and also on the grass and mature trees of the 100-year-old Cedar Grove Cemetery, probably the only burial ground in the country that has a trolley line running through it.

MDC WARNING! DISPOSE LEAVES PROPERLY

Metropolitan District Commissioner John F. Snedeker has announced that the MDC will begin "vigorous and strict enforcement" of the regulation prohibiting the disposal of leaves on MDC parklands and parkways.

In making the announcement, Commissioner Snedeker cited the dangers and inconveniences in what might be considered a harmless act. "Raking leaves into the street raises the specter of clogged catch basins, a leading contributor to the backup of floodwater during heavy rains. Wet leaves may also aggravate slippery road conditions for the motorist. Beyond this," the Commissioner continued, "wet surface leaves may only hide from view the dry, potentially flammable leaves beneath."

Violators of Rule 18 of the Rules and Regulations for the Government and Use of the Reservations and Parkways Under the Care and Control of the MDC will be subject to a fine of up to \$100. "We are asking for everyone's cooperation in making the fall and winter season a safe one," the Commissioner said. "Improper disposal of leaves benefits no one and burdens our parks maintenance crews with unnecessary additional work."

MADISON PARK HIGH SCHOOL DEDICATES JACK CRUMP STADIUM

Roxbury's Madison Park High School has a new name for its campus football field, Jack Crump Stadium. It started during the second half of the school's first annual, season-closing football game against Boston Technical High on Thanksgiving Day.

The field was dedicated between halves in memory of the late Jack Crump, a former multi-sport athlete, coach, and highly active volunteer community leader of youth in Roxbury and South End until his death in 1969.

A committee of Madison Park parents and community leaders unanimously recommended that the

field be so named. The Boston School Committee approved this recommendation in its meeting of November 14th.

Ready approval also came from Madison's Headmaster, Thomas P. Hennessey, who said: "We're all very pleased that our stadium has been named in honor of Jack Crump. His lifelong devotion to sports and his contributions to youth were tremendous. Our team, happily, is doing well, won seven, lost two."

The late Mr. Crump played Park League football for several years as a center and kicking specialist. Later he became a volunteer youth worker in the Roxbury and South End communities. He coached football, baseball, basketball, and the track team, producing scores of athletes who were standouts later in college.

In basketball he was the original developer of many who later made it with the professionals. They included Jimmy Walker, Detroit Pistons; Bill Hewitt, Los Angeles Lakers; Harry Barnes, San Diego Rockets; and Willis Bennett, Dallas Chaparrals.

Mr. Crump was a master welder by trade and his personal slogan in sports was: "I build winners." His winners were welded with Park League and semi pro-teams remembered as the Eagles, Panthers, Selkirks, Bruins, Junior Bruins, the Huntington (Boston) YMCA, and many more. There was time left to work as a basketball official and to coach the softball team of the South End Old Timers.

PRE-CHRISTMAS ENTERTAINMENT

The North End Waterfront Arts Council is proud to present a series of festivities in "Celebration of the Spirit of Christmas," that will provide you with several hours of pre-Christmas entertainment and enjoyment. These celebrations involve the combined artistic efforts of both the North End and Waterfront communities and are sponsored by a grant from the Mayor's Office of Cultural Affairs.

The excitement begins with an authentic production of the musical play "Bye Bye Birdie," performed by the North End Community Players, a group of teens from the North End. Show times are Friday, Saturday, Sunday, December 8, 9, and 10, at 8 p.m., at the North Bennet Street Industrial School, 39 North Bennet Street, Boston. St. Stephen's Church, designed by the famed architect Bulfinch, will provide the perfect setting for a "Christmas Concert," performed by Italian Folk Singers on Sunday, December 10th, at 4 p.m.

The North End Union, 20 Parkman Street, Boston, is hosting a whole series of events catering to all age groups. On Tuesday, December 12th, at 10 a.m., the New Wrinkle Theatre, a traveling troupe of older Americans, will be presenting "Skiddoo Revue." The show, catering to senior citizens, will offer singing, dancing, magic, instrumentalists, and specialty numbers. Children will get their chance to celebrate the holiday spirit by watching the Freelance Players perform "Great Expectations," on Wednesday, December 13th, at 2 p.m. The Freelance Players are a group of children, ages eight to sixteen, who are known for their professional acting ability.

Come browse around at the second annual Christmas Gallery at the North End Union, featuring a superb collection of art and photographs for sale by local North End and Waterfront artists. Opening night will be a gala affair on Thursday, December 14th, 7:30 to 10: p.m., and will feature refreshments and music. The gallery will be open from December 14th to December 17th. If you attend the gallery on Friday afternoon you can also enjoy a good old Italian lunch of baked stuffed zitti, salad, bread, biscotto. Marguerite Dimino's "Christmas Luncheon" will be on December 15th, from 12 to 2 p.m. Call the North End Union to reserve a space.

Senior citizens will provide the opportunity for people to purchase unusual homemade Christmas items by having a Senior's Arts and Crafts Fair, on Saturday, December 15th, from 10 a.m. to 4 p.m.

Celebrate the spirit of Christmas by attending the many events sponsored by the North End Waterfront Arts Council. Make this Christmas season a happy and exciting one. For more information call the North End Union at 227-2927.

BASKETBALL APPLICATIONS AVAILABLE

Applications for the "79" season of the Women's Basketball League (BWBL) are available at Room 802, Parks and Recreation Department, Boston City Hall, or by calling 725-3239.

This year the league will be divided into three divisions according to team's playing ability and desire for competition. There will be a limit of twelve players to a roster and rosters must be in December 1, 1978. Games which will be played weekly will start in January, run through February, and end in March with the playoffs that will include the top teams in each division. For more information please contact Dorothy M. Curran, director of recreation, at 725-4007.

INTERESTED IN ASTRONOMY?

An astronomy course, tailor-made for the layman, is now offered by the Hayden Planetarium at Boston's Museum of Science.

"Planets and Stars in Plain English," starting Thursday evening, November 30, uses a nontechnical approach and a light touch to bring participants up to date on these celestial objects, as well as on comets and asteroids. Rather than concentrating on identification, the course stresses the nature of the objects.

The instructor is Norman Sperling, assistant editor of Sky and Telescope Magazine, who was formerly director of the Duncan Planetarium in Princeton, New Jersey.

Planned for those aged sixteen and older, the course meets on eight successive Thursdays from 7:30 to 9:30 p.m. The fee is \$40, with a \$5-discount for family and contributing Museum members. To register, call 723-2500, Extension 291.

"T" INSTALLS BIKE RACKS

The MBTA is currently installing bike racks at twelve rapid transit and commuter railroad stations.

The rapid transit station locations will be at Ashmont on the Red Line; Mattapan on the high-speed trolley line; Maverick, Orient Heights, and Wonderland on the Blue Line; and Newton Center and Riverside on the Green Line.

Commuter rail station locations will be at Acton on the South Acton Line; Winchester on the Lowell Line; Woburn on the Woburn Branch; Forest Hills on the Providence Line; and Needham Junction on the Needham Branch.

According to Miss Nancy Shapiro, project manager of the federally aided Transit Efficiency Program which is funding the bike rack project, the style of bike racks was specifically selected to accommodate a variety of locking hardware, such as the popular U-shaped locks, cables, and chains. Chains connecting short, concrete pillars will surround the bike racks to protect them from damage by cars and snowplows.

In an effort to deter vandalism, all locations are in highly visible areas and wherever possible will be in view of MBTA and railroad employees.

NEW MOTOR VEHICLE LAWS

Littering

The Registry of Motor Vehicles is authorized to suspend for up to seven days, the license of anyone who litters public or private property, or who permits occupants of the vehicle to litter. It became effective October 6th. This is in addition to the \$200 fine for littering public roads and roadsides.

Small Claims

The limit for which people can sue in small claims court has been increased from \$400 to \$750. In addition, the new law raises the limit for non-small claims cases in district courts from \$4,000 to \$7,500.

Suing Government

The ancient doctrine of "sovereign immunity" has been abolished, and citizens can directly sue

state and local governments. Previously, government entities were immune from suit except under certain conditions, such as when government agreed to the suit.

It's not clear what the effect of this law change may be. The Mass. League of Cities and Towns anticipates a "flurry of suits" initially, but not many more over the long run.

Most citizens suits against government result from street defects, but this change does not apply to the most common defect, potholes. Motorists have always been able to sue for pothole damage if they gave notice within thirty days and the claim didn't exceed \$5,000.

The major change is that cities, towns, and the state are now directly liable in situations where a police car, fire truck, or other governmental vehicle is in collision with a private vehicle. Formerly, the claim was against the individual government employee, and the government was not required to — nor did it always — back the employee.

Bills Vetoed

Among the bills passed by the Legislature but vetoed by the Governor, were these three of interest to motorists:

- A measure that would have repealed the mandatory helmet use law for motorcyclists;
- A measure that would have increased the legal drinking age from eighteen to nineteen years, with the intention of helping to reduce auto accidents involving liquor;
- A bill that would have required basic limits for compulsory bodily injury liability insurance be \$10,000 per person and \$20,000 per accident, instead of \$5,000 and \$10,000 respectively.

Failed to Pass

Still other bills of interest to car owners failed to get through the Legislature. Among them:

- To license auto repair shops and set up a state auto repair board;
- To replace the per gallon gasoline tax with a percentage tax, thus leading to higher gas taxes;
- To prohibit use of metal-studded, snow tires, both winter and summer;
- To make it mandatory that cars have snow tires during winter months.

THEATRE ARTS PRESENTATION

Street Scene, Elmer Rice's powerful play of life in the 1920s tenement-torn New York City will be presented by the Theatre Arts Department at U. Mass. Boston Harbor Campus. Admission is FREE. Performances held in the Building II theatre, second floor.

The performance dates are Thursday, November 30, 2:30 p.m.; Friday, December 1, 7:30 p.m.; Saturday, December 2, 7:30 p.m.; and Sunday, December 3, 2 p.m.

For further information, call 287-1900, Ext. 2971.

Consider the turtle — he doesn't make any progress unless he sticks out his neck.

\$397,000 GRANT FOR HARVARD

The Harvard Graduate School of Education has received a \$397,000 grant from the Ford Foundation to study the impact of courts, unions, and government on the operation and control of schools.

At the same time, the School of Education is planning to establish an institute for educational policy studies to conduct those studies and provide a home for additional policy research and training.

Under the three-year grant, the institute will examine the court-ordered, due-process procedures governing student rights; the impact of court desegregation orders; and the effect of collective bargaining on secondary education. The institute will also study labor relations in higher education and explore the changing role of state government in education.

"We need to know more about the many new legal and quasi-legal mandates in education. With that knowledge, we may be able to improve the environment for teaching and learning, while protecting the legitimate rights of individuals and groups," said Paul Ylvisaker, dean of the Graduate School of Education.

Under the Ford grant, the institute will be able to study these mandates in depth and supply information for policy decisions.

BOSTON CELEBRATES "BRINK'S WEEK"

To celebrate the World Premiere of "The Brink's Job" Dino De Laurentiis, director William Friedkin, film stars Peter Falk, Peter Boyle, Allen Goorwitz, Warren Oates, Gena Rowlands, Paul Sorvino, Gerald Murphy, author Noel Behn, screenwriter Walon Green, and members of the original Brink's gang, Sandy Richardson and Jazz Maffie will be in Boston for a week-long series of public events.

Schedule of Activities

Monday, December 4

12 noon -- Mayor Kevin H. White will formally announce the opening of "Brink's Week" with a reading of a proclamation at City Hall Plaza.

12:15 p.m. — A Brink's Parade consisting of celebrities in open cars, Brink's trucks, vintage automobiles, marching bands, individuals in prison costumes and Brink's uniforms and more will march from City Hall Plaza through the Downtown Crossing Mall to the Theater District. The route of the parade: From City Hall Plaza, down Court Street, right onto Washington Street through the Downtown Crossing Mall, right onto Boylston Street and left onto Tremont Street into the Theater District where the parade will disband under a "Brink's Job" banner.

Tuesday, December 5

Evening — A Hasty Pudding Theatricals evening is planned.

Wednesday, December 6

5:30 p.m. — "The Great Illumination" annual Christmas tree lighting ceremonies on Boston Common. Mayor White and Peter Falk will create the "Great Illumination" accompanied by performances of choral groups and other holiday festivities.

7 p.m. — Celebrities will be attending the Theater Owners of New England Testimonial Dinner for Sack Theaters President A. Alan Friedberg in honor of his election as president of NATO.

Thursday, December 7

Morning — Private screening of "The Brink's Job" and luncheon for the reviewing press with the Brink's personalities. Exact time and location to be announced.

World Premiere of "The Brink's Job", a Benefit to Summerthing

6:15-8 p.m. — Pre-premiere champagne reception with the Brink's personalities a Polcari's garage, North End — site of the famous 1950 robbery.

8:30 p.m. — World Premiere of "The Brink's Job" at the Sack Cheri Complex. A star-studded cavalcade reminiscent of 1940's Hollywood premieres with Brink's trucks, limousines, vintage automobiles and full police escort will roll through the city to the grand red-carpet World Premiere. Master of Ceremonies will introduce local VIPs and celebrities to the crowds gathered outside the theater. Mayor Kevin H. White, Dino De Laurentiis, director William Friedkin, Peter Falk and others will formally welcome guests at each theater before the opening of the film.

11:30 p.m. — Gala post-premiere dinner with the Brink's personalities and special guests at the Copley Plaza, Main Ballroom.

Transportation arrangements have been made to accommodate the public during the evening's events. As parking is difficult in the North End, the public is encouraged to park at the Sack Cheri Complex garage or the Prudential parking garage (open 24 hours) as the following services will be available:

6-7 p.m. — A bus shuttle service from the Sack Cheri Complex (opposite the Sheraton-Boston) will transport guests to Polcari's garage in the North End for the pre-premiere reception. Last bus will depart no later than 7 p.m.

7:15-8:15 p.m. — Buses will depart from Polcari's garage to transport guests to the Sack Cheri Complex for the premiere. Last bus will depart no later than 8:15 p.m.

Additional events being planned for "The Brink's Week" include:

• Film stars will return to the North End to meet old friends.

• Suffolk Downs "Brink's Job" Winner's Cup Presentation

• Bostonians are invited to crack a "pete" (Intersec safe) at the Sack Cheri Complex, Boston, and win free money, "The Brink's Job" movie passes and other Brink's prizes, Nov. 23-Dec. 15.

• To insure safe delivery of "The Brink's Job" prints, Brink's trucks will transport the film from Logan Airport to the Sack Cheri Complex under heavy, armed security.

FIRE DEPARTMENT ORDERS

November 3.

General Order No. 58

I. RETIREMENTS

The following retirements, in accordance with the provisions indicated, will become effective at 0800 hours, December 1, 1978:

Fire Lieut. John J. Moriarty, Engine Company 54, section 5, chapter 32, G.L.

Fire Lieut. Guido S. Fiorenza, Engine Company 29, section 5, chapter 32, G.L.

Fire Lieut. Moriarty was appointed to the department July 15, 1942, and promoted to fire lieutenant February 5, 1947. Fire Lieut. Fiorenza was appointed July 23, 1947, and promoted to fire lieutenant December 18, 1974.

Both of these members leave the department with the best wishes of their associates.

II. TRANSFERS

The following transfers will become effective at 0800 hours, November 8, 1978:

Fire Fighter Lawrence F. Pelosi, from Ladder Company 2, to Ladder Company 13.

Fire Fighter Thomas J. McDonough, from Ladder Company 13, to Ladder Company 25.

Fire Fighter Thomas J. Carey, from Ladder Company 16, to Rescue Company 2.

Fire Fighter Bing Chen, from Ladder Company 17, to Rescue Company 1.

Fire Fighter Michael A. Townes, from Engine Company 25, to Engine Company 52.

Fire Fighter Thomas V. Walsh, Jr., from Engine Company 52, to Ladder Company 29.

III. CHANGE IN DESIGNATION OF FIRE ALARM BOX

The designation of the following box has been changed and company commanders shall make the change on their assignment card:

1623, Harrison Avenue and Hudson Street.

IV. HOUSE JOURNALS

Company Commanders shall submit a Form 5 on or before November 15, 1978, stating the number of house journals which will be required for use at the patrol desks in their respective companies for the year beginning November 15, 1978.

V. RULE 17.23

Distributed with this order is a copy of Rule 17.23 which is to be inserted in each member's rule book between pages 28 and 29.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without public advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT Consultant Services

Dear Mr. Mayor:

As director of the Administrative Services Department I respectfully request your Honor's written permission to dispense with public advertising, and to award a contract to Lee-Grigsby Associates, Inc., a Massachusetts corporation, located at 535 Boylston Street, Boston, Mass. 02116, in an amount not to exceed \$123,000, for the period June 27, 1978, to December 1, 1978.

Under the terms of this contract, Lee-Grigsby Associates, Inc., will provide consulting services to the Mayor of the City of Boston and the Administrative Services Department with regards to facilitating the growth and development of employees of the City of Boston in their performance and effectiveness in dealing with the public. The contractor shall provide services and programs desired to foster employees' growth and development with respect to such issues as

1. The city and its functions as a municipal governmental entity; and 2. The development of skills relating to communication and the improvement of interpersonal relationships.

Lee-Grigsby Associates, Inc., shall perform these services in a professional manner and shall employ and utilize all generally accepted developmental techniques, including but not limited to management development, supervisory development, and human relations.

The services to be provided by Lee-Grigsby Associates, Inc., require professional experience and capacities in the fields of organizational development and interpersonal communications such as it can provide.

I attest to the reasonable cost of these services.

Because of the professional nature of the services to be performed, public advertising would serve no useful or practical purposes.

Respectfully,
Edward T. Sullivan,
Director.

Dear Mayor White:

I respectfully request your written authority to dispense with inviting proposals in the *City Record* and to award a contract to Allan W. Drachman of 115 Mayo Road, Wellesley, Mass., for labor relations consulting services, for the period July 1, 1978, through June 30, 1979.

Mr. Drachman, as a former assistant corporation counsel specializing in labor matters, has the necessary experience and expertise to assist the city in its conduct of labor relations matters and has, since January 1, 1970, provided satisfactory service and is presently serving under a contract which terminates June 30, 1978.

The city will pay Mr. Drachman for all work performed at the rate of \$50 per hour, billed monthly. In no event shall payment hereunder exceed \$5,000.

In view of the professional nature of the services to be performed hereunder, it is my opinion that public advertising for proposals could serve no useful purpose and this contract cost is reasonable.

Respectfully yours,
Edward T. Sullivan,
Director.

Purchasing Division Transmissions, etc.

Dear Mr. Mayor:

Permission is requested to award a contract, without advertising, to Power Products, Inc., 90 Bay State Road, Wakefield, Mass. 01880 for furnishing and delivering two Model HT 740 Detroit Diesel Allison Transmissions, Assembly Part No. 6884514 to the Boston Fire Department, at \$5,480 each, F.O.B. Wakefield, Mass. Total amount of contract is not to exceed \$10,960, net F.O.B. Wakefield, Mass. Power Products, Inc. is a responsible corporation and a distributor for Detroit Diesel Allison.

Bids for the above item were publicly advertised on April 13, 1978, and again on May 31, 1978. No bids were received on either date.

It is my opinion that the price is reasonable and that no useful purpose would be served by another public advertisement. Delivery will be scheduled for mid-August if an order is received by June 15, 1978.

Respectfully yours,
Frank F. Chin,
Purchasing Agent.

BUILDING DEPARTMENT Razing of Buildings

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow:

32-34 Vesta Road, Ward 14.

Emergency bid submitted in bid box June 8, 1978 — one copy to Auditing Department. Box opened by Office of Development and Construction. This building in a very unsafe and dangerous condition due to extreme vandalism, and is a hazard to the general public.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

Napoli Wrecking Co., Inc., \$6,000; James G. Grant Co., Inc., \$6,300; Mystic Wrecking Co., Inc., \$6,379.

Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass., has submitted the lowest aggregate bid. This company is

thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Bids for the individual buildings or structures were not requested because it would be a practical, physical impossibility for several different contractors to conduct efficient contracting operations simultaneously in individual buildings or structures. Under such conditions, there would be much mutual interference and each contractor would be exposed to severe hazards not under his control, by the operations of adjacent contractors. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the total buildings or structures to be demolished, and that handling the buildings or structures as one unit results in one administrative cost to the city rather than what would result from handling the individual buildings or structures as separate bids and contracts. Unit handling results, however, in this case in a contract price of over \$2,000, or over the statutory limitations upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$6,000, to the Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass.

Very truly yours,
Francis W. Gens,
Building Commissioner.

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow:

30 Clarkson Street, Ward 15.

118 Hamilton Street, Ward 15.

Emergency bid submitted in bid box June 8, 1978 — one copy to Auditing Department. Box opened by Office of Development and Construction. These buildings are in an unsafe and dangerous condition, a hazard to the general public. Buildings are fire-gutted and vandalized.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

Napoli Wrecking Co., \$6,000; Mystic Wrecking Company, \$8,400; James G. Grant Company, \$6,900.

Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass., has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all

necessary insurance, and it has done satisfactory work for this department in the past.

Bids for the individual buildings or structures were not requested because it would be a practical, physical impossibility for several different contractors to conduct efficient contracting operations simultaneously in individual buildings or structures. Under such conditions, there would be much mutual interference and each contractor would be exposed to severe hazards not under his control, by the operations of adjacent contractors. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the total buildings or structures to be demolished, and that handling the buildings or structures as one unit results in one administrative cost to the city rather than what would result from handling the individual buildings or structures as separate bids and contracts. Unit handling results, however, in this case in a contract price of over \$2,000, or over the statutory limitations upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$6,000, to the Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass.

Very truly yours,
Francis W. Gens,
Building Commissioner.

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow:

106 Stoughton Street, Ward 13.
108 Stoughton Street, Ward 13.

Emergency Bid submitted in bid box June 1, 1978 — one copy to Auditing Department. Box opened by Office of Development and Construction. These buildings gutted by fire which resulted in buildings being open to elements and trespass. The buildings were vandalized and doors and windows broken and missing. The buildings were in an unsafe and dangerous condition and a hazard to the general public.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

Franklin Crane Service, \$9,560; Napoli Wrecking Co., Inc., \$7,700; Mystic Building Wrecking Co., Inc., \$8,870; James G. Grant Co., Inc., \$13,220.

Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass., has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Bids for the individual buildings or structures were not requested because it would be a practical, physical impossibility for several different contractors to conduct efficient contracting operations simultaneously in individual buildings or structures. Under such conditions, there would be much mutual interference and each contractor would be exposed to severe hazards not under his control, by the operations of adjacent contractors. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the total buildings or structures to be demolished, and that handling the buildings or structures as one unit results in one administrative cost to the city rather than what would result from handling the individual buildings or structures as separate bids and contracts. Unit handling results, however, in this case in a contract price of over \$2,000, or over the statutory limitations upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$7,700, to Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass.

Very truly yours,
Francis W. Gens,
Building Commissioner.

Razing — CDBG

Dear Mr. Mayor:

The following buildings or structures have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow:

405 Frankfort Street and shed, Ward 1.
1 Beech Glen Street, Ward 11.

Emergency bid submitted in bid box May 15, 1978 — one copy to Auditing Department. Box opened by Office of Development and Construction. These buildings are in an unsafe and dangerous condition, a hazard to the general public.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972, as amended, particularly section 124 thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the buildings or structures.

Bidders were requested to submit an aggregate bid for the entire lot of buildings or structures, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

James G. Grant Co., Inc., \$9,600; Mystic Building Wrecking Co., Inc., \$6,800; Napoli Wrecking Co., Inc., \$6,680; Raze Construction Corp., \$8,990.

Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass., has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance, and it has done satisfactory work for this department in the past.

Bids for the individual buildings or structures were not requested because it would be a practical, physical impossibility for several different contractors to conduct efficient contracting operations simultaneously in individual buildings or structures. Under such conditions, there would be much mutual interference and each contractor would be exposed to severe hazards not under his control, by the operations of adjacent contractors. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the total buildings or structures to be demolished, and that handling the buildings or structures as one unit results in one administrative cost to the city rather than what would result from handling the individual buildings or structures as separate bids and contracts. Unit handling results, however, in this case in a contract price of over \$2,000, or over the statutory limitations upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the City Charter, of a contract in the sum of \$6,680, to Napoli Wrecking Co., Inc., 105 Norwell Street, Dorchester, Mass.

Very truly yours,
Francis W. Gens,
Building Commissioner.

Management Information System

Dear Mayor White:

I respectfully request your permission to dispense with advertising in the *City Record*, and to award a contract to Computer Partners, Inc., 31 Washington Street, Wellesley, Mass. The contract will be in an amount not to exceed \$50,000, for the period of July 15, 1978, through November 30, 1978. Provision for this contract will be provided from Community Development Block Grant funds.

The purpose of this contract is to develop detailed design specifications for an automated management information system (MIS) for the Building Department. The system, which was developed by the Building Department in conjunction with the Office of Management and Budget, is intended to increase the productivity and effectiveness of the Building Department by enhancing its capability to monitor permits and violators, schedule the works of inspectors, and coordinate interdivisional activities.

The request now before you rescinds a previous request made by me on December 5, 1977, to award a contract to the firm of Keane Associates for complete MIS delivery. The earlier request was granted, a contract awarded, and work initiated. However, based on the following history, I see fit to request that a new vendor, Computer Partners, be allowed to carry on the system development.

On November 30, 1977, Keane Associates was selected by the city for the design, programming, and implementation of the Building Department MIS at a price not to exceed

(Continued on next page)

CONTRACTS AWARDED WITHOUT ADVERTISING

(Continued from previous page)

\$60,000 — \$50,000 for Keane's base estimate; \$5,000 for Keane's suggested contingency (10 percent); and \$5,000 for forms. Keane based their bid on experience in building a related system for the Housing Inspection Department.

On December 15, 1977, a contract, approved for award and drafted by the city, was submitted to Keane for its review and signature. Keane did not sign, but, with the contract understanding, Keane's project manager started work on the project on December 20, 1977. On January 6, 1978, the city was informed by Keane of a new projected cost of \$80,000, not to include any provisions for contingency funds. Negotiations were conducted between the city and Keane for approximately three weeks. On January 26, 1978, Keane agreed in a letter to the city that, even though they had not completed the general design, they were willing to fix price the contract at an amount not to exceed \$88,070, including contingency. The city drafted and submitted a contract to Keane for the new price. Keane continued to work without signing the new contract, stating that it could not yet specify project milestone dates for payment which were to be entered therein. After one more month of work, on March 3, 1978, Keane informed the city that, based on their draft completion of the general design, the new project cost would be \$115,000. Moreover, they expressed renewed hesitancy to agree to the new estimate as a fixed price. Keane's action prompted the city to explore any legal avenues it might have against the firm, none of which proved to be available. At this point the city canceled negotiations with Keane.

On April 3, 1978, the city issued a new RFP, based on the general design work completed, for detailed design and implementation. Seven data processing firms were contacted. Three replied with a formal proposal, which were evaluated thoroughly for technical and cost elements.

The firm of Computer Partners has been selected for the MIS project. I am initially requesting award to Computer Partners for the next step of the project — detailed design — since funds are encumbered to secure this work. I expect in the next few months to encumber funds promised by the Neighborhood Development Council in order to award Computer Partners a contract to complete the project.

The three bidders and their respective cost for project completion were:

Everygame, Inc., \$110,000; Computer Partners, Inc., \$145,392; Ernst and Ernst, \$155,000.

While the bid of Computer Partners was not the lowest, it offered a technical product that was more consistent with the city's data processing resources than that provided by Everygame, Inc. The Computer Partners' cost was deemed reasonable. In the areas of responsiveness to time requirements, quality of production, and reputation Computer Partners was judged equal or superior to those of the other two bidders. Accordingly, Computer Partners was selected for the development and implementation of the automated MIS.

Therefore, for the reasons cited above, public advertising would not serve any useful or practical purpose.

Sincerely,
Francis W. Gens,
Commissioner.

EEPA

Consulting Services

Dear Mayor White:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Technical Development Corporation (TDC), 11 Beacon Street, Boston, MA. 02108, to provide technical assistance and consulting services to EEPA in conjunction with the operation of The Boston Plan, Project Y.E.S. TDC, a consulting firm of national reputation in the employment and training field, has successfully performed work for EEPA in connection with the application for federal funds. The present contract contemplate the delivery of (1) a complete training package, including a training manual for the Y.E.S. intake workers; (2) design proposals for special opportunity worksites for at least 5 percent of the total Project Y.E.S. enrollment; (3) an assessment of Project Y.E.S. case management procedures and operations, with recommendations for improvement; (4) a training design with follow-up consultation for training Y.E.S. counselors, case managers, and related personnel; and (5) an analysis with recommendations for the most effective use of assessment services by the Y.E.S. staff and contractors.

Funds for the operation of this contract will be provided through a federal government grant to the city under the Youth Employment and Demonstration Projects Act of 1977, P.L. 95-93. The contract will be effective for the period March 1, 1978, through September 30, 1978, at a total cost not to exceed \$24,500.

It is strongly felt that this contract will ensure that the Boston Plan, Project Y.E.S. operates as efficiently as possible and receives maximum consideration in its application for second-year funding from the federal government. The award request is retroactive because it was necessary to engage the contractor for planning purposes before the final notification from the federal government of the details of the Y.E.S. award and the concomitant approval to spend by the City Council.

Because of the prior experience of the contractor, the special nature of the services to be provided, and the reasonable cost thereof; it is my opinion that no useful purpose would be served by publicly advertising for bids in this instance.

Sincerely,
Charles M. Atkins,
Administrator.

Dear Mayor White:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Paul Juraschek, 5 Wellman Street, Brookline, Mass. 02146, for consulting services to the Employment and Economic Policy Administration.

Under the term of the proposed contract, Mr. Juraschek will perform the following duties:

(1) Assist the EEPA staff in reviewing administrative and accounting control procedures for all titles.

(2) Be responsible for reconciling old federal government grants and closing them out.

These services will be utilized to augment the present staff in resolving highly technical accounting problems regarding the city accounting system.

Funds for this contract will be provided from a federal government grant to the City of Boston under the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contractor will be paid \$60 per day for work to be performed from June 1, 1978, through September 30, 1978, at a total cost not to exceed \$4,800.

Because of the willingness of the contractor to work hours on demand, the reasonable cost for services, the contractor's knowledge and background of the intricacies of the city accounting system, and the outstanding prior services rendered to EEPA, it is my opinion that no useful purpose would be served by publicly advertising for bids in this instance.

Sincerely,
Charles M. Atkins,
Administrator.

Dear Mayor White:

I respectfully request your Honor's permission to contract with Paul J. Gerry, C.P.A., P.C. (Professional Corporation), 1162B Blue Hill Avenue, Boston, Mass. 02124, to provide professional accounting and financial consulting services to EEPA in connection with the operation of the city's CETA programs. Under the terms of the contract a reconciliation will be performed between the Auditing Department's books and those maintained by the CETA Accounting Office for Title II and VI expenditures for the periods September 1, 1974, through June 30, 1975 (Year I) and July 1, 1975, through September 30, 1976 (Year II). In addition Mr. Gerry will assist EEPA's Fiscal Office in preparing and documenting the city's response to the U.S. Department of Labor's (DOL) audit for the years in question.

This contract is necessary to comply with requirements regarding the expenditure of federal monies by the city and will be paid for with funds granted under the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contract will be effective for the period May 1, 1978, through July 31, 1978, at a cost not to exceed \$17,000.

Mr. Gerry's firm has satisfactorily performed work of this nature for the city in the past and possesses a sound knowledge of both city and federal fiscal management guidelines and regulations. In view of these qualifications, and because this is a negotiated contract for professional services at a reasonable rate, consistent with federal procurement standards, no public purpose would be served by formal advertising. I therefore request approval to award the contract without bid.

Sincerely,
Charles M. Atkins,
Administrator.

Dear Mayor White:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mr. Gary Lefkowitz, 112

Fourth Street, N.E. Washington, D.C. 20002, for consulting services to the Youth Services Division of EEPA, for a special evaluation of the following four youth programs: (1) ABCD's Youth Development Center; (2) YMCA's Roxbury Tracking Program; (3) Roxbury Action Program's Rent-A Kid; and (4) Boys Clubs of Boston's World of Work Program. This step is being taken in order to maximize the effectiveness of the youth-serving programs operated under EEPA and to ensure continued federal support for those programs demonstrating effectiveness in meeting their objectives. In performing this special evaluation, the contractor will meet with EEPA Youth Services staff to coordinate the review of each project, conduct on-site visits and management interviews at each project, and structure his final report to conform with goals and objectives contained in the EEPA Youth Employment and Training Annual Plan.

Funds for this contract will be provided from a federal government grant to the City of Boston under Title III of the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The dates of operation of this contract will be from May 22, 1978, through July 21, 1978, at a total cost not to exceed \$5,400.

Considering the fact that the contractor has had extensive experience in evaluating CETA-funded projects in other major cities, the limited duration of the instant contract, and the reasonable cost of the services to be provided, it is my opinion that no useful purpose would be served by using a bidding procedure in this instance.

Sincerely,
Charles M. Atkins,
Administrator.

Dear Mayor White:

I respectfully request your Honor's permission to contract with Mr. Michael J. Shea, 9 Winchester Road, Newtonville, Mass. 02160, for consulting services to the EEPA Youth Services Division in connection with the operation of the city's regular Title III, CETA programs and the Youth Entitlement System — the Boston Plan Y.E.S. The contractor will provide technical assistance to the division in methods analysis for updating the Project Y.E.S. budget and in subcontract management.

Mr. Shea has performed meritoriously for the city in the application for federal funds. Owing to his familiarity with these projects, and the management complexities they entail, EEPA wishes to retain his services for a further limited duration. The contract will be effective for the period May 22, 1978, through September 1, 1978, at a total cost not to exceed \$6,525. The contractor will be paid at the rate of \$90 per diem. Funds from the contract will be made available to the city through a federal government grant under Title III of the Comprehensive Employment and Training Act of 1973, P.L. 93-203.

Because of the qualifications of the contractor and because this is a negotiated contract for professional services consistent with federal procurement standards, no public purpose would be served by advertising for sealed bids. I therefore request approval to dispense with public advertising in making the award.

Sincerely,
Charles M. Atkins,
Administrator.

Clean Up Program

Dear Mayor White:

I respectfully request your Honor's permission to contract with the Massachusetts Bay Transportation Authority, 50 High Street, Boston Mass. 02110, for a CETA Public Service Employment (PSE) Clean-Up Program. This project is designed to enhance the quality of transit (thereby increasing rider utilization) and promote the public health and safety by employing thirty City of Boston PSE participants as temporary laborers in a system-wide, clean-up and maintenance effort.

Funds for the operation of this contract will be provided through a federal government grant to the City of Boston under Title VI-B of the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contract will be effective for the period May 22, 1978, through November 20, 1978, at a total cost not to exceed \$162,149.

The project was selected through a competitive evaluation based on the following criteria:

(1) The ability of the project to employ the CETA target population; (2) The ability of the project to provide training to CETA enrollees; (3) The ability of the project to deliver services to CETA-designated, significant segment; (4) The project's value in addressing unmet needs of residents of the City of Boston.

In view of the reasonable cost of the project, the competitive selection process utilized, and because this contract conforms to federal procurement regulations for CETA programs, no public purpose would be served by formal advertising. I therefore request approval to award the contract without bid.

Sincerely,
Charles M. Atkins,
Administrator.

CPR, etc.

Dear Mayor White:

I respectfully request your Honor's permission to contract with the American National Red Cross, Greater Boston Chapter, 99 Brookline Avenue, Boston, Mass. 02215, for the purpose of instituting the Race for Life Project. This contract provides for the employment and training of thirteen City of Boston CETA Public Service Employment (PSE) participants in emergency, first-aid procedures and cardiopulmonary resuscitation (CPR). After this initial training, these individuals will provide instruction to Boston residents in CPR and other emergency, first-aid procedures.

Funds for the operation of this contract will be provided through a federal government grant to the City of Boston under Title VI-B of the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contract will be effective for the period July 10, 1978, through July 9, 1979, at a total cost not to exceed \$163,200.

The project was selected through a competitive evaluation based on the following criteria:

(1) The ability of the project to employ the CETA target population; (2) The ability of the project to provide training to CETA enrollees; (3) The ability of the project to deliver services to a CETA-designated, significant segment; (4) The project's value in addressing unmet needs of residents of the City of Boston.

In view of the reasonable cost of the project, the competitive selection process utilized, and

because this contract conforms to federal procurement regulations for CETA programs, no public purpose would be served by formal advertising. I therefore request approval to award the contract without bid.

Sincerely,
Charles M. Atkins,
Administrator.

Printing Trades Project

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with inviting proposals by public advertising and award a contract to Transitional Employment Enterprises for the purpose of implementing the Printer's, Etc. Project. The contract provides for the employment and training of twenty-two City of Boston CETA Public Services Employment (PSE) participants in a variety of skills associated with the printing trade.

Funds for this contract will be provided through a federal government grant to the City of Boston under Title VI-B of the Comprehensive Employment and Training Act of 1973, (P.L. 93-203). The dates of operation will be from June 5, 1978, through June 4, 1979, at a total cost not to exceed \$261,617.

The contractor was selected through a competitive evaluation based on the following:

(1) The ability of the project to employ the CETA target population; (2) The ability of the project to provide training to CETA enrollees; (3) The ability of the project agency to offer unsubsidized employment to CETA enrollees upon completion of the project; (4) The project's value in addressing the unmet needs of the residents of Boston; (5) The ability of the agency to supervise the project.

In view of the contractor's ability to satisfy the aforementioned criteria, the extensive review in selecting the project, and reasonable cost involved it is my opinion that no useful purpose would be served by publicly advertising for bids.

Sincerely,
Charles M. Atkins,
Administrator.

Program Evaluation

Dear Mr. Mayor:

I respectfully request your Honor's permission to contract with Mr. Shalom Saul Saar, 303A Holden Green, Cambridge, Mass. 02138, for professional services to EEPA in connection with an evaluation of the FY 78 Summer Program for Economically Disadvantaged Youth (SPEDY). This activity is being undertaken to comply with the requirements for monitoring the expenditure of federal funds by the city and will be paid for from a grant to the city under the Comprehensive Employment and Training Act of 1973, P.L. 93-203.

The contractor is eminently qualified to aid EEPA in this important task, having been professionally associated with the Center for Social and Evaluation Research at the University of Massachusetts (Boston) and the Graduate School of Education at Harvard University. The contractor will be paid at a rate of \$96.92 per diem for work performed during the period May 23, 1978, through November 18, 1978, at a total cost not to exceed \$12,100. The cost is a reasonable expenditure in view of the task to be performed.

Because this is a negotiated contract for professional services consistent with federal

(Continued on next page)

CONTRACTS AWARDED WITHOUT ADVERTISING

(Continued from previous page)

procurement standards and because no public purpose would be served by soliciting bids, I request approval to dispense with public advertising in making the award.

Sincerely,

Charles M. Atkins,
Administrator.

Pass Program

I respectfully request your Honor's permission to contract with the Massachusetts Bay Transportation Authority, 50 High Street, Boston, Mass. 02110, to provide approximately 150 monthly passes to the Boston Plan, Project Y.E.S. counselors as a part of its pass program. Because the duties of a Y.E.S. counselor include a substantial amount of travel on public transportation to worksites in many areas of the city for evaluations, meetings with enrollees and employees and employers, and payroll, a pass program is necessary.

Funds for the operation of this contract will be provided through a federal government grant to the City of Boston under Title III of the Comprehensive Employment and Training Act of 1973, P.L. 93-203. The contract will be effective for the period April 1, 1978, through September 30, 1978, at a total cost not to exceed \$16,000.

Since this contract is awarded as a sole source and exempt from federal procurement regulations regarding competition, and because this service will be provided at a reasonable cost, no public purpose would be served by advertising for bids, I therefore request approval to dispense with formal advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, S. 7.

Sincerely,

Charles M. Atkins,
Administrator.

HEALTH AND HOSPITALS DEPARTMENT

Paging Devices Repair, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby respectfully request your Honor's permission to award, without advertising, a contract to Motorola, Inc., 15 Bradston Street, Boston, Mass., 02118, for the period July 1, 1977, through June 30, 1978, at a cost not to exceed \$6,000.

Under this contract, Motorola will repair and provide parts for tone and voice paging devices used throughout the Department of Health and Hospitals and for walkie-talkies used by security at the department. This contract is for older equipment not covered under maintenance contract.

Inasmuch as Motorola is the manufacturer of this equipment, has ready access to needed parts, and provides prompt services, and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

David L. Rosenbloom,
Commissioner.

Medical Equipment Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby respectfully request your Honor's permission to award, without advertising, a contract to Air-Shields, Inc., 330 Jacksonville Road, Hatboro, Pennsylvania 19040, for the period July 1, 1977, through June 30, 1978, at a cost not to exceed \$5,000.

Under this contract, Air-Shields will provide repair services to Air-Shields equipment located at Boston City Hospital. Said equipment includes, but is not limited to, infant, heart-rate monitors and transport incubators. The equipment covered under this contract is essential for delivery of patient care in the critical care units and some is used in the operating rooms. The need for rapid repair and return to service is vital.

Inasmuch as the equipment is of a unique nature; as Air-Shields is the manufacturer; has immediate access to all necessary spare parts; has maintained a high level of workmanship; and has rendered reliable repairs; and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

David L. Rosenbloom,
Commissioner.

Dietary Services

Dear Sir:

This letter is to request your Honor's approval for the Department of Health and Hospitals to renew the city's contract with Hospital Dietary Service, Inc., by electing to exercise the city's option, for professional management of the Dietary Department at Boston City Hospital. The contract with Hospital Dietary Service, Inc., of 31313 Northwestern Highway, Farmington Hills, Michigan, will be for a sum not to exceed \$1,130,000, for the period of July 1, 1978, through June 30, 1979.

Under this contract, Hospital Dietary Service, Inc. shall furnish all equipment, materials, supplies, and management personnel necessary for and incidental to providing for the professional management of the Dietary Department consistent with or superior to standards set by the Joint Commission for the Accreditation of Hospitals.

The contract price includes the cost of food, which in fact, represents the major portion of the amount of this contract. In previous years, food was purchased directly by the city. Having the contractor responsible for the purchase of food enables closer management control in terms of inventory, utilization, cost, and quality.

The amount allocated for food in this contract is greater than last year's appropriation and is attributable to several factors. The first is the implementation of a selective menu, a major improvement in patient services. Second, numerous improvements have resulted in higher volumes of cafeteria sales. Additionally, a portion of the increase is attributable to the opening of new food services in the Ambulatory Care Center. The increase in sales will yield increased revenue to the city which will, in effect, reduce the total real cost to the city for food below last year's cost.

The contract price also includes the cost of supplies, both general as well as the hot-tray,

serving systems, previously acquired directly by the city through other contractual arrangements. These acquisitions are now the direct responsibility of the contractor rather than the city. This enables closer management scrutiny of resources and also enhances adaptability of improvements in methods and procedures of operations in the Dietary Department.

Experiences this past year with unexpected severe weather conditions have indicated the need for a contingency reserve to assure uninterrupted acquisition of food supplies. The reserve will be for unforeseen costs related to food services due to events that cannot be anticipated, including, but not limited to, natural disasters or unpredictable increases in patient days. Therefore, the contract sum includes a reserve of \$50,000, which cannot be released without the approval of the official.

The performance of the Hospital Dietary Service, Inc., since January, 1978, has been excellent, with improvements in all aspects of the patient food service, kitchen and cafeteria services.

Therefore, in view of the above improvements and successful performance by the vendor, and because the price, in my opinion, is reasonable, I, David L. Rosenbloom, pursuant to the authority delegated to me by the Board of Health and Hospitals, hereby respectfully request your Honor's permission to award this contract, by exercising the city's option to Hospital Dietary Service, Inc., for the period July 1, 1978, through June 30, 1979, at a cost not to exceed \$1,130,000.

Very truly yours,

David L. Rosenbloom,
Commissioner.

HOUSING INSPECTION DEPARTMENT Leasing Certain Premises

Dear Mayor White:

I hereby respectfully request permission to dispense with public advertising in the *City Record*, for leasing of an estimated 500 square feet of space in the building located at 148 Maverick Street, East Boston, and to enter into a lease with Grazia Previte, 120 Bellingham Avenue, Revere, for this space. The premises are needed by this department as a local office in connection with the Housing Improvement Program, a federally subsidized program. Your approval will permit the Housing Inspection Department to exercise the renewal option clause.

The proposed lease is for a term of one year — July 1, 1978, to June 30, 1979 — with options on the part of the city to extend the term for an additional year. The proposed rental fee is \$290 dollars per month. This is a reasonable cost.

It is my opinion that nothing is to be gained by public advertising as this location is suitable for conducting program activities.

Very truly yours,

John A. Vitagliano,
Commissioner.

Dear Mayor White:

I respectfully request permission to dispense with public advertising in the *City Record*, for the leasing of an estimated 1,100 square feet of space in the building located at 4395 Washington Street, Roslindale, and to enter into a lease with Josef Porteleki, Jr. 102 Walnut Street, Canton, Mass. for this space. The

premises are needed by this department as a local office in connection with the Housing Improvement Program, a federally subsidized program. Your approval will permit the Housing Inspection Department to exercise the renewal clause.

The proposed lease is for a term of one year — July 1, 1978, to June 30, 1979 — with options on the part of the city to extend the term for an additional year. The proposed rental fee is \$385 per month. This is a reasonable cost.

It is my opinion that nothing is to be gained by public advertising as this location is suitable for conducting program activities.

Very truly yours,

John A. Vitagliano,
Commissioner.

LAW DEPARTMENT **Accounting Services**

Dear Mr. Mayor:

I respectfully request your Honor's written permission to dispense with inviting proposals by public advertisement in the *City Record*, and to award a contract to Alexander Grant & Company, certified public accountants, 99 High Street, Boston, Mass. Under the term of this contract, Alexander Grant & Company will provide the Law Department with advisory and expert accounting services in connection with a suit against Transportation Management Corporation entitled *Sullivan, et al. v. Zimmerman et al.*

Alexander Grant & Company is the ninth-largest CPA firm in the United States, with offices located in approximately sixty cities throughout this country, and is international in scope through an affiliated accounting firm. Their specialized services are used by many prominent businesses for independent and certified audits, tax advisory services, and consultation on business problems.

Compensation under this contract shall not exceed \$16,500 which I have determined to be reasonable cost for the services to be provided. All work performed under the terms of this contract shall be completed on or before June 30, 1978.

Because of the professional and confidential nature of the services, it is my opinion that advertising would serve no useful public purpose.

Very truly yours,
Herbert P. Gleason,
Corporation Counsel

Legal Services

Dear Mr. Mayor:

I request your permission to award a contract for legal services to Terry F. Lenzner Esquire, a partner in the firm of Wald, Harkrader & Ross, 1320 Nineteenth Street, N.W., and to dispense with public advertising for bids in awarding the contract. The term of the contract would extend from June 12, 1978, to June 30, 1979, and the cost would not exceed \$25,000. Mr. Lenzner's charges are comparable to other Washington law firms offering similar services.

The services are to be provided in connection with the case entitled *N.A.A.C.P. et al. v. Patricia Harris, et al.*, brought in the United States District Court in Boston to prohibit the U.S. Department of Housing and Urban Development from granting funds to the City of Boston. Mr. Lenzner has extensive ex-

perience in complex federal litigation and in dealing with federal agencies in Washington. He is therefore well-qualified to represent the very substantial interests of the city in this matter, and I believe that public advertising would be inappropriate.

Yours very truly,

Herbert P. Gleason,
Corporation Counsel,

LIBRARY DEPARTMENT **Air conditioning, etc.**

Dear Mr. Mayor:

On August 15, 1977, there was entered into with New England Systems & Supply, Inc., 1542 Columbus Avenue, Roxbury, Mass., a contract for operation and servicing of water systems associated with air conditioning and heating systems at various locations, during the period July 1, 1977, Through June 30, 1978.

Your Honor has given approval for the award of this contract following a public advertisement and public opening of bids. Bids were invited and submitted for the above-mentioned work during the period July 1, 1977, through June 30, 1978, with option for renewal as of July 1, 1978, and as of July 1, 1979 at bid price. The option was to be that of the official.

During the period from July 1, 1977, to date New England Systems & Supply, Inc. has performed to the satisfaction of the Library. Acquaintance with the Library's plant equipment should be a desirable asset if the firm is allowed to continue the contract work for another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the Official, has taken the following action:

Voted, That, without public advertising, there be entered into with New England Systems & Supply, Inc., 1542 Columbus Avenue, Roxbury, Mass., a contract for the operation and servicing of water systems associated with air conditioning and heating systems at various locations throughout the Library system, during the period July 1, 1978, through June 30, 1979, at a total cost not to exceed \$1,920.

Although the bidder's price is under \$2,000 it is considered desirable to have a contract executed because of the nature of the work and because all bids were originally submitted with an option for renewal over a three-year period at original bid price.

Therefore, the permission of your Honor is respectfully requested to enter into a contract with New England Systems & Supply, Inc. for the above-mentioned work at the original price, not to exceed 1,920, without publicly readvertising for bids.

Respectfully,

The Board of Trustees in Charge of the
Library Department of the City of Boston
Philip J. McNiff,
Director.

BUILDING

Compensation Adjustments

Adeline Rapaciale, senior clerk and typist, from \$166.10 to \$172.05 a week.

William R. Traft, principal clerk, from \$192.10 to \$200.70 a week.

FIRE

Compensation Adjustments

Leonard DeModena, fire apparatus repairman, from \$223.10 to \$238.50 a week.

TREASURY

Compensation Adjustments

Joanne DiBerto, head clerk, from \$233.80 to \$251.10 a week.

Joseph Frissora, head clerk, from \$186.35 to \$200.70 a week.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY.

REGISTRY OF DEEDS

Mr. John E. Murphy, Jr.
Supervisor of Personnel.

Re: William J. Tierney

Dear Mr. Murphy:

On November 1, 1978, the above referred individual is to be appointed Executive Assistant to the Register of Deeds, R18-1 at \$336.20 per week. Prior to this appointment, he served as Assistant Clerk of the Municipal Court of the City of Boston. Because of his prior administrative experience and excellent qualifications for the position it is requested that his one, two, three, four, five and six year increments be determined under Rule 15F of the Compensation Plan for Suffolk County employees, effective November 1, 1978.

Very truly yours,

Paul R. Tierney,
Register of Deeds.

ADVERTISEMENT CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

PUBLIC NOTICE

At the Public Facilities Commission meeting on October 4, 1978, the commission voted and the Mayor subsequently approved their intent to sell to Kevin A. and Barbara D. Dever approximately 1,730 square feet of land in the Charlestown section of the City of Boston.

Written details of this proposed conveyance may be examined at the office of the Public Facilities Department, City Hall, Boston, Mass. 02201, on any regular working day between the hours of 9 a.m. and 5 p.m.

CITY OF BOSTON,

MARK A. BREEN,

For DONALD B. MANSON.

Director of Public Facilities.

CITY OF BOSTON**

BUILDING DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Proposals for Demolition and
Site Clearance, Project No. 75, Commu-
nity Development Block Grant.**

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

84 F Street, Ward 6.
86 F Street, Ward 6.
17 Middle Street, Ward 7.
9-11 Edson Street, Ward 17.
122 Whitfield Street, Ward 17.
124 Whitfield Street, Ward 17.
561 Truman Parkway, Ward 18.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, December 7, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), Chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a twenty-one-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

**NOTICE OF REQUIREMENT FOR
AFFIRMATIVE ACTION TO ENSURE
EQUAL EMPLOYMENT OPPORTUNITY
(EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be

a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of tables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST-1-ST-7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for

award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

CITY OF BOSTON,
By FRANCIS W. GENS,
Building Commissioner.

**ECONOMIC DEVELOPMENT AND
INDUSTRIAL CORPORATION**

**Invitation for Bids for Electrical Distribution,
Boston Marine Industrial Park.**

The Economic Development and Industrial Corporation of Boston has designated the Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

Time and Place for Filing Bids

General bid will be received up until twelve o'clock noon, Boston time, Thursday, December 14, 1978, at the office of the Public Facilities Department, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids.....\$9,100
Site Visit

All bidders are required to visit job site, Monday, December 11, 1978, at 9 a.m. This meeting will be held in the Conference Room of Building 15, Boston Marine Industrial Park.

Copies of the contract documents, including bid forms, will be available on and after Monday, November 27, 1978, at the office of the Public Facilities Department upon depositing \$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit, in the form of a bid bond, cash or a certified check made payable to and to become the property of the Economic Development and Industrial Corporation of Boston if the proposal after acceptance is not carried out. The bid bond, if used, shall be with a surety company satisfactory to the owner and qualified to do business in the Commonwealth.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 100 percent of the total contract cost will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications.

Attention is directed to the instructions to bidders, information for bidders, and the prohibition of abnormally high or low price for any item of work.

The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

By GEORGE C. SEYBOLT,
Chairman.

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Repairs to Storm
Damage, Electrical Distribution System,
Boston Marine Industrial Park.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, in accordance with G.L., Chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, December 12, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall

Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$825. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, November 27, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

CITY OF BOSTON,
PUBLIC FACILITIES COMMISSION,
DONALD B. MANSON,
Director of Public Facilities.

**ADVERTISEMENT
MASSACHUSETTS BAY TRANSPORTATION
AUTHORITY**

**50 High Street,
Boston, Mass. 02110**

NOTICE TO CONTRACTORS

Sealed bids for MBTA Contract No. 074-107 (Project Value \$38.0) will be received by the Authority's Director of Construction at the Contract Administration Office, fifth floor, 50 High Street, Boston, Mass. 02110, until two o'clock (2 p.m.) on December 19, 1978. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The above-numbered contract is more fully described as follows: (Class 7 — Buildings) Steam Generator Plant Installation, South Boston Power Station, Boston, Mass.

This work consists of a general contract for civil works, a new building, mechanical and electrical installation work, equipment testing, etc., all as required to construct and place in service a new steam plant with 3 X 150,000 pound per hour boilers.

This contract is subject to a financial assistance contract between the MBTA and the U.M.T.A. of the United States Department of Transportation.

Technical prequalification of bidders. Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Due to the special nature of the equipment and work involved, prospective bidders, in addition to the above specified prequalification procedure, must submit proof to the satisfaction of the Authority that they can meet the technical prequalification requirements outlined in Division II, Special Provisions of the contract documents.

Prequalification bidders may obtain from the Contract Administration Office a "Request for Proposal Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$25. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available from the Contract Administration Office at a separate charge of \$5 per copy. Neither charge is refundable.

BIDDING DOCUMENTS WILL BE AVAILABLE ON Monday, November 27, 1978.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of five dollars (\$5), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the party so requesting.

Authorization for the bidders to view the site of the work on Massachusetts Bay Transportation Authority's property shall be obtained at the office of the Power Engineer - Project Manager, Charlestown, Massachusetts, from Mr. Edward J. Rowe (Telephone 617-722-5426).

A Prebid Conference will be held on December 7, 1978 at 10 A.M. in MBTA Board Room at 50 High Street, Boston, Mass. It is essential that prospective Bidders have a representative attend. Any request for interpretation of the bidding documents should be submitted in writing at that time.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any contract entered into pursuant to this advertisement, (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

1. The Offeror's or Bidder's attention is called to the "Equal Employment Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows: (See Appendix 1 to Standard Federal Equal Employment Opportunity Specifications).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract, resulting from this solicitation, is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of

meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor, employer identification number, estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is City of Boston, Suffolk County, Massachusetts.

All bidders will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

The provisions of Massachusetts Executive Order No. 130, Anti-Boycott Covenants, are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of \$190,000, in the form of a bid bond, or cash, certified check, treasurer's or cashier's check issued by a responsible bank or trust company payable to the order of the MBTA. A bid bond shall be from a surety company authorized to do business under the laws of the Commonwealth and satisfactory to the Authority.

The successful bidder shall be required to furnish a performance bond and a labor and material payment bond each for the full amount of the contract price. The surety shall be a surety company, or the bonds shall be in the form of securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, December 19, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids\$9,000

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, November 27, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utiliza-

tion Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of Intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

Invitation for General Bids for Refinishing
Gymnasium Floors and Auditorium Stage
at South Boston High School, 95 G Street,
South Boston, Mass.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for refinishing gymnasium floors and auditorium stage at South Boston High School, 95 G Street, South Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Monday, December 11, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed,

enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$500. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsive and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, as a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

ANTHONY L. GALEOTA,
Chief Structural Engineer.

LIVING IN BOSTON

Part VII

Mission Hill — View of the Skyline

Many who don't know it by name know Mission Hill by sight. A steep spine of rock that looks northeast to the downtown and west to Brookline, Mission Hill is marked by the imposing spires of Mission Church, more formally named the Basilica of Our Lady of Perpetual Help. The base of the hill was once home to a German colony, but in the later part of the nineteenth century a growing Irish population and the magnificent church they built characterized the neighborhood. Today, the district's diverse population of 21,000 includes both long-time residents and young newcomers, among them a number of Afro-American, Chinese and Hispanic families.

After the turn of the century, medical institutions began to add a new dimension. They continue to be a formidable presence today, Harvard Medical School, the Peter Bent Brigham and Robert Breck Brigham Hospitals, Children's Hospital Medical Center, the Boston Hospital for Women, and the New England Baptist, Beth Israel, and New England Deaconess Hospitals make the area among the greatest concentrations of medical excellence in the world.

A good deal of Mission Hill's housing stock consists of triple-deckers, some of them with superb views of the downtown skyline. They are generally priced between \$15,000 and \$25,000. Wood-frame houses dating from the Civil War era are scattered through the district and may cost in the 20's if some renovation has been done. In "as is" condition, prices can be considerably lower. An unusual stock of brick rowhouses is found at the base of the hill. Some are single-family homes, some have rental units. They are priced in the \$20,000 to \$30,000 range. Rent for a two-bedroom apartment might be \$200 to \$250.

Mission Hill is not far from downtown by trolley or car. Brigham Circle at the base of the hill is an interchange for buses to Brookline, Allston-Brighton and Roxbury, is served by the MBTA Green Line, and includes the local shopping district. Also at the bottom of the hill is the Fens parkland with its gardens and the Muddy River. The Museum of Fine Arts, the Isabella Stewart Gardner Museum and Symphony Hall are all within walking distance.

Roslindale — Garden Suburb

Roslindale is a community of 33,000 with a generally low-density character. The district is fortunate in having some of the city's highest hills and major green spaces as part of its landscape. The Arnold Arboretum, a pleasure to visit in any season, forms Roslindale's northern edge. The 18-hole George Wright Municipal Golf Course and the Stony Brook Reservation are to the south. And the hills provide residents with spectacular views of the downtown skyline and other distant points.

A classic streetcar suburb — real estate brokers in the late nineteenth century called it a "garden suburb" — Roslindale is a district where the great majority of homes are owner-occupied singles or two-families. They range from late-Victorian to pre-World War II construction with a few newer houses sprinkled throughout. A large garden apartment complex built in the 1960s adds to the supply of rental units, as do groups of triple-deckers found in some neighborhoods, primarily along main streets.

For an idea of prices, a cape-style bungalow might be available for between \$25,000 and \$35,000. More generous single-family homes, perhaps with a view of downtown, range in the 30's, with similar two-families running slightly higher. Substantial Victorians are priced in the 40's. Two-bedroom apartments rent for around \$250.

Roslindale is accessible to downtown via frequent commuter trains and buses connecting to the MBTA Orange Line. Major arterial streets provide auto routes to the south and west as well as intown. Roslindale Square is the focus of local shopping, and several suburban-style malls are nearby.

Roslindale enjoys considerable ethnic diversity, as Irish immigrants, Italians, other Europeans and also Eastern Mediterranean and Arabic nationalities have found homes there. Recently, many Greek families have moved to Roslindale and opened small businesses in the community, adding to the varied population.

Roxbury — 350 Years of History

Historically and culturally, Roxbury is among Boston's most interesting districts. Settled as a separate town in 1630, Roxbury flourished as an area of farms and country estates until it was annexed to Boston in 1868. Then, with the establishment of trolley service intown, the community developed rapidly as a streetcar suburb. It still retains a number of historic eighteenth-century structures as reminders of its past. The MBTA Orange Line and connecting buses — successors to the trolley — still provide quick access to the downtown.

Roxbury also borders on 500-acre Franklin Park, the city's largest

(Continued on next page)

Boston . . .

(Continued from front page)

open space, with its zoo, golf course and extensive natural areas. The park was created by Frederick Law Olmsted in the late nineteenth century as part of Boston's "Emerald Necklace" of green space.

Like much of Boston, Roxbury has been home to succeeding populations over the years. Today, with 42,000 residents, it is the heart of the Black community and the home of the National Center of Afro-American Artists, Roxbury Community College and other institutions serving the city's Black residents. In addition to Black families with local roots going back generations and households who have come from the South over the last 25 years, more recently arrived Cape Verdeans, West Indians and Hispanics add to the district's diversity, as does a small, long-established Italian community.

Most of Roxbury's housing stock was built before 1920, with many wood-frame houses from the late-Victorian period and some dating back to the Civil War. Clusters of brick rowhouses appear in some neighborhoods, as well as a number of well-built brick two-families and triple-deckers.

Although soundly built and still in good condition for the most part, some of the housing has experienced deterioration. This offers homebuyers both a challenge and an opportunity to create a personalized place to live. Depending very much on condition, a brick rowhouse might cost \$10,000 to \$35,000, while a Civil War-era frame dwelling might be priced in the mid-teens or up. A Victorian house might run between \$20,000 and \$40,000, with similar prices for two- or three-family homes. Two-bedroom apartments rent for around \$200.

South Boston — Beaches and the Bay

South Boston's most striking feature is the long stretch of beaches and the boating facilities that run the length of its southern edge and look out onto Dorchester Bay and the Harbor Islands. In few other places does one sense as strongly Boston's link with the sea.

The Puritan settlers of Dorchester used the original small South Boston peninsula as a cow pasture, and the land remained open and undeveloped for nearly 200 years. Great changes began after 1804, when South Boston was annexed to Boston and soon became a fashionable residential district with large new homes built by wealthy residents. Further development later in the century attracted middle- and working-class residents, many of whom were employed by the industries that had been established on South Boston's northern waterfront.

Much of South Boston's housing consists of two- and three-story wooden houses placed close together. They date from the period of rapid growth eighty or ninety years ago and tend to be priced in the teens or low 20's. Brick rowhouses are also numerous and may cost \$30,000 to \$35,000. A few larger homes built over a century ago still remain; when available, they can run to \$60,000 or more. Near the beaches are many well-built two- and three-family structures, which are commonly priced in the 40's and 50's. A pleasant two-bedroom apartment will rent for around \$200.

While in the later nineteenth century most of the immigrants who settled in South Boston were Irish, it has been for some time a diverse community, with Italians, Lithuanians, Poles, French Canadians

and other nationalities generously represented among its 38,000 residents.

South Boston is well served by two stops on the MBTA Red Line and several local bus routes. The two-mile trip to downtown is quick and easy on a bicycle.

South Boston's image has been negatively affected in the past few years as opposition to court-mandated school busing has made headlines. Although there were some difficult times, and feelings still run strong on occasion, "Southie" has much that makes it a very desirable place to live.

South End — The Ultimate Urban Neighborhood

Developed as a speculative real estate venture in the mid-nineteenth century, the South End enjoyed a brief luster as a fashionable residential district. However, its social status soon wavered and then collapsed, and its brick bow-front mansions became rooming houses. Nearly a century passed before the convenient location and architectural quality of the South End caught the attention of large numbers of urban homeowners once again.

The South End today, with a population of 25,000, is multi-racial, multi-ethnic and socially mixed. Many South Enders feel that this diversity provides a rich environment for everyone, as Syrian, Lebanese, Greek, Chinese, Hispanic, and Afro-American residents all live in close proximity.

The South End is the ultimate "urban" neighborhood. It has the roar of the elevated and quiet streets of rowhouses and small parks. It has vacant lots next to \$80,000 renovated townhouses. It is a short walk to the Back Bay or to the Fens parkland, or a quick subway or bus ride downtown. As residents say, "In the South End you are close to everything."

As a rough guide, a carefully restored brick townhouse in the South End will probably cost \$60,000 to \$90,000 or even more. Such a building will often have one or more rental units, which can help in paying carrying costs. For a homebuyer willing to do some reno-

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

vation, an "as is" rooming house can sometimes be found in the teens, but more commonly costs \$20,000 and up. Finally, for those willing to carry out extensive rehabilitation, a vacant brick shell will generally cost \$10,000 to \$35,000. As a rule of thumb, minimum rehabilitation costs in such cases run around \$15,000 to \$20,000 per floor. Rent for a nice two-bedroom apartment will be about \$400 to \$500.

West Roxbury — Family Setting

West Roxbury is the most suburban of Boston's districts. Located in the southwest corner of the city, this community of 35,000 has grown very slowly over the centuries and has maintained its spacious, low-density character.

There was little residential development in West Roxbury until the latter half of the nineteenth century, when extension of the railroad and then the streetcar lines brought the community within the reach of commuters. Even then housing construction was somewhat limited, and the bulk of West Roxbury's homes were not built until this century. Nearly three-quarters of the houses date from 1920 or later.

Houses are primarily singles and two-family dwellings, with concentrations of rental apartment complexes on main thoroughfares. Prices generally range from around \$30,000 to over \$70,000, with \$30,000 buying a small cape-style bungalow, for example, and most singles generally costing in the 40's and 50's. An imposing center-entrance brick colonial or a Tudor-style home on a large lot might cost from the mid-50's up into the \$80,000 range. A two-bedroom apartment will rent for around \$300.

For an automobile commuter, West Roxbury is as convenient to southern and western suburban locations as it is to downtown. Although primarily a car-oriented district, the community is linked by MBTA buses with the MBTA Orange Line and commuter trains.

Despite its quiet atmosphere, West Roxbury is rich in historical associations. Roxbury Latin School, the oldest private grammar school in the nation, is located here, as is

the site of Brook Farm, a nineteenth-century experimental community.

Natural areas add to the district's suburban character. The Charles River winds along the boundary between West Roxbury and the Town of Dedham, and its tributary, the Sawmill Brook, flows through a large freshwater marsh and wildlife habitat. The Stony Brook Reservation provides green space to the east, and the landscaped parkways that traverse the district are pleasant in their own right.

Ed. notes: This series was prepared by the Office of Program Development with assistance from the Boston Redevelopment Authority. The project was supported in part by a grant from the U.S. Department of Housing and Urban Development Innovative Projects Program, under Title I of the Housing and Community Development Act of 1974. Additional support was provided by the Suffolk Franklin Savings Bank.

City of Boston, Kevin H. White, Mayor.

(End of Series)

EXTRA "T" SERVICE FOR CHRISTMAS SHOPPERS

With downtown Boston retail stores open for shopping on the three Sundays prior to Christmas, the MBTA will provide extra service into the city on the Sundays before Christmas: December 10, 17 and 24.

Extra rapid transit trains will be operated on the Orange Line from Forest Hills and Oak Grove beginning at 11:00 a.m. Extra trains will be operated on the Red Line from Quincy Center and Ashmont Stations beginning at noon.

Extra streetcar service will be operated through the Green Line subway system beginning at 11:30 a.m., and extra supervisory personnel will monitor all other MBTA lines, including bus routes, to determine if the riding is heavy enough to justify added service.

CREDIT UNION ELECTION RESULTS

Election held November 21, 1978, at Boston City Hall, 2,520 members voted.

1. Thomas Newcomb.....	1,285
2. Gene DiBenedetto.....	1,172
3. Albert Sullivan.....	1,042
4. Paul Fitzgerald.....	986
5. James Johnson.....	953
6. Paul Francis.....	866
7. Paul Leary.....	809

8. John Ridlon.....	791
9. Charles Costello.....	789
10. Maureen Hart.....	756
11. Robert Walsh.....	482
12. Frederick McAnulty.....	432
13. Thomas Kelly, Jr.....	417
14. Francis Bradley.....	415
15. Thomas Kelly.....	406
16. Harold Watts.....	400

IMMUNIZATION NECESSARY FOR HUB'S PUBLIC SCHOOL STUDENTS

All students in the Boston Public Schools who have not been successfully immunized against diphtheria, pertussis, tetanus, measles, and poliomyelitis as specified by the Department of Public Health will be excluded from school on December 5, 1978.

A student shall be readmitted upon certification by a physician.

No child whose parent or guardian states in writing that vaccination or immunization conflict with his religious beliefs shall be required to be immunized.

If there are in this group of students, those whom their parents believe have been immunized, the parents should present immunization records (clinic records, baby books, etc.) to the nurse or school doctor in their child's school.

Free immunizations are available from the local Board of Health and arrangements can be made by contacting the local board directly.

Parents are urged to have their children immunized to avoid exclusion on December 5, 1978.

MAYOR EXTENDS SYMPATHY TO MOSCONE FAMILY

Mayor White calls killing of Mayor Moscone "A tragedy which touches all of us in public life."

Mayor Kevin H. White characterized the shooting of San Francisco Mayor George R. Moscone as a "heinous tragedy which deeply touches all of us in public life."

Said Mayor White, "George Moscone displayed throughout his public life the courage and leadership which made him one of the most popular public officials in California."

Mayor Moscone served in the California State Senate prior to his election as mayor in 1975. He succeeded Joseph Alioto.

Mayor White added, "I had known George for the past three years, and I always found him responsive to the needs of all cities, and unselfish in his efforts to make San Francisco a better place to live. In fact, the last time I saw him, we were in Washington fighting for the counter-cyclical funding program for America's urban areas. He was an invaluable ally. Every one of us will miss him as a valued friend."

Mayor White, in extending his sympathy to Mayor Moscone's wife, Eugenia, and their four children, said, "The forum of public service is often a difficult one, and in recent years, it has become a dangerous one. I sincerely hope that violence does not once again raise its head in American political debate."

AUTO INSURANCE DISCOUNT FOR "T" USERS

Public transit users who buy a monthly pass will get a discount on their 1979 auto insurance rates, Massachusetts Insurance Commissioner James M. Stone has announced.

Stone said that the proposal by the Massachusetts Bay Transportation Authority (MBTA) "is one of the most intriguing and imaginative suggestions at any recent insurance hearing."

MBTA Chairman Robert R. Kiley said, "We are delighted. For years, public transit users who leave their cars at home and who do not drive to work have been unwittingly subsidizing automobile drivers who do drive to work. Commissioner Stone's decision remedies that inequity.

"Our information indicates that each MBTA passholder represents 3,500 miles not driven to work each year. Those miles not driven mean that much less exposure to accident, less traffic congestion, less gasoline and energy used, and less pollution in our atmosphere — two pounds of pollutants per driver per day," Kiley said.

"This is significant nationwide as an incentive to public transportation," said Kiley.

Stone ruled that public transit users anywhere in the state who present stubs for monthly transit passes at least for eleven months in 1979 would be eligible for a 10 percent discount on collision insurance and property damage insurance. He estimated the average discount would be \$18, with a maximum of \$50 in high-rated areas of Boston.

Ernest S. Deeb, manager of the MBTA Pass Program, said: "We expect many people will become committed transit users because of this proposal. It is the most significant discount that we have offered to date." It will be available for commuter rail riders and MBTA riders, he said.

Deeb said the MBTA Pass Program now has over 32,000 passholders who sign up monthly with their employers, who deduct the cost from the employees' paycheck. The program, begun in 1974, is the largest in the nation and led the way in involving the business community with public transit.

Another 6,000 commuter rail riders have a pass on the back of their monthly ticket.

The Pass Program revenue is up \$1.2 million (50 percent) so far this year, compared to last year at this time. The program has enrolled 1,400 new passholders or more each month for the past four months, and is the fastest-growing area of MBTA revenue and ridership.

New revenue and ridership means a savings to taxpayers of the state and the seventy-nine cities and towns in the MBTA district, who otherwise split the public cost of a deficit of running some 12,000 round trips per day.

The auto insurance discount for committed transit users is similar to discount or lower rates offered to the multiple-car owner, the elderly, and those young drivers who have taken driver education.

The proposal was backed by the Speaker of the Massachusetts House, Thomas McGee of Lynn; Senate Transportation Committee Chairman Edward Burke of Framingham; Senate Insurance Committee Chairman Daniel Foley of Worcester; state and national environmental officials; and a number of public organizations.

SEWER IMPROVEMENT PROGRAM

Mayor Kevin H. White has announced that the Boston Redevelopment Authority will soon begin work on another phase of the sewer improvement program being carried out as part of the South End Urban Renewal plan.

The BRA has awarded a contract to Coughlan Construction Company (low bidder) for a \$1.5 million contract, to be funded by the U.S. Environmental Protection Agency.

Mayor White said, "Millions of dollars in sewer improvement work is now being done in the South End, with the help of EPA funds. We are appreciative that these much-needed improvements can move forward without adding to the burden of property tax payers in this city. We are hopeful that all the sewer work required under the urban renewal plan can be done with federal funds and not with city funds, as originally planned."

The contract calls for installation of 1,400 linear feet of new storm drains, approximately 2,400 linear feet of sanitary sewers, and approximately 2,600 linear feet of storm and sanitary services in portions of Tremont Street, Clarendon Street, West Brookline Street, West Concord Street, and two public alleys.

INTERESTED IN ACTING?

The Boston Parks and Recreation's "Shelburne Players" of the Shelburne Recreation Center at 2730 Washington Street, are now casting for parts in their upcoming production "Ceremonies in Dark Old Men."

The play will be directed by Boston Parks and Recreation Drama Specialist J. Riche Coleman and rehearsals will be held on Tuesday and Wednesday evenings at 7:00 p.m. There may also be additional Saturday rehearsals when needed.

The public is cordially invited to join in on the auditions and anyone interested in participating as either an actor, actress, stage person, or promoter is urged to call Dorothy M. Curran, Director of Recreation at 725-4006.

CHRISTMAS PROGRAM AT HAYDEN PLANETARIUM

Traditional holiday scenes are featured in the December Planetarium program, "The Christmas Star," at Boston's Museum of Science. Tradition is also served in the special program for young children, "The Winter Wishing Star."

Hanukkah, the Star of Bethlehem, the Magi, Santa Claus, and his elves' workshop at the North Pole are among the special effects shown on the Planetarium dome and skyline. Christmas music plays as the snow falls on a typical New England village.

The program explains that many holiday customs, particularly the use of candles and evergreens, stem from seasonal, celestial events. The winter solstice is the most significant because it is the time when the sun's position is the lowest of the year to viewers in the northern hemisphere and when, in prehistoric times, ceremonies evolved to keep the sun from disappearing. The solstice occurs this year December 22, at 12:21 a.m., EST.

The special children's program is a fantasy about adventures among the stars. The characters include Blue Bluster, the North Star Fairy, and Old Man Moon. This is the only

Planetarium program to which children under five are admitted; they are admitted free. Adults accompanying them and older children pay the regular Planetarium fee of fifty cents above Museum admission.

"The Winter Wishing Star" is given December 8, 9, 15, 16, 22, and 26, at 4 p.m.

Times for "The Christmas Star" are: Monday, 11 a.m.; Tuesday through Friday, 11 a.m. and 3 p.m.; Saturday, 11 a.m., 1 and 3 p.m.; Sunday, 12 noon, 2 and 3 p.m.

CAPITAL IMPROVEMENT PROJECT

As one of its major capital improvement projects of 1978, the Boston Water and Sewer Commission has begun relaying the water main on Quincy Street from Blue Hill Avenue to Columbia Road in Dorchester. Approximately 2,800 feet of eight- and twelve-inch pipe will be relaid with 16-inch pipe, new hydrants will be set, and all service pipes relaid as well.

The existing 8-inch pipe was laid in 1875; the 12-inch in 1900. The relaying will provide a major water transmission and distribution link between the 20-inch trunk main in Columbia Road and the 16-inch transmission/distribution main in Blue Hill Avenue. This link will give greater flexibility for the area's entire low-service, water distribution system and increased fire flow capacity for safety.

The construction contract was awarded by the Boston Water and Sewer Commission to J. F. and Son for \$212,640. The job is expected to take eighty working days from the starting date of November 17, 1978. Construction will be suspended once the weather turns freezing, so the project should be completed by the end of May, 1979.

Water service to area residents will be interrupted between the hours of 8 a.m. and 5 p.m., Monday through Friday, while construction is in progress. Residents who are at home during those hours should store enough water to satisfy household needs until service is restored each day.

FIRE DEPARTMENT ORDERS

November 17.

General Order No. 59

I. RETIREMENTS

The following retirements, in accordance with the provisions indicated, will become effective at 0800 hours, December 1, 1978:

Fire Fighter William E. Moore, Ladder Company 1, section 5, chapter 32, G.L.

Acting Fire Capt. Thomas F. Foley, Ladder Company 19, section 7, chapter 32, G.L.

Fire Fighter Richard E. Woods, Engine Company 50, section 7, chapter 32, G.L.

Fire Fighter Moore was appointed to the department April 3, 1946. Acting Fire Captain Foley was appointed January 26, 1949 and promoted to Fire Lieutenant September 9, 1970. Fire Fighter Woods was appointed January 18, 1967.

All of these members leave the department with the best wishes of their associates.

II. CHANGE IN DESIGNATION OF FIRE ALARM BOX

The designation of the following box has been changed and company commanders shall make the change on their assignment card:

12-4151, Special Education of Charlestown Inc., 8 Pearl Street.

III. HAZARDOUS BUILDINGS

The woodframe building located at 13 Wollaston Terrace, District 8, is in a hazardous condition, due to holes in the first floor resulting from a recent fire.

Buildings located at 873-875-877 Huntington Avenue, District 5, are in hazardous condition.

In case of fires in these buildings, members shall use extreme caution. All of these buildings have been posted.

IV. COMMENDATIONS

The Fire Commissioner is pleased to commend Fire Lieutenant Ralph Zammito of Ladder Company 6, Fire Lieutenant Robert Winston, Fire Fighters Paul Hynes, Edward Dowd and Neal Santangelo of Ladder Company 29, and Fire Fighter Paul Manning of Engine Company 16, for their rescue efforts at Box 3518, Incident No. 44778, October 9, 1978, for a fire at 40 Ames Street, Mattapan.

Fire Lieutenant Zammito found and rescued an unconscious child and performed C.P.R. enroute to the hospital. Fire Lieutenant Winston and Fire Fighter Manning rescued a male adult from the living room, Fire Fighters Hynes and Dowd, after raising ladders, ascended the same, entered a kitchen and removed four children with the assistance of Fire Fighter Santangelo. These rescues were performed under very hazardous conditions, manifesting the highest traditions of the Boston Fire Department.

November 21.

General Order No. 60

I. PROMOTION

The following District Fire Chief will be promoted to Deputy Fire Chief and transferred at 0800 hours, November 22, 1978:

Michael A. Laurano, from District 3, to Headquarters.

(Continued on next page)

FIRE DEPARTMENT ORDERS

(Continued from previous page)

II. FIRE ALARM BOX INSTALLED

The following box has been installed and company commanders shall add it to circuit card No. 2:

12-1253, Faneuil Hall Marketplace, North, 5 Clinton Street.

III. HAZARDOUS BUILDINGS

The following buildings are in hazardous condition due to a five-alarm fire. Holes are in the floors and structurally, the buildings are very weak. These buildings, located in District 6, have been posted.

474 East Third Street, 476 East Third Street, 2 Burnham Place.

In case of fires in these buildings, members shall use extreme caution.

IV. SPECIAL COMMENDATION

Fire Fighter John Canavan, Engine Company 52, is hereby commended for responding to and working at a five-alarm fire, October 29, 1978, at Box 7312.

Fire Fighter Canavan was off duty when he performed this voluntary service.

POLICE DEPARTMENT ORDERS

October 31.

Personnel Order No. 78-274

George R. Rakauskas, Id. 1611, was appointed a provisional principal data processing systems analyst in this department, and assigned to Management and Budget, effective July 12, 1978.

The services of George R. Rakauskas, Id. 1611, as provisional senior data processing systems analyst terminated as of July 11, 1978.

October 31.

Personnel Order No. 78-275

The following reassignments are hereby ordered, effective on dates listed below.

Sergt. Michael Giardiello, Id. 6100, from District 3 (days), to Operations Division (days) — 11-1-78.

Sergt. John P. Rice, Id. 6702, from District 6 (nights), to District 3 (days) — 11-1-78. (presently detailed to the Operations Division).

Police Officer Thomas P. McNamara, Id. 6138, from Personnel Division, Medically Incapacitated Section (days), to District 4 (days) — 10-14-78.

Police Officer Walter S. Goguen, Id. 5552, from District 14 (days), to Personnel Division, Medically Incapacitated Section (days) — 11-1-78.

Police Officer Bernard Moran, Id. 6061, from Personnel Division, Medically Incapacitated Section (nights) to District 15 (nights) — 8-30-78.

Paula Geoghan, Id. 1803, clerk and typist, from Personnel Division, Medically Incapacitated Section (days) to Property Clerk, Management and Budget (days) — 11-1-78.

November 1.

Personnel Order No. 78-276

The following persons are hereby appointed to this department in capacity stated, effective on the dates listed below.

Michael J. Farley, Jr., Id. 7589, provisional junior building custodian, District 13 — 10-30-78.

Gail M. McDonald, Id. 7762, provisional hostler, Mounted Patrol Unit — 10-28-78.

Clerk and Typist Evelyn A. Bartosiak, Id. 1822, assigned to the Field Reports Unit, Management and Budget, is hereby provisionally promoted to the position of police clerk and typist and reassigned to District 11, effective as of Wednesday, November 1, 1978.

November 2.

CITY OF BOSTON

PUBLIC WORKS DEPARTMENT

Proposals for Community Development Block Grant Project for Sidewalk Reconstruction in Allston Street, Dunboy Street, Kilsyth Road, Kilsyth Terrace, and Riverdale Street, in Brighton; Wolcott Square, in Hyde Park.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for Community Development Block Grant project for sidewalk reconstruction in Allston Street, Dunboy Street, Kilsyth Road, Kilsyth Terrace, and Riverdale Street, in Brighton; Wolcott Square, in Hyde Park.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), sealed, marked "Proposal for Community Development Block Grant Project for Sidewalk Reconstruction in Allston Street, Dunboy Street, Kilsyth Road, Kilsyth Terrace, and Riverdale Street, in Brighton; Wolcott Square in Hyde Park," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of Thursday, December 14, 1978.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth and subject to the prevailing wage rates established by the U.S. Department of Labor and the Equal Employment Opportunity Requirements, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public

Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. These are forms AAP1-AAP6 and AAP8 and can be found at pages ST1-ST10 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bid-

der shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

A prebid conference will be held at 2 p.m., Monday, December 11, 1978, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

PUBLIC WORKS DEPARTMENT

Proposals for Highway Construction In Alvan Terrace; Highway Reconstruction In Abbot Street and Glenhill Road, In Dorchester; Highway Reconstruction and Water Works In Sewall Street; Highway Reconstruction In Clarence Street and Sachem Street, in Roxbury.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for highway construction in Alvan Terrace; highway reconstruction in Abbot Street and Glenhill Road, in Dorchester; highway reconstruction and water works in Sewall Street; highway reconstruction in Clarence Street and Sachem Street, in Roxbury.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Construction in Alvan Terrace; Highway Reconstruction in Abbot Street and Glenhill Road, in Dorchester; Highway Reconstruction and Water Works in Sewall Street; Highway Reconstruction in Clarence Street and Sachem Road, in Roxbury," and left at Room 714, seventh floor, City Hall, before 2 p.m. on THURSDAY, DECEMBER 14, 1978.

Proposal guaranty shall consist of a bid deposit of 5 percent of total bid price, in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of twenty-five dollars (\$25), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be ob-

tained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The attention of all bidders is specifically directed to the City of Boston Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program contract provision of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held at 2 p.m., Monday, December 11, 1978, in the Hearing Room, 801 City Hall, One City Hall Square.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal

should he deem it to be for the best interest of the city so to do.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

Invitation for General Bids for Furnishing, Delivering and Installing Sewing and Steam Table Equipment in South Boston High School, 95 G Street, South Boston, Mass.

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and installing sewing and steam table equipment in South Boston High School, 95 G Street, South Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Monday, December 18, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be

withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time herefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

ANTHONY L. GALEOTA,
Chief Structural Engineer.

BOSTON WATER AND SEWER
COMMISSION**

10 Post Office Square, Boston, MA 02109
(617) 426-6046

INVITATION FOR PROPOSALS

The Boston Water and Sewer Commission by its Executive Director invites sealed proposals for temporary paving of water and sewer excavations in the City of Boston.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Executive Director, and each in the sum of 100 percent of the contract price, will be re-

quired of the successful contractor. Proposals must be submitted on the forms obtained from the Purchasing Agent, Boston Water and Sewer Commission, 10 Post Office Square, seventh floor, Boston, MA 02109; (617) 426-6046, and must be submitted in sealed envelopes to the Purchasing Agent clearly marked "Proposal for Temporary Paving of Water and Sewer Excavations in the City of Boston."

Proposals will be publicly opened and read at the office of the Purchasing Agent, on Tuesday, December 19, 1978, at 3 p.m. Proposals must be accompanied by a certified check, treasurer's or cashier's check, payable to and to become the property of the Commission if the proposal after acceptance is not carried out. The Purchasing Agent reserves the right to reject any or all proposals and to award the contract as the Executive Director deems for the best interests of the Commission.

There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Executive Director. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. Attention is called to chapter 370 of the Acts of 1963, which must be strictly complied with. The Executive Director reserves the right to reject any and all proposals or any item or items of the proposals should he deem it to be for the best interest of the Commission so to do.

S. STEVEN DiPRIMA,
Purchasing Agent.

**Invitation for General Bids for Furnishing,
Delivering and Setting Up File Cabinets,
Storage Cabinets and Portable Chalk-
boards in Various Schools.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing, delivering and setting up file cabinets, storage cabinets and portable chalkboards in various schools.

General bids will be received up until twelve o'clock noon, Boston time, Monday, December 18, 1978, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be made in duplicate, the one with the certified check to be filed and left at the above, the other without certified check to be filed with the City Auditor, City Hall, Boston, before the time stated above for the opening of proposals.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$100 minimum or 5 percent of total amount bid, whichever is the greater amount. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and In-

dustries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

ANTHONY L. GALEOTA,
Chief Structural Engineer.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Furnishing Bids to Furnish and
Install Short Engine Block and Miscellaneous
Repairs to 1969 Hough Front-End
Loader, Model H-60.**

The City of Boston, acting by the Commissioner of Parks and Recreation, Room 802, Boston City Hall, Boston, Mass., hereinafter referred to as the Commissioner, invites sealed proposals to furnish and install short engine block and miscellaneous repairs to 1969 Hough front-end loader, Model H-60.

Proposals will be received until 2 p.m., Boston time, Thursday, December 14, 1978, and shall be placed in the bid box provided for receiving bids, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal

shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid. Bid bonds will not be accepted. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposal shall be filed before the time stated above for the opening of proposals.

No proposal may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws, (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Contract documents, including bid forms, will be available at and after 9 a.m., Monday, December 4, 1978, at the office of the Awarding Authority, upon deposit of a certified check, in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

BOSTON WATER AND SEWER
COMMISSION**

10 Post Office Square, Boston, MA 02109
(617) 426-6046

INVITATION FOR PROPOSALS

The Boston Water and Sewer Commission by its Executive Director invites sealed proposals for emergency excavation for repairs and replacement of water services and structures and other incidental work in Area III in the City of Boston.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Executive Director, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Proposals must be submitted on the forms obtained from the Purchasing Agent, Boston Water and Sewer Commission, 10 Post Office Square, seventh floor, Boston, MA 02109; (617) 426-6046, and must be submitted in sealed envelopes to the Purchasing Agent clearly marked "Proposal for Repairs and Replacement of Water Services and Structures in Area III."

Proposals will be publicly opened and read at the office of the Purchasing Agent, on Thursday, December 21, 1978, at 2:30 p.m. Proposals must be accompanied by a certified check, treasurer's or cashier's check, payable to and to become the property of the Commission if the proposal after acceptance is not carried out. The Purchasing Agent reserves the right to reject any or all proposals and to award the contract as the Executive Director deems for the best interests of the Commission.

There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Executive Director. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. Attention is called to chapter 370 of the Acts of

1963, which must be strictly complied with. The Executive Director reserves the right to reject any and all proposals or any item or items of the proposals should he deem it to be for the best interest of the Commission so to do.

S. STEVEN DiPRIMA,
Purchasing Agent.

**Proposals for Furnishing Medals, ESAA, for
the Boston Public Schools.**

The School Committee of the City of Boston invites bids for medals, ESAA, for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Medals, ESAA." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager at or before twelve o'clock noon on Friday, December 15, 1978. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

NO. 50

DOWNTOWN HOUSING PLANNED FOR ELDERLY

Mayor Kevin H. White and the Boston Redevelopment Authority have given initial approvals to developments which will lead to new elderly housing in downtown and the preservation of unique artists' studios in the Fenway.

The downtown housing project will involve the conversion of the former R. H. Stearns Company department store on Tremont Street into 140 low- and moderate-income apartments for elderly residents.

The \$3-million project will be carried out by State Street Development Corporation, a firm which has developed elderly housing complexes in the Fenway, South End, West End, and downtown.

In the Fenway, artists who use the Fenway Artists Studios on Ipswich Street were threatened with loss of their space because a real estate firm was planning to buy the building and turn it into condominiums.

The forty-seven artists now renting studios in the building have formed a corporation which plans to purchase the building and carry out renovations to the mechanical systems and roof and facades. The interior studios will remain untouched.

The studio renovation project has received the solid backing of the Fenway community. The Fenway Project Area Committee, a broad-based, community group which monitors renewal activities in the Fenway, voiced support for the project and urged its approval.

Mayor White said, "These are two projects which are deserving of support and assistance. In each case we have an opportunity to give these attractive buildings a new lease on life.

"I am pleased that the former Stearns store will provide new, attractive housing for low- and moderate-income elderly residents. This site will place elderly citizens only steps away from public transportation, shops of all kinds, parks, churches, and many cultural attractions in our downtown.

"The Fenway Artists Studios, with its double-height studios and enormous, unobstructed, glass walls, provide ideal space for artists of all kinds. It would be a real loss to these artists — and to the cultural life of this city — if this space were converted to another use. The plan we have approved ensures that this building which has served artists so well in the past continues to serve artists now and in the future."

Plans for the Stearns building call for 136, one-bedroom units and four, efficiency units. Fourteen units will be designed especially for handicapped residents. A top-floor, community area will be included, as well as a tenant lounge on each floor, a laundry room, and a first-floor, security office.

In addition, approximately 7,000 square feet of commercial space will be developed on the ground floor of the building.

BRA Director Robert J. Ryan said that the Stearns building conversion is part of the agency's policy of encouraging residential development in the city's central business district.

Ryan said, "Boston is a city which already has a sizable downtown population. We think many of the older commercial buildings in the city can be recycled to serve as housing. This one project could be a harbinger

of more residential development along Tremont Street."

The Fenway Artists Studios, constructed in 1905, were designed by the noted Boston architectural firm of Parker and Thomas, of which J. Harleston Parker was a senior partner. The studios were conceived by Eban Jordan, founder of the Jordan Marsh department store and were intended to provide artists with a proper setting in which to work and where rent would be low. A trust consisting of other Boston philanthropists financed the construction of the building, with maintenance over the years supported by rental payments from artists.

The studios of the building face north, with four stories of eleven studios each. The north wall of each studio is almost entirely of glass.

Both development entities have entered into an agreement whereby the city will receive annual in-lieu tax payments.

FREE BALLET CLASSES FOR YOUNGSTERS

All youngsters in the Charlestown neighborhood are invited to participate in the free ballet classes offered by the Boston Parks and Recreation Department. The classes will be held every Tuesday throughout the winter and spring at the Charlestown Recreation Center, 112 Bunker Hill Street, Charlestown, from 2 p.m. to 5 p.m.

For further information call Dorothy M. Curran, director of recreation, at 725-4006.

"JAMES MICHAEL" HONORED

On Thursday, November 30, at 4 p.m., the Boston City Council's executive chamber was renamed at an official unveiling of a strikingly beautiful oil painting, expertly done by W. Hourihan in 1948.

Th painting has been graciously donated to the City of Boston by Samuel Dantowitz, a South Boston businessman. Henceforth, the room will be known as the James Michael Curley Executive Room.

It is indeed a long-awaited tribute to the late, great Governor, Congressman, and four-times Mayor of our great City of Boston.

Present at the impressive ceremony were: the members of the Boston City Council; several dignitaries; Frank Curley, son of the beloved "James Michael"; relatives; and former Senator and Ambassador Henry Cabot Lodge, who, in 1936, defeated Governor Curley for the U.S. Senate.

Lodge, seventy-six years young, praised Curley as a "a very talented man who loved political contests and competition. He was an exceptional human being and was in a class by himself."

On November 12, 1958, at age eighty-four, Boston's beloved "Mayor of the Poor" James Michael Curley, passed away.

Editor's Note: Boston City Councilor Frederick C. Langone, who, for the past seven years has championed the cause of a fitting memorial to Curley said, "A statue of Curley is presently being constructed and will be prominently placed in Union Park, Congress Street, adjacent to the Faneuil Hall Marketplace by spring or early summer of 1979."

—J. J. Fahey.

The doctor asked the nurse about the condition of the patient who had swallowed the spoon, and she replied that he could hardly stir.

STORAGE FEES INCREASED

Police Commissioner Joseph M. Jordan has announced an increase in the fees charged for the storage of vehicles towed by the Police Department both for violation of parking regulations and for enforcement of the city's "Tow and Hold" scofflaw statute.

Under Article X, section 2 of the City of Boston Traffic Rules and Regulations, tow storage fees may not exceed the fees charged by the city's public parking lots. That fee now is \$6.50 for each twenty-four hours. Thus, the new storage fees are:

- first hour or fraction thereof, \$.75
- each succeeding hour or fraction thereof, \$.25
- maximum for first twenty-four hours, \$6.50
- each succeeding hour or fraction thereafter, \$.25

These new rates will aid in the covering of costs incurred by the Police Department's towing and storage operation; allow the department to maintain its existing level of storage spaces without having to find additional valuable downtown land for storage; and encourage those who have been towed to pay their tickets and pick up their cars in a timely fashion.

The towing fee still remains at \$12.

HOLIDAY CELEBRATIONS AT THE CHILDREN'S MUSEUM

Holiday celebrations at the Children's Museum begin December 15 with a party given by T. Edward Bear, the museum's resident teddy bear.

T. Edward invites all bears (and kids, too) to the party at 2 p.m. on Saturday. There'll be a sing-along and a chance to make Christmas tree decorations. Kids will munch on cake and animal cookies; the bears, naturally, will get honey candy.

On Sunday, December 17 at 2 p.m., the Cooperative Artists Institute brings a performance of Tribal Rhythms to the museum's Sit Around: storytelling, movement, and vibrant music that explores common roots.

The following weekend, December 23 and 24, there's caroling and playing Spin the Dreidel, a traditional Chanukah game.

On both weekends, hot, spiced cider will be served at 11 a.m., and, in Grandmother's Attic, children can help bake cookies, make cards and wrapping paper, and string popcorn and cranberries on the tree.

From Tuesday, December 26 through Sunday, December 31, there's a special performance each day at 2 p.m.: 26, yoyo champ Larry Sayco; 27, the songs and stories of Tom Smith; 28, the magic and mime of "Fool-at-Large" Steve Shakespeare; 29, Gerwick Puppets in "Aladdin and the Magic Lamp"; 30 and 31, to be announced.

Nineteen seventy-nine is the Year of the Ram in Japan, and the museum's Japanese Home has special New Year festivities (O-Shogatsu) Friday, December 22 through Sunday, January 7. Children can practice Japanese calligraphy; play "Fuku-warai" (pin the tail on the donkey, Japanese style); test their skills with the battledore and shuttlecock or join a Japanese sing-along.

The Children's Museum is on the Jamaicaaway, Route 1, by Jamaica Pond. December 22 through 31, 10 to 5. Closed December 25 and January 1. For other hours, travel information, and complete schedule of events, call the What's Up Line at 522-5454.

STELLAR SNOWFLAKES!

Mrs. White Hosts Downtown Crossing Tree Lighting.

Mrs. Kathryn G. White has lighted the 40-foot, Downtown Crossing Christmas tree in a recent ceremony to launch the area's holiday program of decorations and lights. The program is co-sponsored by the Mayor's Office of Cultural Affairs and the Downtown Crossing retail and corporate community.

Mrs. White said, "Now is a special time for this area. This summer we closed off car traffic for the first time to make it a more pleasant place for pedestrian shoppers. So this is the first of many happy and successful Christmas shopping seasons in the new Downtown Crossing."

Streets in the downtown shopping area will have outside holiday lights for the first time in history. The display, entitled "Stellar Snowflakes," was designed by environmental artist Ross Miller. Shoppers can also enjoy the holiday displays in department store windows as well as the famous annual decorations on Boston Common.

Joining Mrs. White at the ceremony were Emily Lloyd, Boston's Traffic and Parking Commissioner, and William Chouinard, executive vice-president of the Greater Boston Chamber of Commerce.

The 40-foot tree was donated by Massport and the Christmas lights by the Downtown Crossing retail and corporate community.

PROJECT HOMESPUN CRAFT CART OPEN IN QUINCY MARKET

A new kind of craft cart called "Project Homesun," officially opened November 29, in Quincy Market at the Faneuil Hall Marketplace. Mayor and Mrs. Kevin H. White dedicated the cart to Boston's senior craftsmakers at a festive event held under the Great Dome in Quincy

Market. Over 120 of the craftsmakers were on hand for the dedication.

"This cart provides the holiday shopper with a veritable cornucopia of quality-crafted gifts," said Mayor White. "But more than that, this cart represents the time and talent and energy of Older Bostonians. The products of their skill are here on display to appreciate for the thousands of people who pass through here daily. Project Homesun Craft Cart offers an opportunity for seniors not only to earn extra money through their crafts, but to take pride in the display of their fine handicrafts. That's why we are dedicating this cart today to the senior craftsmakers of the City of Boston."

The Project Homesun Craft Cart, which provides Boston's senior citizens exclusively with the opportunity to merchandize their handicrafts, is the first of its kind in the city. The cart is stocked with such holiday items as disco bags, woolen mittens with matching hats, Christmas stockings, tree ornaments, personalized jewelry, and straw baskets. The cart is staffed by the craftsmakers, some of whom will be demonstrating their crafts.

"We hope that every shopper in Quincy Market will take time to browse the Project Homesun Craft Cart," Elderly Commissioner Elaine Guiney, said. "Any of the many items on the cart will make perfect gifts for even the 'hard to buy for' person on our shopping list," she added.

The cart is located on the south side of Quincy Market between the bookstall and the poppy cart and directly under the Herbert Candy sign. It is open from 10 a.m. to 10 p.m., seven days a week.

For further information on the Project Homesun Craft Cart or any of the other Elderly Commission-sponsored programs, call the Mayor's Elderly Hotline at 722-4646.

Will power is the ability, after you have used three-fourths of a can of paint and finished the job, to close the can and clean the brush instead of painting something else that doesn't really need it.

NEW APPOINTMENT

Mayor Appoints Lowell Richards as City Treasurer.

Mayor Kevin H. White, on November 29, appointed Lowell L. Richards III as Collector-Treasurer for the City of Boston.

Richards, thirty-one, had served as deputy director of the city's Office of Fiscal Affairs since July, 1977.

Said Mayor White, "Lowell Richards brings to the Collector-Treasurer's job a wealth of municipal finance experience. He possesses both the savvy and the leadership to effectively continue the city's aggressive tax-collection efforts. His broad knowledge of urban problems will well equip him to contribute significantly in matters of tax policy facing the city."

The Collector-Treasurer is required by law to pay all accounts and collect all receipts due the city, as well as plan all the city bond sales.

Richards has held a variety of posts during his eight years working for the city.

For six years he worked in the Boston Redevelopment Authority (BRA) as a senior planning officer. He then served a brief stint in the BRA as a legal officer in the General Counsel's office before going to the Office of Program Development (OPD).

At OPD, he prepared and reviewed the capital improvement program for two years. In July, 1977, Richards was named deputy director of the Office of Fiscal Affairs under Deputy Mayor James V. Young.

Said Deputy Mayor Young, "Lowell's impressive academic background, combined with his wide experience in municipal government both in financial and planning capacities, make him an ideal candidate for the Collector-Treasurer's post."

Richards, a 1969 cum laude graduate of Dartmouth College, holds a master of city planning degree from the Massachusetts Institute of Technology and a cum laude doctor of laws degree from Harvard University Law School.

Richards, who was a first lieutenant in the U.S. Army Reserve, lives in Jamaica Plain with his wife, Karen.

DONAHUE RIDES "ALL-BRIGHT"

Seven winners named in Mounted Patrol "Name the Horse Contest"; "All-Bright" winning entry.

Police Commissioner Joseph M. Jordan has announced the names of the winners in the Boston Police Department District 14 "Name the Horse Contest."

Seven, Allston-Brighton youngsters picked the name "All-Bright" for one of the Police Department mounts which patrols Brighton Center and Harvard Avenue.

Commissioner Jordan said, "This contest is just one example of the gratifying community response the Mounted Patrol has met throughout the city. Approximately 220 youngsters entered this contest, the first of its kind held in the city."

At ceremonies on November 24, outside District 14, Commissioner Jordan presented each of the winners with a certificate from the Boston Police Department.

Receiving certificates from Commissioner Jordan were:

Robert Ployer, 8 Farrington Road, Allston.

Gail Kervin, 26 Dickerson Road, Brighton.

Dianna Margues, 79 Union Street, Brighton.

John Romard, 1254 Commonwealth Avenue, Apartment 18, Brighton.

Larry Budgell, 25 Brooksdale Road, Brighton.

Michael G. Murphy, 287 Everett Street, Allston.

Debra O'Kane, 45 North Crescent Circle, Brighton.

"All-Bright" is a Morgan horse which has been assigned for the past four months to Officer Howard Donahue, an eight-year veteran of the Boston Police Department.

Sergeant Rubin Diskin, District 14 Community Service Officer, judged the contest.

ACTIVITIES AND EXHIBITS GENERAL AND BRANCH LIBRARIES

Thursday, December 14

Never Too Late Group Program. "Swiss Scene," Speaker: Mrs. Heidi Bally. Presented in conjunction with the Consulate of Switzerland. Rabb Lecture Hall, Central Library. Doors close promptly at 2 p.m.

ISAAC BASHEVIS SINGER

Children's Room, General Library Building.

An exhibit of children's books by the author who has been awarded the 1978 Nobel Prize for Literature. Through December 31.

WATER AND SEWER COMMISSION LAUNCHES PILOT PROGRAM

The Boston Water and Sewer Commission has launched a city-wide, pilot, residential metering program that will result in fewer estimated bills for commission customers. From November 27, 1978, to April 1, 1979, 5,000 new water meters with outside reading devices (ORDs) will be installed in homes where commission forces have in the past been unable to read the meter or where readings simply cannot be obtained.

This is a pilot program of a proposed, city-wide, remetering plan that would replace residential meters every ten years. Residential meters can lose up to 20 percent of their accuracy after ten years, resulting in unaccounted for water and, therefore, unbillable water. In addition, the outside reading device (ORD) enables the commission to read a meter whether or not the customer is at home, decreasing the number of bills based on estimated readings.

The 5,000 meters will be installed by staff of the Central Installation Company of Fraiser, Michigan. Customers should be aware that Central Installation staff will be driving vehicles with Michigan license plates and will carry cards identifying themselves as staff of the com-

pany. Boston Water and Sewer Commission customers are urged to ask for identification if they have any questions.

Water will be temporarily shut off in each home during installation of the meter, which takes about one hour. A small hole must be drilled through the wall of each house through which to connect the wiring for the meter.

This pilot metering program will be carried out in all twenty-two of the city's wards beginning with Ward 1, East Boston.

ENERGY PLAN: ARE YOU INTERESTED?

The Department of Energy (DOE), Region One, will hold a public meeting in Boston, December 14, on development of the second National Energy Plan (NEP-II) at the John W. McCormack Post Office and Courthouse, Room 208, beginning at 9 a.m.

Harold Keohane, DOE's regional representative in New England, in announcing the meeting, one of seven being conducted nationally, stated, "This will be an opportunity for citizens to have a role in the shaping of our next National Energy

Plan. We want to hear from persons with views on the broad range of energy problems affecting New England, prospects for new energy supplies, and effects of the conservation ethic of the recently enacted National Energy Act."

The Department of Energy Organization Act (Public Law 95-91) requires that the plan be submitted to the Congress not later than April 1, 1979.

NEP-II will consider and establish energy production, utilization, and conservation objectives necessary to satisfy projected energy needs in the context of such things as economic growth, price stability, full employment, environmental protection, and energy security.

Persons interested in making an oral presentation should contact Department of Energy, "NEP-II," 150 Causeway Street, Boston, Mass. (617) 223-5257. Written comments should be sent by January 2, 1979, to William P. White, Department of Energy, Office of Policy and Evaluation, Forrestal Building, Washington, DC 20585.

Everybody but Sam signed up for a pension plan calling for a employee contribution. The firm was paying nearly the full amount. One hundred percent employee participation was needed; unless Sam signed up, the deal was off. His fellow workers cajoled, begged, and pressured Sam to sign, but to no avail. He contended the plan would never pay off.

One day, the president called Sam into his office.

"Sam," he said, "here is a copy of the plan, and here is a pen. I want you to sign the papers. If you don't, you're fired."

Sam signed without a moment's hesitation.

"Now," said the president, "tell me why you couldn't have signed before?"

"Well, Mr. Phillips," replied Sam, "you're the first person who explained it clearly."

"BIG BOOK" FOR SALE

Building industry executives, buyers, and specifiers in New England can now do their construction "shopping" in the new, completely updated, third edition of the Building Industry Guide, The Big Book.

The book's uses range from finding help to repair a leaky roof to design and construction of multi-building complexes.

The 1978-79 edition of the guide lists over 31,000 general contractors, subcontractors, material and equipment supplies, architects, engineers, developers, and others doing business in the region. The 952-page "who does what, where" directory and purchasing guide provides fast, convenient reference to information not readily available in any other single source. The book is color-coded and indexed alphabetically by classification and company name.

Recently honored by the Construction Specification Institute (CSI), for its "far-reaching effect and significant information source," The Big Book classifies products and services into 628 specific categories and twelve geographic subregions of New England. Company listings in the guide allow for added information on sales volume, maximum bonding capacity, and years in business.

In addition, more than 5,000 U.S. building products manufacturers and their New England representatives are listed.

Altogether, 94,000 listings are included in The Big Book which sells for \$40 per single copy.

EXTRAORDINARY STEP-RATE ADVANCE UNDER COMPENSATION PLAN FOR EMPLOYEES OF SUFFOLK COUNTY.

REGISTRY OF DEEDS

Mr. John E. Murphy,
Supervisor of Personnel.

On August 21, 1978, Francis Sidoti was appointed head clerk, R11-1 at \$186.30 per week. Prior to his employment Mr. Sidoti had extensive management and administrative experience. Because of his excellent qualifications and background it is requested that his one-, two-, three-, four-, five-, and six-year increments be determined under Rule 15F of the Compensation Plan for Suffolk County Employees, effective September 6, 1978.

Very truly yours,

Paul R. Tierney,
Register of Deeds.

FIRE DEPARTMENT ORDERS

November 22.

General Order No. 61

REVISED FORM 13D — MORNING REPORT

It is essential for all officers (and acting officers) to fully understand that when they submit reports, their signatures indicate that they have a clear understanding of the contents of the report and they are verifying its accuracy.

Relative to the Morning Report, Form 13D, the following information will be used as a guide to the officers completing said forms:

The officer working the day tour of duty, 0800 to 1800, will make out the body of the Form 13D from "Daily Report of . . . through Total Strength of Company," and sign his name of the designated line. He, the day tour officer, will also fill in the required information on the rear section of the Form 13D, "Alarms Responded to," as prescribed in Rule 11.22 (b) and sign his name and rank on the line immediately following the last alarm responded to during his tour of duty.

The officer working the night tour, 1800 to 0800, will, upon relieving the day tour officer, check the Morning Report for accuracy and any changes that may have occurred since the original information was reported. He will sign his name on the designated line, which indicates the accuracy of the report at that time and when his tour of duty is over, will again sign the reverse side immediately after (on the line below) the last entry during his tour of duty.

The officer who relieves the night tour officer will check the accuracy of the Morning Report that is to be submitted from the previous day, put the appropriate date after "Strength for" fill in the strength for the following day and night tours of duty and then sign the Morning Report on the reverse side in the space designated "Forwarded" along with his rank and date.

The front (face side) of the Form 13D, Morning Report, will be filled in as follows:

"Day Tour (Group____)," self explanatory;
"Overtime," name of company member/s who is/are working overtime during that tour on the company;

"Present Detail," self explanatory;

"Total for Duty," self explanatory;

"Absent from Tour" name of any member/s who is/are excused from that tour of duty due to attendance at one of the various organizations associated with the Fire Department (i.e., F. F. Jones, Local 718, Executive Board Meeting; F. F. Smith, Honor Guard Time, etc.)

"Night Tour (Group____)" through "Absent from Tour" use the same format as "Day Tour (Group____)" through "Absent from Tour";

"Off Duty (Group____)" number of group in space designated, the rank and names of the personnel on that group. "(Group____) number of group in space designated, the rank and names of the personnel on that group;"

(Note: each of the off-duty groups will therefore be listed by group.)

Injured, Sick, Light House Duty, Death/Personal Leave," self explanatory;

"Absent Detail," the rank and names of members absent from company during the twenty-four hours and the company or

division to which said member is detailed; to with the notation (D) for day or (N) for night. If a member from the company is on overtime and is absent, detail, the notation (OT) for overtime will be placed adjacent to his name and company to which he is detailed to with notation (D) or (N);
"Vacation," self explanatory;
"Total Strength of Company," self explanatory.

The section at the bottom of the face side of the Form 13D is reserved for "Remarks." This space will be used to report any unusual happenings during the twenty-four-hour period that the form is being used, (i.e., apparatus could not respond, and reason, F. F. Jones admitted to — Hospital due to injuries (or other) received at incident No.____, or other.

The reverse side of the Form 13D has been changed and is to be used as follows:

All alarms responded to by the company will be entered in the appropriate spaces along with the information called for. If the company responds to a building fire, under "Duty" a notation will be made to refer to the number in the extreme left-hand column; which number will be put in the column under "No," (under building fire), and fill in appropriate information. The extreme right-hand column, entitled: ICD 7, is to be used by the company officer with a notation "Yes" or "No," the "Yes" meaning that the hydrant used was defective; and a Form ICD 7 was submitted, the "No," meaning that the hydrant used was not defective and therefore, a Form ICD 7 was not submitted.

For companies that will use more than sixteen runs and/or five building fires during a twenty-four-hour period, there will be a supplement page for "Alarms Responded To." If, by chance, the sixteen "runs" and/or company, responds to more than five building fires, the supplement page will be used. Insertion of the proper number from the extreme left-hand column of the back page of the Form 13D or the supplement page, "Alarms Responded To," will be placed in the extreme left-hand column under "Building Fire" and appropriate information for the incident.

If the supplement page is used, it will be stapled to the Form 13D when forwarded.

November 24.

General Order No. 63

I. RETIREMENT

The following retirement, in accordance with the provisions indicated, became effective at 0800 hours, October 8, 1978:

Fire Lieut. John A. MacDonald, Engine Company 8 — section 7, chapter 32, G.L.

Fire Lieut. MacDonald was appointed to the department February 18, 1948, and promoted to fire lieutenant September 1, 1976.

Fire Lieut. MacDonald leaves the department with the best wishes of his associates.

II. NEW FORM 13D — MORNING REPORT

The new Form 13D, issued to all companies on Wednesday, November 22, 1978, will be put in effect on Monday, November 27, 1978.

All old Form 13Ds will be returned to Headquarters immediately.

III. FIRE ALARM BOX INSTALLED

The following box has been installed and

company commanders shall add it to circuit card 55:

13-1294, Harbor Towers, 85 East India Row.

IV. FIRE ALARM BOX DISCONTINUED

The following-mentioned fire alarm box has been discontinued and removed from service: 6132, Signal Station near elevator at Penn Central Railroad.

Company commanders shall delete the above box from the running cards.

ADVERTISEMENT CITY OF BOSTON

EMPLOYMENT AND ECONOMIC POLICY ADMINISTRATION

Invitation for Sealed Bids for Furnishing Twenty-four-Hour Guard Duty, at 15 Beacon Street, Boston.

The City of Boston, acting by its Employment and Economic Policy Administration, through its Administrator, hereinafter referred to as the Awarding Authority, invites sealed bid proposals for a round-the-clock, uniformed, security guard detail at 15 Beacon Street, Boston. Coverage includes basement through tenth floor, seven days per week; armed guards — no dogs required — for the period January 1, 1979, through September 30, 1979.

Time and Place for Filing Bids

Sealed bids (proposals) will be received until twelve o'clock noon, Wednesday, December 20, 1978, at the EEPA Contracts and Grants Office, ninth floor, 15 Beacon Street, Boston, MA 02108 (Tel. 725-3605), at which time and place they will be publicly opened and read aloud.

Bid Forms and Contract Award

Proposals must be submitted *in duplicate* on the bid forms obtained from the Awarding Authority (as above commencing 12/11/78). Any bid not submitted on the proper form shall be rejected. Each copy of the proposal (bid) shall be completely filled in, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One

copy of the proposal shall be filed with the Awarding Authority, at the office designated above. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, MA 02201. Both copies *must* be filed *before* the time stated above for the opening of the proposals.

A bid bond or certified check in the amount of one hundred dollars (\$100), will be required to be tendered to the Awarding Authority at the time of bid submittal.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

No proposal may be withdrawn after the time limit for filing proposals and for ten (10) days (Saturdays, Sundays, and legal holidays excluded) from the opening of proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Employment and Economic Policy Administration reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston for the faithful performance of the contract.

By ERIK BUTLER,
Acting Administrator.

(Dec. 11.)

ADVERTISEMENT CITY OF BOSTON POLICE DEPARTMENT

The City of Boston, acting by its Police Commissioner, invites interested, competent persons and firms customarily engaged in repairs of trailer hitches and located within a reasonable distance of the Boston Police Garage at 286 Adams Street, Dorchester, whether or not located within the City of Boston, to enter into a contract with the City of Boston for estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing the work of miscellaneous repairs to Police Department trailer hitches.

Applications must be submitted on forms obtained from the office of Property Clerk of the Boston Police Department, Room 310, 154 Berkeley Street, Boston. Each copy of the application shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done.

Copies of contract documents may be obtained at Room 310, 154 Berkeley Street, Boston, on and after December 11, 1978.

The Police Commissioner will receive applications for such estimates and work at the office of the Property Clerk, Room 310, 154 Berkeley Street, Boston, up until twelve noon, Tuesday, December 19, 1978, at which time said applications shall be publicly opened and read.

The Police Commissioner reserves the right to reject any or all applications as he deems it to be in the public interest so to do.

JOSEPH M. JORDAN,
Police Commissioner.

ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Administration Building, 26 Court St.,
Office of the Business Manager

Proposals for Furnishing Materials for Over- head Projectors for the Boston Public Schools.

The School Committee of the City of Boston invites bids for furnishing materials for overhead projectors for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Materials for Overhead Projectors." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager, at or before twelve o'clock noon on Wednesday, December 27, 1978. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

TRAFFIC RULINGS
Permanent
OFFICIAL ADVERTISEMENT
TRAFFIC AND PARKING DEPARTMENT

October 17, 1978.

Whereas, The Traffic and Parking Commission is not in session, now, therefore, under the authority granted to me under St. 1929, c. 263, s. 2B, as amended, I hereby promulgate the following:

That the Traffic Rules and Regulations of the City of Boston are amended, as follows, effective December 11, 1978:

Article IV, Section 1 (General Prohibitions), is amended by adding the following:

(21) At any place where official signs have been placed or erected indicating "Resident Permit Parking Only" unless the vehicle displays a Resident Parking Sticker and is parked in the designated area indicated on the sticker or is a commercial vehicle stopped temporarily during the actual loading or unloading of goods.

Article IV, Section 2 (Stopping, Standing, and Parking Prohibited), is amended by striking out the following:

Martha Road, Boston Proper.

South side, from Amy Court to Lomasney Way, 24 hours.

Article IV, Section 2 (Stopping, Standing, and Parking Prohibited) is amended by adding the following:

Commercial Street, Boston Proper.

West side, in front of the Walkway to the Sea for a distance of twenty (20) feet, 24 hours.

Congress Street, Boston Proper.

East side, from the southerly property line of Faneuil Hall Plaza to North Street, 24 hours.

Martha Road, Boston Proper.

South side, from the easterly driveway to the Amy Lowell House to Lomasney Way, 24 hours.

North Street, Boston Proper.

Southeast side, from Congress Street to Clinton Street, 24 hours.

Autumn Street, Roxbury.

North and west side, from the Riverway to a point thirty (30) feet north of the property line between No. 21 and No. 25, 24 hours.

East side, from the southerly property line of the Deaconess Hospital to a point one hundred thirty (130) feet northerly, 24 hours.

Article IV, Section 2A (Standing and Parking Prohibited), is amended by adding the following:

Martha Road, Boston Proper.

South side, from the westerly entrance to Whittier Place to the easterly driveway to the Amy Lowell House, 7 a.m. to 9:30 a.m. and 4 p.m. to 6 p.m.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

Amy Court, Boston Proper.

All sides, from Martha Road to dead end, 24 hours.

Columbus Avenue, Boston Proper.

Northwest side, for a distance of twenty-two (22) feet in front of No. 21, 8 a.m. to 6 p.m.

Commercial Street, Boston Proper.

West side, from State Street to Clinton Street, 24 hours.

Congress Street, Boston Proper.

Both sides, from Dock Square to State Street, 4 p.m. to 6 p.m.

Fulton Street, Boston Proper.

Southeast side, from Cross Street to Lewis Street, 7 a.m. to 6 p.m.

Martha Road, Boston Proper.

South side, for Leverett Circle to Amy Court, 24 hours.

North Street, Boston Proper.

Southeast side, from Clinton Street to Congress Street, 24 hours.

Leicester Street, Brighton.

East side, from Washington Street to Surrey Street, 8 a.m. to 6 p.m.

Washington Street, Brighton.

West side, from Corey Road to Commonwealth Avenue, 4 p.m. to 6 p.m.

Bentham Road, Dorchester.

North side, for a distance of twenty-five (25) feet in front of No. 14, 24 hours.

Autumn Street, Roxbury.

North and west side, from the Riverway to Longwood Avenue, 24 hours.

Eldora Street, Roxbury.

West side, for a distance of twenty-five (25) feet at side entrance of No. 166 Hillside Street, 24 hours.

Walpole Street, Roxbury.

Southwest side, from Columbus Avenue to Tremont Street, 24 hours.

Trilling Way, South Boston.

Southeast side, from a point one hundred and fifty (150) feet southwest of Northern Avenue to the dead end, 8 a.m. to 6 p.m.

Northwest side, from Northern Avenue to the dead end, 8 a.m. to 6 p.m.

Both sides, from Northern Avenue to a point approximately three hundred (300) feet northwesterly, 24 hours.

Congreve Street, West Roxbury.

Southwest side, for a distance of twenty-five (25) feet in front of No. 86, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by adding the following:

Amy Court, Boston Proper.

Both sides, from Martha Road to the driveway to the Amy Lowell House, 24 hours.

Boylston Street, Boston Proper.

North side, from Ipswich Street to a point seventy (70) feet west of Ipswich Street, 8 a.m. to 6 p.m.

Parkton Road, West Roxbury.

Easterly side, from the southerly property line of No. 39 to the northerly side of the northerly leg, the northerly side of the northerly leg and the westerly side of westerly leg, 24 hours.

Article IV, Section 7 (Angle Parking), is amended by striking out the following:

Centre Street, West Roxbury.
North side, for Greateon Road to Manthorne Road.

Article IV, Section 14 (Loading Zones), is amended by adding the following part (4):

(4) Taxis stopped temporarily during the actual delivery of goods provided the vehicle displays its emergency, four-position flashing lights.

Article IV, Section 15C, Part (2) (Permission to Park Vehicles Principally Garaged on Certain Streets), is amended by adding the following:

"or shall expire on the date set forth on the Residential Parking Sticker."

Article V, Section 1 (One-way Streets), is amended by striking out the following:

Walpole Street, Roxbury.
From Tremont Street to Columbus Avenue.

Article V, Section 1 (One-way Streets), is amended by adding the following:

Commercial Street, Boston Proper.
From Richmond Street to Cross Street.
Hatherly Road, Brighton.
From Portina Road to Chestnut Hill Avenue.

Rosedale Street, Dorchester.

From Washington Street to Whitfield Street.

East Eagle Street, East Boston.

From Putnam Street to Glendon Street.

St. Cyprian's Place, Roxbury.

From Tremont Street to Columbus Avenue.

F Street, South Boston.

From West Eighth Street to West Broadway.

Article VI, Section 10 (Left Turns Prohibited), is amended by striking out the following:

Massachusetts Avenue, Roxbury.
Into Huntington Avenue, northeasterly.

Article VI, Section 10 (Left Turns Prohibited), is amended by adding the following:

Massachusetts Avenue, Roxbury.
Into Huntington Avenue, northeasterly, 4 p.m. to 6 p.m.

Article VI, Section 11 (Only Right Turn Movements Permitted), is amended by adding the following:

Richwood Street, West Roxbury.
From Roche Brothers driveway ten (10) feet northwest of Centre Street.
Into Richwood Street, southerly.

Article VI, Section 16 (Through Ways), is amended by adding the following:

L Street, South Boston.
From Summer Street to Marline Road.

Article VI, Section 17 (Isolated Stop Streets), is amended by striking out the following:

L Street, South Boston.

At East Broadway.

At East Eighth Street.

At East Fifth Street.

At East Fourth Street.

At East Seventh Street.

At East Sixth Street.

At Marine Road.

Article VI, Section 17 (Isolated Stop Streets), is amended by adding the following:

Cross Street, Boston Proper.

At Commercial Street.

Faneuil Street, Brighton.

At Bigelow Street.

Porter Street, East Boston.

At London Street.

Sumner Street, East Boston.

At Bremen Street.

Cummins Highway, West Roxbury.

At Sycamore Street.

Article X, Section 2, Part 3 (Specific Tow Zones), is amended by adding the following:

Chapman Place, Boston Proper.

From Bosworth Street to School Street.

Martha Road, Boston Proper.

From Leverett Circle to Lomasney Way.

Peterborough Street, Boston Proper.

North side, from Kilmarnock Street to Jersey Street.

Leicester Street, Brighton.

East side, from Washington Street to a point sixty feet (60) feet northerly.

Autumn Street, Roxbury.

From the Riverway to Longwood Avenue.

The undersigned does hereby certify that after taking into account the public safety and convenience, the reasonably free circulation of vehicular traffic, and the need for providing in the streets, ways, highways, roads, and parkways, in the City of Boston, the maximum number of parking spaces at all times, he is of the opinion that the amendments made this seventeenth day of October, 1978, to either Sections 2, 2A, or 18 of Article IV, or to Section 2 of Article X of the Traffic Rules and Regulations of the City of Boston are required by urgent public necessity.

EMILY LLOYD,

Commissioner of Traffic and Parking.

A true copy.

Attest:

Edna L. Jacobs,

Executive Secretary.

ADVERTISEMENT CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Repairs to Shore Protection at Various Locations.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the

above-entitled project, in accordance with G.L., Chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Thursday, January 11, 1979, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$350. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, December 11, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

CITY OF BOSTON,

PUBLIC FACILITIES COMMISSION,

DONALD B. MANSON,

Director of Public Facilities.

561 Truman Parkway, Ward 18.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, December 21, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the fore-

going stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a thirty-six-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so. **NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor

to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of

ables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

CITY OF BOSTON,
By FRANCIS W. GENS,
Building Commissioner.

(Dec. 11.)

ADVERTISEMENT CITY OF BOSTON

ECONOMIC DEVELOPMENT AND INDUSTRIAL CORPORATION

Invitation for Bids for Purchase and Delivery of Replacement Windows for Building 19, Boston Marine Industrial Park.

The Economic Development and Industrial Corporation of Boston has designated the Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, to act on its behalf as Administrator of this project in a manner consistent with other City of Boston projects.

Time and Place for Filing Bids

General bid will be received up until twelve o'clock noon, Boston time, Thursday, January 4, 1979, at the office of the Public Facilities Department, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the E.D.I.C., in the sum of \$1,000. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

Copies of the contract documents, including bid forms, will be available on and after Monday, December 11, 1978, at the office of the Public Facilities Department upon depositing

\$25 in cash or a certified check, payable to the Economic Development and Industrial Corporation of Boston, for each set of documents so obtained. Each such deposit will be refunded if the drawings and contract documents are returned in good condition within ten (10) days after bid opening.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 100 percent of the total contract cost will be required of the successful bidder.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications.

Attention is directed to the instructions to bidders, information for bidders, and the prohibition of abnormally high or low price for any item of work.

The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

By GEORGE C. SEYBOLT,
Chairman.

(Dec. 11.)

ADVERTISEMENT CITY OF BOSTON

PUBLIC WORKS DEPARTMENT

Proposals for Miscellaneous Repairs to Public Works Department Passenger Car and Truck Springs.

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for miscellaneous repairs to Public Works Department passenger car and truck springs.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the

laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Miscellaneous Repairs to Public Works Department Passenger Car and Truck Springs," and left at Room 714 (Contract Office), seventh floor, City Hall, before 2 p.m. of THURSDAY, DECEMBER 21, 1978.

Proposal guaranty shall consist of a bid deposit of two hundred forty dollars (\$240), in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of five dollars (\$5), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The attention of all bidders is specifically directed to the City of Boston Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program contract provision of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.
(Dec. 11.)

CITY OF BOSTON**

**BUILDING DEPARTMENT
NOTICE TO CONTRACTORS**

**Invitation for Proposals for Demolition and
Site Clearance, Project No. 76.**

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, herein-after referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

- 85 Clarkson Street, Ward 15.
- 84 Coleman Street, Ward 15.
- 10 Downer Court and rear garage, Ward 15.
- 17 Inwood Street, Ward 15.
- 15 Ridgewood Street, Ward 15.
- 9 Tebroc Street, Ward 15.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, December 21, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the

laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a twenty-one-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Com-

pliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of tables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding

Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

(D) A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the owner, and each in the sum of 50 percent of the total cost, as set forth in the bid documents, will be required of the successful bidder.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Friday, December 22, 1978, at EDIC-JTC, 660 Summer Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Copies of the contract document, including bid forms, will be available on or after Monday, December 11, 1978, at EDIC-JTC, 660 Summer Street, Boston, Mass.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project, and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity Anti-Discrimination and Affirmative Action Program, and City of Boston Affirmative Action Compliance with Contract Specifications. The Economic Development and Industrial Corporation of Boston reserves the right to reject any or all bids or to value any information in the bidding, if it be in the public interest so to do.

Bids may be held for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

By GEORGE SEYBOLT,
Chairman of the Board.

(Dec. 11.)

ADVERTISEMENT CITY OF BOSTON

EMPLOYMENT AND ECONOMIC POLICY ADMINISTRATION

Invitation for Sealed Bids for Furnishing Moving Services (Office Furniture and Equipment).

The City of Boston, acting by its Employment and Economic Policy Administration (EEPA), through its Administrator, hereinafter referred

to as the Awarding Authority, invites sealed bid proposals to provide labor and equipment to move furniture, furnishings, and equipment, usually during normal working hours on weekdays. Moving crews shall be provided upon request, occasionally upon short notice, during the period January 1, 1979, through September 30, 1979.

Time and Place for Filing Bids

Sealed bids (proposals) will be received until twelve o'clock noon, Wednesday, December 20, 1978, at the EEPA Contracts and Grants Office, ninth floor, 15 Beacon Street, Boston, MA 02108 (Tel. 725-3605), at which time and place they will be publicly opened and read aloud.

A bid bond or certified check in the amount of one hundred dollars (\$100), will be required to be tendered to the Awarding Authority at the time of bid submittal.

Bid Forms and Contract Award

Proposals must be submitted *in duplicate* on the bid forms obtained from the Awarding Authority (as above commencing 12/11/78). Any bid not submitted on the proper form shall be rejected. Each copy of the proposal (bid) shall be completely filled in, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, MA 02201. Both copies *must* be filed *before* the time stated above for the opening of the proposals.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth. Copies of said schedule may be obtained, without cost, upon application at the office of the Commissioner.

No proposal may be withdrawn after the time limit for filing proposals and for ten (10) days (Saturdays, Sundays, and legal holidays excluded) from the opening of proposals. In addition, no proposal filed by the three lowest bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the

foregoing stipulation will be required before commencing performance of this contract.

The Employment and Economic Policy Administration reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston for the faithful performance of the contract.

By ERIK BUTLER,
Acting Administrator.

ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Administration Building, 26 Court St.,
Office of the Business Manager

Proposals for Furnishing Paper, Cover Stock for Directory and Plastic Velo Binding Strips, Special Services Department.

The School Committee of the City of Boston invites bids for colored paper, cover stock for directory and plastic velo binding strips for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Paper, Cover Stock for Directory and Plastic Velo Binding Strips." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager at or before twelve o'clock noon on Wednesday, December 20, 1978. Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

Boston, Mass. 02110

NOTICE TO CONTRACTORS

Sealed bids for MBTA Contract No. 061-100 will be received by the Authority's Director of Construction at the Contract Administration Office, 50 High Street, fifth floor, Boston, Mass. 02110, until two o'clock (2 p.m.) on January 4, 1979. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The contract is described as follows: RELOCATION OF MBTA ELEVATED STRUCTURE COLUMN NO. 1060E, ORANGE LINE, Boston, Mass., consisting of removing said column and replacing it with two box columns and a box beam.

The work also includes the furnishing and maintaining of all scaffolding, shoring, and bracing required for the execution of the work. Hoisting equipment and power supply required for the execution of the work shall be furnished by the contractor.

This contract is subject to a financial assistance contract between the MBTA and the Massachusetts Department of Public Works.

TECHNICAL PREQUALIFICATION OF BIDDERS. Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract. However, in view of the fact that erection of specialty equipment is included in the contractor's scope of work, bidders must be technically prequalified before bid opening. Details of prequalification are set forth in Section 6, Division II, Special Provisions, of the bidding documents. Information required for technical prequalification for this project must be submitted to the Contract Administrator no later than the tenth (10th) day preceding the date set for opening of bids.

The work described in this contract involves the safety of life, person, and property, the protection of which requires unusual engineering skill and experience. The work will also involve the safe and continuous operation of an operating electric railway.

BIDDING DOCUMENTS WILL BE AVAILABLE AT THE CONTRACT ADMINISTRATION OFFICE AT THE ABOVE ADDRESS ON DECEMBER 1, 1978.

To be considered skilled and experienced for this work, the prospective bidder will be required to show to the satisfaction of the Authority that he has undertaken and satisfactorily performed similar work under a contract of comparative size.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$5. The

Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available in separate volumes from the Contract Administration office at a separate charge of \$5 per copy. Neither charge is refundable.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of two dollars (\$2), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder.

Complete information and authorization to view the structure may be obtained from Project Manager-Station Modernization, Mr. Joseph P. Brown, 50 High Street, Boston, MA 02110, Telephone No. 617-722-5005.

A prebid conference will be held on December 13, 1978, at 10 a.m. at the office of the Director of Construction, ninth floor, 50 High Street, Boston, MA 02110. It is essential that the prospective bidders have a representative attend. Any request for interpretation of the specifications should be submitted in writing at that time.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any contract entered into pursuant to this advertisement (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

1. The offerer's or bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area are as follows: (See Appendices A and B, Standard Federal Equal Employment Opportunity Specifications).

The goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The

hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minorities or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of award of any construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor, employer identification number, estimated dollar amount of the subcontract, and the geographical area in which the contract is to be performed.

4. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is in the City of Boston, Suffolk County, Massachusetts.

All bidders will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

The provisions of Massachusetts Executive Order No. 130, Anti-Boycott Covenant are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of nine thousand dollars (\$9,000), in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, bank, or trust company.

The successful bidder will be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price. The surety shall be a surety company of securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

CITY OF BOSTON

PUBLIC FACILITIES DEPARTMENT

Invitation for Bids for Carpeting, Various Locations.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, December 19, 1978, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids\$1,700

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, December 11, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

PUBLIC WORKS DEPARTMENT

Proposals for Miscellaneous Repairs to International Trucks

The Commissioner of Public Works of the City of Boston, Room 714 (Contract Office), City Hall, invites proposals for miscellaneous repairs to international trucks.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, and each in the sum of 100 percent of the contract price, will be required of the successful contractor. Forms of proposals may be obtained at Room 714 (Contract Office), City Hall. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Miscellaneous Repairs to International Trucks," and left at Room 714, (Contract Office), seventh floor, City Hall, before 2 p.m. of THURSDAY, DECEMBER 21, 1978.

Proposal guaranty shall consist of a bid deposit of one thousand fifty dollars (\$1,050), in the form of a bid bond, cash, certified check, treasurer's or cashier's check issued to the City of Boston. The proposals will then be publicly opened and read in the Hearing Room, 801 City Hall, One City Hall Square.

Proposals must be made in duplicate, the sealed duplicate, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 714, City Hall. *There will be a charge of five dollars (\$5), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The attention of all bidders is specifically directed to the City of Boston Supplemental Equal Employment Opportunity Anti-Discrimi-

nation and Affirmative Action Program contract provision of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Merry Christmas - Happy New Year

CITY RECORD

KEVIN H. WHITE
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

LAWRENCE S. DICARA
PRESIDENT, CITY COUNCIL

VOL. 70 MONDAY, DECEMBER 18, 1978 NO. 51

TO YOU FROM US

The staff of the *City Record* wishes to extend to all our patrons best wishes for a Merry Christmas and a Happy New Year. To echo our sentiments in a more personal way, we feel an old-fashioned "thank you" is appropriate at this time.

We realize more than ever how important it is to have the friendship and confidence of all our *City Record* readers.

May the coming year bring peace, health, and happiness to you and your loved ones.

NEIGHBORHOOD EVOLUTION: A CLOSER LOOK

For some twenty years now, planners and policy makers have sought outside aid to solve the problems of city neighborhoods. The very terms "blight" and "decay" imply a disease that can be cured only if it is removed, or if the right kind of medicine can be administered. In some cases the prescription has been urban renewal, in others an infusion of new social capital improvement and housing rehabilitation programs.

Some of these approaches, over time, have seemed sensitive to human needs and relatively successful. Boston's Housing Improvement Program is an example. Taken together, however, the national strategies of the last two decades seem to have overlooked a consideration which appears to be increasingly important: the internal confidence that a neighborhood has in its own future.

Work done in Boston and in a few other cities around the country more and more suggests that a community's psychology is of critical importance and is an essential complement to the physical improvements and other conventional strategies which have been used in an attempt to prevent or reverse urban deterioration. The closer look at neighborhood evolution presented here is based on that idea.

— How much does people's *belief* about the future of a neighborhood actually help to determine what that future turns out to be?

— Who are the key people who influence the all-important, local housing market?

— How can those actors understand one another better and work together more constructively to assure that an adequate number of responsible buyers will be available as properties come up for sale?

These are the kind of questions the Boston Redevelopment Authority and the Parkman Center for Urban Affairs have been asking for some time.

On Thursday, April 8, 1976, their inquiry entered a new phase when the Center and the BRA hosted a daylong pilot seminar on the subject of neighborhood confidence, using Dorchester as an example.

The theme itself was a departure from the approach taken by typical housing seminars, but more unusual were the participants. These included a sampling of the very people whose combined perceptions and actions have most to do with the relative strength or weakness of housing demand in areas such as Dorchester. Among

them were neighborhood residents, brokers, appraisers, bankers, members of the media, and government officials (local and federal).

In order to help shape the agenda for the day, the following summary statement went to all participants beforehand:

"When the word 'change' appears in connection with inner-city neighborhoods, it usually signifies blight. Blight, in turn, is still commonly thought of as the more-or-less uniform spreading of physical and social decay from one contiguous area to another. Even today there is the temptation to look for a scapegoat to explain this very complex phenomenon. Racial transition, the practices of banks and insurance companies, or a decline in city services are typically blamed.

"Because Boston is a relatively small city, with very distinct neighborhoods and excellent communications networks (such as the Little City Halls), the process of neighborhood evolution can be observed here with unusual ease. Taking advantage of this opportunity, the Boston Redevelopment Authority and the Parkman Center are exploring neighborhood evolution in a new light.

"For one thing, change does not necessarily mean decay. Some previously deteriorated areas of Boston have significantly gained strength over the last few years, both with and without urban renewal assistance. For another, even where deterioration is taking place, it does not necessarily progress predictably from block to block, neighborhood to neighborhood. For yet another, the factors

which influence stability or instability now appear to be highly complex and interrelated and closely tied to *perceptions* of future viability. Although it would be no more than a hypothetical quantity, 'an index of neighborhood confidence' might be one way to describe what we are talking about here.

"We are proposing a closer look at neighborhood evolution. This closer look will include the intangibles of attitude as much as the physical evidence. Furthermore, instead of searching for villains, the goal of the seminar will be to raise the level of understanding and discussion among all the actors directly involved. Together, we hope to analyze how all interact to bring about stronger or weaker neighborhoods."

(To be continued)

MAYOR HOSTS CHRISTMAS FESTIVAL ON BOSTON COMMON

Mayor Kevin H. White, on December 6, highlighted Boston's twentieth annual Christmas Festival by illuminating over 40,000 Christmas lights on Boston Common. The festival was sponsored by the Boston Parks and Recreation Department.

The Mayor was joined on the Parkman bandstand by William Friedkin, director of "The Brink's Job," and members of the cast. The movie was filmed in Boston over the last ten months.

"I am glad to be joined here tonight by the cast and crew from 'The Brink's Job.' They are here for what may be the most exciting Christmas in the downtown area to date. All over the city we are seeing new life; new confidence; and new prosperity. One city has much to be thankful for," Mayor White said.

Entertainment for the festival was provided by the Trumpets Ensemble directed by Mr. Roger Voisin of the Boston University School of Music, the Cambridge Symphonic Brass Ensemble, and the Hallelujah Chorus.

FIREWORKS ON GOVERNMENT CENTER

MBTA Chairman Robert R. Kiley issued this statement:

"The MBTA feels that the gathering of a large crowd late on New Year's Eve is unwise and dangerous because of the tradition of heavy drinking on New Year's Eve. The 125,000 people who gathered on the Boston Common last New Year's Eve included an unacceptably large number of people who were unruly and disruptive and who provoked threats to the public's safety, both on the Common and as they dispersed later.

"I believe that the time-honored, public policy of encouraging people to celebrate the coming of the New Year in small groups, and preferably in the safety of their homes, was a wise one. First-Night's, early-evening, cultural events have merit, but the late-night convocation, fueled by fireworks and extensive drinking, has become a dangerous event and should be curtailed.

"However, the city has made the decision to have fireworks at Government Center at 11 p.m., New Year's Eve, as the finale to the First-Night activities that are taking place throughout the city. We trust that the Mayor will do whatever is necessary to assure the protection of the public by Boston Police.

"The MBTA will provide as much service as is humanly and physically possible. Our goal remains as planned to have the last trains carry the last several hundred people at the regular closing hour, which is basically 12:30 a.m. We will do our best to accommodate the crowd."

LUNG ASSOCIATION SWINGS INTO CHRISTMAS SPIRIT

John J. Devlin, president of the American Lung Association of Boston, had good words for all the residents of the Greater Boston area and the cities and towns served by one of the country's oldest voluntary health agencies.

Said Devlin, "Following the traditional Thanksgiving holiday enjoyed

by young and old alike, by families of all ethnic and economic classes, it is a tradition to begin thinking joyfully about the coming Christmas season. One way to increase the joy of Christmas is to bring joy to someone else, maybe even joy to someone you've never seen or met. You can do this by supporting the Christmas Seal campaign of the American Lung Association of Boston. Contributions to the Christmas Seal campaign go a long way to underwriting the many health education and community service projects of our organization. The increased efforts to reduce cigarette smoking in this country, emphysema clubs, community efforts to keep air pollution under control, programs to aid workers disabled by on-the-job inhalation of asbestos fibers, these, and many more programs are all supported by the public's use of Christmas Seals."

Christmas Seal mailings have already been delivered to the Post Offices throughout the Greater Boston area, but if you have not received your special Christmas Seal packet, or would like to order more seals, you may do so by calling the American Lung Association of Boston at 426-8330, or writing to the organization at 51 Sleeper Street, Boston, Mass. 02210.

Advertising

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by noon, Monday of each week to insure its publication in the following Monday's issue.

TRAFFIC DEPARTMENT ANNOUNCEMENT

Parking to be prohibited on odd-numbered sides of streets during snow emergencies.

Traffic and Parking Commissioner Emily Lloyd, on December 2, announced winter parking regulations for declared snow emergencies.

This year parking will be prohibited on the odd-numbered side of streets during snow emergencies. The regulation will remain in effect, on a twenty-four-hour basis, until the emergency is officially lifted.

The regulation does not apply where parking is already prohibited on one or both sides of the street; along divided highways (such as Commonwealth Avenue); in areas where angle parking is permitted; and in municipal off-street, parking areas.

"The decision to restrict parking during legitimate snow emergencies is an effort both to ensure the health and safety of the city's residents, and to make certain that there will be parking spaces available for residents when there is no snow emergency," Commissioner Lloyd explained.

HERB GLEASON GOES TO HARVARD

Mayor White's statement on Corporation Counsel Herbert Gleason's acceptance of a Harvard teaching position.

"Herbert Gleason is one of the most dedicated and loyal public servants it has ever been my pleasure to know. He has served the city with dedication and distinction as corporation counsel over the past eleven years. His tenure has been marked by turmoil at times but he has risen to those occasions with intelligence and dignity. I will miss his advice and his friendship in the daily business of government and wish him well in his new academic pursuits."

If your mind should go blank, don't forget to turn off the sound.

MAYOR WHITE HEADS DELEGATION AT MEMPHIS DEMOCRATIC CONVENTION

Mayor Kevin H. White, on December 8, journeyed to Memphis, Tennessee, to take part in the deliberations of the Democratic Party's Mid-Term Convention.

The convention had been convened to chart the future course of the Democratic Party over the next two years.

While in Memphis, Mayor White, president of the National Conference of Democratic Mayors, led a delegation of big city mayors at a meeting with Vice-President Walter Mondale.

Said Mayor White, "This convention comes at a crucial time for the Democratic Party and the nation. We will be helping shape the future direction of the party, and I'm hoping frankly to influence the Carter administration on a variety of matters of concern to the cities of this country. I'm hoping to see the administration renew its commitment to the cities of America, and to their poor, their unemployed, and their underemployed.

OUR COVER DESIGN

Have you noticed how beautiful our front page looks? It was designed by the multi-talented Bill Costa, graphics designer of the Boston Redevelopment Authority and implemented by our capable fellow workers at the Printing Section of the City of Boston.

Any combination of talent plus cooperation is unbeatable. We have it here in City Hall and in all municipal departments. The *City Record* is proud to be a part of it.

Signs of the Times

In a needlework shop — it's a crewel, crewel world.

On an exterminator's truck — Termites, aunts, and other pests eliminated.

Billboard bank ad — The Loan Arranger and Pronto.

Marker in a national forest — Keep the red, white, and blue — green!

Display of peaches in New Jersey market — Ripe for eating. No teeth required.

**"T" PLANS TO EXTEND
"THE RIDE"**

The MBTA has plans over the next twelve months to extend The Ride, the special van/bus service for transportation of handicapped persons, to East Boston, South Boston, Charlestown, Somerville, Jamaica Plain, West Roxbury, and parts of Hyde Park, Roslindale, and Dorchester.

The MBTA Board of Directors has voted to authorize a twelve-month contract for up to \$700,144 with the private carrier, Transporting the Handicapped and Elderly in Massachusetts (THEM), Inc.

The timetable on the extension of service is still uncertain because it is dependent on the delivery of twenty new vans and four, medium-size buses to serve the area of some 36 square miles.

Currently, The Ride serves the 18-square-mile area of Allston, Brighton, Brookline, Fenway, South End, Downtown, Beacon Hill, Back Bay, Mission Hill, and Cambridge, with seven vehicles. Another five vans and two medium-sized buses are expected to be put into service early next year to improve service in this area.

In the first nine months of 1978, 1,030 handicapped persons used the daily, 75-cents-a-ride service more than 14,000 times.

In another action, the MBTA Board also authorized contracts to continue next year the following services: Hudson Bus Lines service in Hull at a cost of up to \$50,216 for twelve months; Hudson Bus Lines experimental service in Weymouth for two months for up to \$9,464; Rapid Transit, Inc. bus service in Winthrop for twelve months for up to \$467,780; Michaud Bus Lines service in Salem and Peabody for twelve months for up to \$101.824.

The continuation and expansion of the special service, The Ride, satisfies current federal regulations on transit services for the handicapped.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

SCHOOL DEPARTMENT Core Evaluations

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization of the amendment of a contract with Carney Hospital for the purpose of providing core evaluations for additional, low-incident children and for a large number of children under the jurisdiction of D.Y.S. (Division of Youth Services). The associate commissioner for special education has identified the target population of young offenders who are entitled to evaluations under chapter 766 and the Federal Education Law 94-142. In order to comply with this request, it is essential that evaluations be conducted by an agency skilled in addressing the special needs of young offenders and ex-offenders. The evaluation process will focus on those who are available to return to the community.

Because it has been determined that these children are in immediate need of special attention, and due to the professional nature of the services to be performed and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the Rate Setting Commission of the Commonwealth of Massachusetts.

As amended, the cost of the contract will not exceed \$16,000.

Very truly yours,
Edward J. Winter,
Secretary.

Trucking Services, etc.

Dear Mr. Mayor:

I respectfully request your approval to amend the original contract with the C. Walsh, Inc., 100 Southampton Street, Boston, Mass., for furnishing various types and sizes of moving vans for trucking services as follows:

The original contract dates of July 1, 1977, to June 30, 1978, be amended to read: July 1, 1977, to August 31, 1978.

This amendment is necessary to provide uninterrupted moving services for two additional months. There is no duplication of services nor will there be any increase in the total contract price of \$195,000.

The prices submitted on the original contract dated July 26, 1977, are reasonable and since it is a continuation of the existing contract no useful purpose would be gained by advertising.

Respectfully submitted,
Anthony L. Galeota,
Chief Structural Engineer.

Bilingual Services

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between Irls M. Zakl, associate psychologist, and the City of Boston, through its School Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$13,600, to \$17,600.
2. To extend the period of performance from October 18, 1977, through June 30, 1978, to October 18, 1977, through September 30, 1978.
3. To increase the travel expenses from \$200, to \$250.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between David G. Bakken, Ph.D., associate psychologist, and the City of Boston, through its School Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$12,000, to \$16,000.
2. To extend the period of Performance from November 21, 1977, through June 30, 1978, to November 21, 1977, through September 30, 1978.
3. To increase the travel expenses from \$200, to \$250.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between Salvatore T. Morano, field testing and data coordinator, and the City of Boston, through its School

Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$13,311, to \$17,226.
2. To extend the period of performance from October 17, 1977, through June 30, 1978, to October 17, 1977, through September 30, 1978.
3. To increase the travel expenses from \$600, to \$650.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between May C. Shih, assistant in Chinese linguistics, and the City of Boston, through its School Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$7,200, to \$8,550.
2. To extend the period of performance from November 22, 1977, through June 30, 1978, to November 22, 1977, through September 30, 1978.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

(Continued on next page)

CONTRACTS AMENDED

(Continued from previous page)

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between Ana E. Cordero, assistant in Spanish linguistics, and the City of Boston, through its School Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$5,025, to \$8,175.
2. To extend the period of performance from February 28, 1977, through June 30, 1978, to February 28, 1977, through September 30, 1978.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

I am respectfully writing to request an amendment to the contract between Robert S. Sterling-Smith, Ph.D., coordinator, and the City of Boston, through its School Committee and the ESAA Bilingual Testing and Measurement Component (c/o Blackstone Square Elementary School, 380 Shawmut Avenue, Boston, MA 02118).

Please amend this contract as follows:

1. To increase the payment amount from \$18,224, to \$24,120.
2. To extend the period of performance from October 18, 1977, through June 30, 1978, to October 17, 1977, through September 30, 1978.
3. To increase the travel expenses from \$660, to \$835.

The ESAA Bilingual Testing and Measurement Component of the Boston Public Schools has experienced some unavoidable delays in the implementation of some of its activities relative to the development of the Placement Evaluation Battery for use with bilingual pupils in the Boston Public Schools. These activities, within the guidelines of the proposal objectives, take time to implement and an amendment to this contract is necessary in order to complete the development of the component's products for classroom use.

This amendment to the agreement is to be executed, without an appropriation to the city, under the provisions of G.L. c.44, s. 53A, and is to be made subject to the receipt of funds under the Emergency School Aid Act, Special Projects Grant No. G00-77-030-67.

Very truly yours,

Edward J. Winter,
Secretary.

Leasing of Typewriters

Dear Mr. Mayor:

Your authorization is requested for the amendment of the contract to International Business Machines Corporation (IBM) for the leasing of IBM typewriters for the length of the grant extension.

Please amend this contract to read \$7,751.70. The original term of this contract provided for the use of IBM typewriters for nine months of service (see attached letter of October 1, 1977).

This amendment is requested in order that the typewriters may be used for the remainder of the grant extension. (July 1 to September 30, 1978).

Funds for this payment are included within the present ESAA Basic Project extension, Federal Grant No. G01-77-525-08.

Very truly yours,

Leo J. Burke,
Business Manager.

Modernization of Heating System

Dear Mr. Mayor:

I request your approval of my action to amend the contract with the Enterprise Equipment Co., Inc., 178 Neponset Avenue, Dorchester, Mass., for modernization of heating system in the Winship School, 54 Dighton Street, Brighton, Mass., from \$99,680, to \$105,100.

This amendment becomes necessary because on February 1, 1978, subbids were received for modernization of heating system in the Winship School. All subbids were rejected for masonry and allowance of \$3,500 was carried by all of the general contractors for masonry work. Invited subbids were sent out to five contractors and the prices received were as follows:

Enterprise Equipment Co., Inc., \$8,920; Zampell Refractories, Inc., no bid; Charles Bunn, no bid; Eastern Refractories, Inc., no bid; John Palumbo Co., no bid.

The lowest acceptable bidder was submitted by Enterprise Equipment Co., 178 Neponset Avenue, Dorchester, Mass., in the amount of \$8,920. The price of the general contractor was amended from \$99,680, to \$105,100, which reflects a difference of \$5,420.

Respectfully submitted,

Anthony L. Galeota,
Chief Structural Engineer.

TREASURY DEPARTMENT Mailgrams

Dear Mr. Mayor:

On January 9, 1978, this department awarded a contract approved by your Honor, without public advertising, to Western Union Telegraph Company of 230 Congress Street, Boston, MA. 02110, during the period July 1, 1977, through June 30, 1978, at a cost not to exceed \$20,000.

Your authorization is requested to amend this contract by \$25,000. The cost of the contract, as amended, shall not exceed \$45,000.

We originally anticipated spending approximately \$20,000 on Mailgrams, but because of the response from delinquent taxpayers to the Mailgrams, we would like to expand the use of their services into prior years' delinquent tax accounts (Western Union is the only supplier of this service), and because of the quality of the service provided, it is my opinion that public interest would not be served by the

advertisement for bid. I deem the above cost to be reasonable.

Very truly yours,

James V. Young,
Collector-Treasurer.

SUFFOLK COUNTY District Attorney's Office Auditing Services

Dear Mr. Mayor:

I respectfully request your Honor's written permission to dispense with public advertising and to award an amendment to the existing contract with Touche Ross and Co., a firm of certified public accountants with offices at One Boston Place, Boston, Mass., for auditing services in connection with an investigation of transportation carriers under contract with the City of Boston.

The District Attorney's Office was empowered by a vote of the Grand Jury to engage Touche Ross and Co. to investigate certain records.

Compensation under this contract was not to exceed \$100,000. The term of the contract was from July 7, 1976, to October 15, 1976, but because of court delays the money was held in unliquidated reserve by the city for the 1977-1978 fiscal year.

The Touche Ross Co. justified additional billing (please see attached) at \$75,500, but a settlement has been reached at \$25,000. This cost I feel is reasonable for services rendered.

Because of the existing contract and the specialized nature of the contract, I feel public advertising would serve no useful purpose.

Very truly yours,

Garrett H. Byrne,
District Attorney.

FIRE DEPARTMENT ORDERS

December 1.

General Order No. 64

I. FIRE FIGHTER ROBERT M. GREENE

It is with deep regret that the Fire Commissioner announces the death of Fire Fighter Robert M. Greene of Ladder Company 23, who died on November 27, 1978, as a result of injuries received in the line of duty at Box 332 on November 25, 1978. Fire Fighter Greene was appointed to the department September 1, 1964.

The funeral was held from the John J. O'Connor & Son Funeral Home, 740 Adam Street, Dorchester, at 0900 hours, Friday, December 1, 1978, followed by a Funeral Mass in St. Gregory's Church, Dorchester, at 1000 hours.

The Fire Commissioner made the customary detail to act as funeral escort and members of Ladder Company 23, Training and Research Division, Fire Prevention Division, and Headquarters were excused to attend the services.

II. REINSTATEMENT

The following reinstatement became effective at 0800, November 29, 1978.

Fire Fighter Dwight H. Brown, Engine Company 33.

III. TRANSFERS

The following transfers will become effective at 0800, December 6, 1978:

Dist. Fire Chief John J. Hurley, from Special Service, to District 3.

Fire Lieut. Paul L. Saulnier, from Engine Company 48, to Engine Company 54.
 Fire Lieut. Francis T. McAlpine, from Headquarters, to Engine Company 48.
 Fire Lieut. Edward E. McGrady, from Headquarters, to Engine Company 8.
 Fire Lieut. James D. Mullen, from Headquarters, to Engine Company 29.
 Fire Fighter Philip J. Jordan, from Engine Company 34, to Engine Company 48.
 Fire Fighter Arthur W. Connors, from Ladder Company 11, to Aerial Tower 2.
 Fire Fighter Thomas J. McDonough, from Ladder Company 25, to Ladder Company 13.
 Fire Fighter Michael J. Cedorchuck, from Engine Company 7, to Ladder Company 17.
 Fire Fighter Christopher J. Harris, from Personnel (Medical), to Maintenance Division.
 Fire Fighter Michael J. Guarente, from Engine Company 40, to Engine Company 45.
 Fire Fighter Andrew J. Rotondo, from Engine Company 29, to Ladder Company 25.
 Fire Fighter Carl F. Cuqua, from Personnel (Medical), to Training and Research Division.
 Fire Fighter Joseph T. McDonnell, from Engine Company 51, to Engine Company 37.
 Fire Fighter Isaiah Cleckley, from Engine Company 20, to Engine Company 42.
 Fire Fighter Richard M. Quinlan, from Engine Company 42, to Ladder Company 15.
 Fire Fighter William E. Mulloy, from Engine Company 8, to Engine Company 20.
 Fire Fighter John B. Fitzgerald, from Engine Company 34, to Engine Company 8.
 Fire Fighter David L. Seaver, from Aerial Tower 1, to Engine Company 49.
 Fire Fighter Daniel W. Grant, from Engine Company 25, to Engine Company 30.
 The following members will be transferred to Personnel Division (Medical), at 0800 hours, December 6, 1978.
 Fire Fighter Salvatore R. Russo, Engine Company 11.
 Fire Fighter Frank N. Forte, Engine Company 30.

IV. COMPANY DRILLS

Officers conducting company drills during the period December 1, to December 31, 1978, shall use as subject matter the "Safe Driving Program" Bulletin D-2 and the Motor Vehicle General Laws, chapter 89, sections 7, 7A, 7B, and chapter 90, section 14. Copies of the safe driving bulletin and the Motor Vehicle General Laws are being distributed with this order.

V. RIFLE HONOR GUARD

Rifle honor guard drills for December will be held on December 14th and December 28th, from 1800 to 2230 hours, at Memorial Hall at Headquarters.

VI. HAZARDOUS BUILDING

The wooden frame unoccupied building at 8 Standard Street, Mattapan, District 8, is in hazardous condition due to the second-floor, rear porch in a state of collapse. This building has been posted. In case of fire in this building, members shall use extreme caution.

VII. COMMENDATION

On October 25, 1978, the department responded to Box 7252, incident No. 47605, for which two alarms were sounded.

Upon arrival of the companies at the scene, members were informed that a woman and her baby were trapped on the third floor of 87 Roseclair Street.

Fire Captain Warren A. Hardy, Ladder Company 7, and Fire Fighter Robert X. Dunkle, Ladder Company 20, immediately entered the building and made their way to the third-floor apartment through intense heat and heavy smoke to reach the trapped woman and baby. Fire Captain Hardy assisted the woman to safety and Fire Fighter Dunkle carried the baby out of the burning building to safety; thereby preventing serious injury or death of these two victims.

The Fire Commissioner is pleased to commend Fire Captain Hardy and Fire Fighter Dunkle for their rescues made under dangerous conditions.

RETIREMENTS

November 30.

To the Auditor.

The applications for retirement of the following-named have been received to be effective in accordance with sections 5, 6, 7, and 10 of chapter 32, G.L., as amended.

ADMINISTRATIVE SERVICES DEPARTMENT

Printing Section

Marjorie Callinan, compositor.

Attest:

HAROLD B. SACKS,
Secretary.

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

To settle for \$500 the claim of Garrett S. Bona, 152 Liberty Street, Quincy, to be reimbursed for damage to his car while being towed from Harrison Avenue, Boston, August 3, 1978.

To settle for \$47.70 the claim of Mary Joan Willard, 91 Abbotsford Street, Brookline, to be reimbursed for damage to her car while being towed from Commonwealth Avenue, Boston, August 9, 1978.

To settle for \$212 the claim of Dale Wischkin, 21 Kinross Road, Brookline, to be reimbursed for damage to his car while being towed from North Street, Boston, August 2, 1978.

To settle for \$175 the claim of Jeanette Small, P.O. Box 615, Roxbury, to be reimbursed for damage to her motor vehicle as a result of a defect in the roadway of Blue Hill Avenue, Dorchester, April 13, 1978.

To settle for \$361.08 the claim of Maureen Rose, 414 Winthrop Street, Medford, to be reimbursed for damage to her motor vehicle as a result of a defect in the roadway of Stuart Street, Boston, October 16, 1977.

To settle for \$13.76 the claim of Phyllis Rawlins, 337 Allston Street, Cambridge, to be reimbursed for damage to her motor vehicle as a result of a defect in the roadway of Massachusetts Avenue, Boston, April 16, 1978.

To settle for \$124.15 the claim of Michael Piantadosi, 33 Hardwick Street, Brighton, to be reimbursed for damage to his motor vehicle as a result of a defect in the roadway of Dunboy Street, Brighton, March 20, 1978.

To settle for \$397.20 the claim of Wallace F. X. Healy, 50 Tuttle Street, Wakefield, to be reimbursed for damage to his car while being towed from Otis Street, Boston, September 16, 1978.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without public advertising, based on the following communications:

LIBRARY DEPARTMENT

Radios, etc.

On September 22, 1976, there was entered into with Motorola Communications and Electronics, Inc., 85 Harristown Road, Glen Rock, New Jersey, a contract for rental and maintenance of five, portable, two-way radios and one multi-unit charger for the period July 1, 1976, through June 30, 1977.

Your Honor has given approval for the award of this contract following a public advertisement and public opening of bids. Bids had been invited and submitted for the above-mentioned work during the period stated, with option for renewal at the discretion of the official, as of July 1, 1977, and as of July 1, 1978.

Inasmuch as the Motorola firm has performed to the satisfaction of the Library, and believing it to be in the best interest of the city and of the Library to exercise the option to renew, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, has taken the following action:

Voted, That, without public advertising, there be entered into with Motorola Communications and Electronics, Inc., 85 Harristown Road, Glen Rock, New Jersey, a contract for rental and maintenance of five, portable, two-way radios and multi-unit charger during the period July 1, 1978, through June 30, 1979, at a total cost not to exceed \$2,039.88.

The permission of your Honor is therefore requested to enter into a contract with Motorola Communications and Electronics, Inc., for the above work at the original contract price of \$2,039.88 and without publicly readvertising for bids.

Respectfully,

The Board of Trustees in Charge of the
Library Department of the City of Boston,
Philip J. McNiff,
Director.

Storage Space

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests that you approve the signing of an agreement with the New England Deposit Library for the storage of books and other library materials for the period July 1, 1978, through June 30, 1979.

The New England Deposit Library building is located at 135 Western Avenue, Allston. The institution was created by action of the General Court of the Commonwealth of Massachusetts under terms of chapter 240 of the Statutes of 1941. The act names the Boston Public Library as a participating institution, together with the Massachusetts State College, the Boston Athenaeum, Boston College, Boston University, Simmons College, the Massachusetts Historical Society, and other libraries, for the purpose of providing storage space for books and other library materials for which there is only occasional use and for which storage

space is not available in intensively used library buildings. The participating institutions share cooperatively in the low-cost housing arrangements provided by the New England Deposit Library in accordance with a schedule of rates standard for all participating institutions.

The Trustees have set a limit of \$9,145.50 on the amount to be expended for storage space for the period of the agreement and have taken the following action:

Voted, That, there be entered into with the New England Deposit Library, 135 Western Avenue, Allston, Mass., and agreement for the rental during the period July 1, 1978, through June 30, 1979, of storage space therein for books and other library materials belonging to the Boston Public Library, in accordance with the rate for storage space formally adopted by the governing board of said New England Deposit Library.

Inasmuch as the total cost of the storage space will exceed \$2,000, there is respectfully requested permission of your Honor to enter into this agreement without publicly advertising for bids.

Respectfully,

The Board of Trustees in Charge of the Library
Department of the City of Boston,
Philip J. McNiff,
Director.

Dear Mr. Mayor:

On August 15, 1977, there was entered into with Balco, Inc., 160 Charlemont Street, Newton, Mass. a contract for the operation and servicing of heating, ventilating, and air-conditioning systems, electrical system, and equipment, as well as plumbing systems, throughout the various units of the Boston Public Library, during the period July 1, 1977, through June 30, 1978.

Your Honor had given approval for the award of this contract following a public advertisement and public opening of bids. Bids were invited and submitted for the above-mentioned work during the period July 1, 1977, through June 30, 1978, with option for renewal as of July 1, 1978, and as of July 1, 1978, at bid price. The option was to be that of the official.

During the period from July 1, 1977, to date, Balco, Inc., has performed to the satisfaction of the Library. Their acquaintance with the Library's plant and its problems should be desirable asset if the firm is allowed to continue the contract work for another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the official, has taken the following action:

Voted, That, without public advertising, there be entered into with Balco, Inc., 160 Charlemont Street, Newton, Mass., a contract for the operation and servicing of heating, ventilating, and air-conditioning system, electrical system, and equipment, as well as plumbing system, throughout the Library system during the period July 1, 1978, through June 30, 1979, at a total cost not to exceed \$146,172.48.

The permission of your Honor is therefore respectfully requested to enter into a contract with Balco, Inc., for the above work at the

original bid price of \$146,172.48, without publicly advertising for bids.

Respectfully,

The Board of Trustees in Charge of the
Library Department of the City of Boston,
Philip J. McNiff,
Director.

MAYOR'S OFFICE

Advertising Services

Dear Mayor White:

I hereby request your permission to dispense with public bidding and to award a contract in an amount not to exceed \$15,000, to 760 Associates, graphic design and public relations consultants, located at 35 Wykeham Road, West Newton, Mass. 02165, for the preparation of materials advertising the Mayor's Office of Fair Housing. Payment for this contract will be made from Community Development Block funds (third year). I have determined that the contract cost is reasonable.

Under the terms of the agreement, 760 Associates will work with the Mayor's Office of Fair Housing to make the public aware of the Mayor's Office of Fair Housing and its service capabilities. This program will include the development of TV and radio public service announcements; development and production of subway posters and cards; development and production of standard newspaper advertisements; development and production of public information materials, including a brochure on the complaints mechanism within this office; and the development of a logo to represent the Mayor's Office of Fair Housing.

Under the terms of the agreement, it will be specified in the contract that the period of performance shall continue from March 27, 1978, but shall not exceed beyond November 1, 1978, without prior approval from the city.

760 Associates is a minority-owned business which has contracted with the City of Boston for the development of advertising materials for several other city departments. Due to the experience and success of this organization in providing services, and the fact that they submitted the lowest estimate of the four firms which were solicited to give estimates for this project (760 Associates, \$2,300; Allison Associates, \$2,500; RKP Associates, \$4,400; Maslow, Gold, and Rothschild, Inc., \$10,010), I recommend that a contractual relationship between the city and 760 Associates be established at this time.

Moreover, it is my view that public advertising would not serve any useful or practical purpose.

Sincerely,

Eric McFadden,
Director, Office of Fair Housing.

OFFICE OF HOUSING

Leasing Certain Premises

Dear Mayor White:

I respectfully request permission to dispense with public advertising in the City Record for the leasing of an estimated 696 square feet of space in the building located at 232 Bunker Hill Street, Charlestown, and to enter into a lease with the William Picard Trust, 255 Bunker Hill Street, Charlestown, for this space. The premises are needed by this department as a local office in connection

with the Housing Improvement Program, a federally subsidized program. Your approval will permit the Housing Inspection Department to exercise the renewal option clause.

The proposed lease is for a term of one year — July 1, 1978, to June 30, 1979 — with options on the part of the city of extend the term for an additional year. The proposed rental fee is \$360 per month. This cost is reasonable.

It is my opinion that nothing is to be gained by public advertising as this location is suitable for conducting program activities.

Very truly yours,

John A. Vitagliano,
Commissioner.

PARKS AND RECREATION DEPARTMENT

Cruises

Dear Mayor White:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to Bay State-Spray and Provincetown Steamship, Inc., 20 Long Wharf, Boston, Mass., for providing windjammer excursion cruises to groups of children from various playgrounds and recreation centers within the City of Boston. The cost to the city will not exceed \$3,700, which will be taken from the Randidge Trust Fund Income, Code 7-81-45. This cost breaks down to \$3.10 per child for twenty-six cruises; forty-five children will be taken on each cruise. This is a very reasonable price. The contract will be for a period of July 12, 1978, to August 29, 1978.

As the proposed contract is to be one for the performance of services of a special and unique nature, there being no other windjammer cruises available in the City of Boston, and due to the fact that this company has provided said cruises for the past six years to our satisfaction, a public solicitation for bids would serve no useful purpose.

Very truly yours,

Alan M. Austin,
Commissioner.

POLICE DEPARTMENT

Various Repair Work

Dear Sir:

On May 8, 1978, this department, by an advertisement appearing in the *City Record*, invited interested competent persons and firms customarily engaged in performing miscellaneous building repair work, located within a reasonable distance of Boston Police Department buildings, whether or not located within the City of Boston, to enter into a contract with the city for estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing repairs to Police Department buildings.

Because of insufficient response to formal public bids in the past and the repetitive need for minor repairs to Police Department facilities, the Police, Auditing, and Law Departments have developed a method to allow bids on work amounting to less than \$2,000, with the lowest written offer in each case receiving the work. This method enables the city to obtain the most economical prices per unit of work and to complete necessary repairs in the most efficient manner.

The May 8, 1978, invitation resulted in the following firms, located within a reasonable

distance of Police Department buildings, declaring their intent to enter into a contract with the city under the above conditions. I therefore, respectfully request your Honor's written authorization to dispense with further public advertising and to enter into a contract with the below named firms:

Suffolk Specialties Co., Inc., 108 South Street, Jamaica Plain, MA 02130; Thomas J. Foley, 83 Chestnut Street, Boston, MA 02108; Certified Pest Control Co., Inc., 33 Highland Avenue Needham, MA 02194; Consolidated, Inc., 390 Water Street, Quincy, MA 02169; A.A. Glass Mobile, Inc., 62 Ritchfield Street, Dorchester, MA 02125.

John W. Graham, 464 Albany Street, Boston MA 02118; Alliance Glass Corp., 902 Dorchester Avenue, Boston MA 02125; Clifford Construction Co., Inc., 9 Oliver Street, Randolph, MA 02368; J. Stevens Co., Inc., d/b/a Stevens Hardware, 1832 Centre Street, West Roxbury, Mass.

George Robbins & Co., Inc., 21 Soldiers Field Place, Brighton, MA 02135; J. McCusker Inc., 755 Boylston Street, Boston, MA 02116; Bay State Service Inc., 76 Kent Street, Brookline, Mass.; D & F Plumbing & Heating Co., Inc., 375 Centre Street, Jamaica Plain, MA 02130; John C. Harvey, d/b/a City Lock Co., 1977 Centre Street West Roxbury, Mass.

National Plate & Window Glass Co., Inc., 216 McGrath Highway, Somerville, MA 02143; Patrick J. Kennedy & Sons Co., Inc., 64 Pembroke Street, Boston, MA 02118; Montserrat Limited Inc., 85 East India Row, Boston, MA 02110; P.J. Janis Co., Inc., 10 Brookley Road, Jamaica Plain, MA 02130; Edward J. Morin, d/b/a J.E. Morin, 32 Allerton Street, Boston, MA 02119.

Robert Millen & Sons Co., Inc., 659 East Broadway, South Boston, MA 02127; Francis L. Caulfield, 2 Winter Street, Weymouth, MA 02188; Cox Associates General Contractors, Inc., 39 Allen Avenue, Lynn, MA 01902; Jamaica Plumbing & Heating Co., Inc., 69 South Street, Jamaica Plain, MA 02130; Leon F. Tracey, d/b/a New England Petroleum Equipment Co., 1094 Commonwealth Avenue, Boston, MA 02215.

I propose to enter into one contract to be signed by each of the firms. In no event shall the payments to be made by nor the liability of the city under this contract for the period July 1, 1978, through June 30, 1979, exceed the total sum of \$136,185.

Very truly yours,

Joseph M. Jordan,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Leasing Certain Premises

Dear Mayor White:

Under a delegation of its power from the Public Facilities Commission to the director of Public Facilities, I hereby respectfully request your Honor's written authority to dispense with public advertising in extending the lease of certain premises deemed necessary and convenient by the director for the department of the Mayor, Youth Activities Commission purposes. There is a further delegation of power from the Commission to the director to execute such lease, or extension thereof, upon receipt of said written authority for the Mayor of Boston.

The demised premises consist of approximately 2,000 square feet of space on the ground floor of the building at 412 Tremont Street, Boston.

The terms of the lease will be twelve months, beginning July 1, 1977, and terminating June 30, 1978.

The monthly rental will be \$350, with the total cost of this lease not to exceed \$4,200. I have determined that this cost is reasonable.

Since these facilities are both adequate and convenient, it is not felt by the writer that public advertising would be useful in this instance.

Very truly yours,

Victor E. Hagan,
Director.

Dear Mayor White:

Under a delegation of its power from the Public Facilities Commission to the director of Public Facilities, I hereby respectfully request your Honor's written authority to dispense with public advertising in leasing certain premises deemed necessary and convenient by the director for the department of the Mayor, Office of Public Service purposes. There is a further delegation of power from the Commission to the director to execute such lease, or extension thereof, upon receipt of said written authority from the Mayor of Boston.

The demised premises consist of a storefront office of approximately 2,500 square feet at 562 Columbia Road, Dorchester, Mass., used as the site of the Uphams Corner Little City Hall.

The term of the lease will be twelve months, beginning July 1, 1977, and ending June 30, 1978.

The monthly rental will be \$450, with the total cost of this term not to exceed \$5,400. I have determined that this cost is reasonable.

Since these facilities are both adequate and convenient, it is not felt by the writer that public advertising would be useful in this instance.

Very truly yours,

Victor E. Hagan,
Acting Director.

Dear Mayor White:

Under a delegation of its power from the Public Facilities Commission to the director of Public Facilities, I hereby respectfully request your Honor's written authority to dispense with public advertising in extending the term of the lease of certain premises deemed necessary and convenient by the director for Library Department purposes. There is a further delegation of power from the Commission to the director to execute such lease, or extension thereof, upon receipt of said written authority from the Mayor of Boston.

The demised premises consist of the entire building, owned by the lessor at 18 Barnes Avenue, East Boston. The term of the lease will be twelve months, beginning July 1, 1977, and terminating June 30, 1978. The monthly rental will be \$666.50, with the rental charge for this extension not to exceed \$7,998. The lease is to be renewed under the same terms and conditions of the lease dated June 9, 1973. I have determined that this cost is reasonable.

(Continued on next page)

CONTRACTS AWARDED WITHOUT ADVERTISING

(Continued from previous page)

Since these facilities are both adequate and convenient, it is not felt by the writer that public advertising would be useful in this instance.

Very truly yours,
Victor E. Hagan,
Acting Director.

Cost Evaluation

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on March 30, 1978, I hereby request your Honor's written authority to dispense with public advertising, and to award a contract to Warren L. Carney, 82 Rindone Street, Holbrook, Mass. 02343.

Under the term of the contract, Warren L. Carney will continue to provide cost evaluation and estimating services for City of Boston construction projects, during the period from July 1, 1978, to June 30, 1979, at a cost for such services not to exceed \$27,000 (including \$750 for directly related, out-of-pocket expenses specifically authorized by and under the contract), payable as set forth in the contract, which is my opinion, is a reasonable contract cost.

In view of the professional and technical nature of the services to be performed, it is believed that public advertising would serve no useful purpose.

Respectfully,
Victor E. Hagan,
Director.

Engineering Services

Dear Mr. Mayor:

Pursuant to a recent vote of the Public Facilities Commission, I hereby request your Honor's written authority to dispense with inviting proposals by advertisement in the *City Record*, and to award a contract to Robert W. Sullivan, Inc., consulting engineers, a Massachusetts corporation with offices at 38 Newbury Street, Boston, Mass.

Under the term of the contract, Robert W. Sullivan, Inc., will provide engineering services in the preparation of plans, specifications, construction cost estimates, and supervision of construction for repairs to the mechanical and electrical systems and swimming pool equipment in four Parks and Recreation Department indoor swimming pools at various locations in the city, at a cost for such services of 10.65 percent (1967 Engineers A rate) of the presently estimated cost of construction of \$98,000, the cost of the proposed services, not to exceed \$14,437 (including \$4,000 for supplementary services), which in my opinion, is a reasonable contract cost.

Due to the professional and technical nature of the services to be performed, it is my judgment that public advertising will serve no useful purpose.

Respectfully,
Victor E. Hagan,
Acting Director.

Dear Mr. Mayor:

Pursuant to a recent vote of the Public Facilities Commission, I request your Honor's written authority to dispense with inviting pro-

posals by advertisement in the *City Record*, and to award a contract to Brown, Rona Inc., consulting engineers, a Massachusetts corporation, of 711 Boylston Street, Boston, Mass.

Under the term of the contract, Brown, Rona Inc., will provide engineering services to conduct a thorough investigation of the existing conditions of the roofing construction and the materials on the various roof levels of the old building portion of the Suffolk County Court House and prepare a written report to include remedial action necessary and the cost estimates to repair or replace to correct the frequent loss of roofing materials at a cost for such services not to exceed \$5,000 (including \$2,000 for supplementary services), payable in accordance with the categorical hourly rates to be set forth in the contract times 2.5, which in my opinion, is a reasonable contract cost.

Due to the technical and professional nature of the services to be performed, it is my judgment that public advertising will serve no useful purpose.

Respectfully,
Victor E. Hagan,
Acting Director.

Dear Mr. Mayor:

Pursuant to a recent vote of the Public Facilities Commission, I hereby request your Honor's written authority to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to Bayside Engineering Associates, Inc., consulting engineers/architects, a Massachusetts corporation with offices at 286 Summer Street, Boston, Mass.

Under the terms of the contract, Bayside Engineering Associates will provide engineering services in the preparation of plans, specifications, construction cost estimates, and supervision of construction of repairs of damage caused by the blizzard of February 6-8, 1978 (and declared eligible for relief under the Federal Disaster Assistance Act) to the electrical primary and secondary distribution systems and exterior security lighting at the Deer Island House of Correction and the Long Island Hospital, at a cost for such services of 10.68 percent (1967 Engineers A rate) of the presently estimated cost of construction of \$97,000, the cost of the proposed services not to exceed \$13,360 (including \$3,000 for supplementary services); which, in my opinion, is a reasonable contract cost.

Due to the professional and technical nature of the services to be performed, it is my judgment that public advertising would serve no useful purpose.

Respectfully,
Victor E. Hagan,
Acting Director.

Architectural Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on May 10, 1978, I hereby request your Honor's written authority to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to Whitney-Atwood-Norcross Associates, Inc., architects, a Massachusetts corporation, of 256 Boylston Street, Boston, Mass.

Under the terms of the contract, Whitney-Atwood-Norcross Associates will provide

Phase 1 architectural services in preparation of preliminary design and design development drawings, including outline specifications and construction cost estimates in connection with the total renovation of the Dowling Building at Boston City Hospital, with enclosed connector to the Outpatient Department, at a cost for such services of 8.23 percent (1967 A.I.A. C rate including 1.55 percent for A & R) of the presently estimated cost of construction of \$10.5 million times 35 percent for the basic fee, the cost of the proposed services not to exceed \$531,452 (including \$229,000 for supplementary services), which in my opinion, is a reasonable contract cost.

Due to the professional and technical nature of the services to be performed, it is my judgment that public advertising would serve no useful purpose.

Respectfully,
Victor E. Hagan,
Acting Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on May 10, 1978, I hereby request your Honor's written authority to dispense with inviting proposals by advertising in the *City Record*, and to award a contract to Whitney-Atwood-Norcross Associates, Inc., architects, a Massachusetts corporation, of 256 Boylston Street, Boston, Mass.

Under the terms of the contract, Whitney-Atwood-Norcross Associates will provide architectural services in the preparation of plans, specifications, and construction cost estimates, and will supervise construction of the Phase II modifications for the conversion of the Barnes Middle School to the Mario Umana Harborside School of Science and Technology, at a cost for such services of 11.264 percent (1967 A.I.A. B rate including 2.5 percent for A & R) of the presently estimated cost of construction of \$280,000, the cost of the proposed services not to exceed \$45,539 (including \$14,000 for supplementary services), which, in my opinion, is a reasonable contract cost.

Due to the technical and professional nature of the services to be performed, it is my judgment that public advertising would serve no useful purpose.

Respectfully,
Victor E. Hagan,
Acting Director.

PUBLIC WORKS DEPARTMENT Bridge Repairs

Dear Mr. Mayor:

On May 8, 1978, the Chelsea Street Bridge over Chelsea Creek which connects Boston with Chelsea, was struck by a seagoing vessel, resulting in damages to the bridge estimated at \$25,000.

Inasmuch as this bridge represents a major artery for seagoing and vehicular traffic and is a vital link between Chelsea and Boston and only recently became operable after being out of operation for more than two years due to a similar accident, it is imperative that steps be immediately taken to insure that repairs are implemented with as little delay as necessary.

Therefore, I respectfully request that public advertising be suspended and a contract be awarded to the Bonacorso Construction Com-

any, 89 Veterans Road, Winthrop, Mass., who currently have a bridge contract with the City of Boston and have done a great deal of bridge work for the City of Boston in the past. Their work performance has always been satisfactory.

They are a capable and competent firm and it has been determined that the repair work will take approximately two weeks to perform.

The estimate of \$25,000 is, in my opinion, a reasonable cost for the work to be done. Payment will be on a cost-plus basis, in keeping with Article 3 of the standard City of Boston Public Works Department contract.

Very truly yours,

Joseph F. Casazza,
Commissioner of Public Works.

REAL PROPERTY DEPARTMENT Advertising Services

Your Honor:

I respectfully request your written permission to dispense with inviting proposals in the *City Record*, for the awarding of a contract to the *Boston Herald American*, 300 Harrison Avenue, Boston, Mass.

This contract to be entered into with the *Boston Herald American*, is to cover the weekly advertising of public auctions on foreclosed properties, and also the advertising for the leasing of parking facilities under the control of this department.

The period of this agreement is July 1, 1978, through June 30, 1979. The total cost of this contract is not to exceed \$15,000.

In view of the circumstances, I feel that public advertising would serve no useful purpose.

Sincerely yours,

Joanne A. Prevost,
Commissioner.

Your Honor:

I respectfully request your written permission to dispense with inviting proposals in the *City Record*, for the awarding of a contract to the *Boston Globe*, 135 William Morrissey Boulevard, Dorchester, Mass.

This contract to be entered into with the *Boston Globe*, is to cover the weekly advertising of public auctions on foreclosed properties, and also the advertising for the leasing of parking facilities under the control of this department.

The period of this agreement is July 1, 1978, through June 30, 1979. The total cost of this contract is not to exceed \$15,000.

In view of the circumstances, I feel that public advertising would serve no useful purpose.

Sincerely yours,

Joanne A. Prevost,
Commissioner.

SCHOOL DEPARTMENT Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Baird Center, a division of Boston Children's Services, 867 Boylston Street, Boston, MA 02116, for the providing of special educational services to ten

Boston Public School children in accordance with M.G.L., c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$104,755, from July 1, 1978, until June 30, 1979.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Bay Cove Day Care Center for Children, Tufts-New England Medical Center Hospital, 171 Harrison Avenue, Box 1002, Boston, MA 02111, for the providing of special educational services to thirty Boston Public School children in accordance with M.G.L., c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$743,583.90, from July 1, 1978, until June 30, 1979.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Boston School for the Deaf, 800 North Main Street, Randolph, MA 02368, for the providing of special educational services to two Boston Public School children in accordance with M.G.L., c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$10,640, from July 1, 1976, until June 30, 1977.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational

plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

Edward J. Winter,
Secretary.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston and upon the recommendation of its Board of Superintendents, I request your authorization for the award of a contract, without public advertising, to the Boston School for the Deaf, 800 North Main Street, Randolph, MA 02368, for the providing of special educational services to three Boston Public School children in accordance with M.G.L., c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost of \$15,240, from July 1, 1977, until June 30, 1978.

The facility will provide thereunder educational services to Boston Public School pupils in accordance with each child's educational plan devised for him by the School Department staff.

Because it has been determined that this child or these children is/are in immediate need of special attention, and due to the professional nature of the services to be performed, and the expertise of the facility in this area, it is the determination of the School Committee that the public interest would not be served by public advertising for bids. Payments to this facility will be based on the rate structure established by the Rate Setting Commission of the Commonwealth of Massachusetts.

Very truly yours,

Edward J. Winter,
Secretary.

VETERAN'S RETIREMENT

The Boston Retirement Board has approved the following veteran's application for retirement.

Raymond F. Chisholm, 89 Edgewater Road, Hull, senior building custodian, Services Division, Police Department.

ADMINISTRATIVE SERVICES DEPARTMENT—PURCHASING DIVISION

INVITATION FOR SEALED BIDS FOR FURNISHING GOODS AND MATERIALS

Proposal No. 243—LUMBER to the BOSTON FIRE DEPARTMENT — Bid Opening Date Tuesday, January 2, 1979. (Appropriation Code 1-02-21-39-2.)

Proposal No. 244—AUTOMOTIVE EQUIPMENT (STATION WAGONS) to the VARIOUS CITY DEPARTMENTS — Bid Opening Date Wednesday, January 3, 1979.

Proposal No. 245—PRINTED FORMS to the TREASURY-COLLECTION DEPARTMENT — Bid Opening Date Thursday, January 4, 1979. (Appropriation Code 1-01-37-36-2.)

The City of Boston, by its Purchasing Agent, hereby invites sealed bids for furnishing, in accordance with order, goods or materials as above set forth. EVERY BID MUST BE—

(A) — Submitted on a form obtained from the Purchasing Agent at Room 613, 1 City Hall Square, Boston,—

(B) — Signed by the bidder.

(C) — Accompanied by a certificate of deposit, certified check, or a treasurer's or cashier's check payable to the City of Boston in the amount of one dollar (\$1) (which shall become and be the property of the city if within five days after acceptance of the bid by the Purchasing Agent the bidder fails to execute a contract for furnishing as aforesaid the goods or materials specified and to file a faithful performance bond executed by a surety company licensed to do such business in Massachusetts, or certified check, or other suitable bond

in an amount determined by the Purchasing Agent as set forth in the purchasing proposal and contract form),—

(D) — Enclosed in a sealed envelope plainly marked with the Proposal Number and Item to which the bid relates, and—

(E) — Deposited in the Bid Box at the office of the Purchasing Agent, Room 613, City Hall, 1 City Hall Square, Boston, Mass. 02201, before 3 p.m. on the bid date stated above, at which time and place all bids for the sale and delivery of such goods or materials will be publicly opened and read.

Pursuant to law, a duplicate of the bid (without bid deposit check) must also be filed with the City Auditor at his office in City Hall before the time stated above for the opening of bids by the Purchasing Agent.

The Purchasing Agent reserves the right to reject in whole or in part any and all bids or any item thereof, and to award the contract as he deems in the best interest of the City of Boston.

FRANK F. CHIN,
Purchasing Agent.

CITY OF BOSTON**

BUILDING DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Bids for Demolition and Site
Clearance, Project No. 78.**

The City of Boston, acting by its Building Commissioner, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, invites sealed general bids for the demolition and site clearance of the following buildings:

67 Clifton Street, Ward 8.
31-33 Woodville Street, Ward 8.
1797-1805 Washington Street, Ward 9.
1809-1815 Washington Street, Ward 9.
729 Parker Street, Ward 10.
54 Townsend Street (rear barn), Ward 11.
2631-2683 Washington Street, Ward 11.
14-16 Akron Street, Ward 12.
72 Alexander Street, Ward 13.
36 Brook Avenue, Ward 13.
54 Hancock Street and garage, Ward 13.
19 Dumas Street, Ward 14.
85 Lucerne Street, Ward 14.
33 Theodore Street, Ward 14.
11 Woolson Street, and garage, Ward 14.
201 Hancock Street, Ward 15.
5-7 Ashmont Park, Ward 16.
9-11 Ashmont Park, Ward 16.
46 River Street, Ward 17.

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday, December 28, 1978, at the office of the Awarding Authority, Room 807, Boston City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of value (not to be less than \$100, not to exceed \$50,000). One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and the Housing and Urban Development Department, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for the employment are not discriminated against because of their race, creed, color, or national origin.

The Building Commissioner is allowing a sixty-three-day period to complete the demolition and site clearance of these buildings starting within seven (7) days after the signing of the Mayor's award.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.
**NOTICE OF REQUIREMENT FOR
AFFIRMATIVE ACTION TO ENSURE
EQUAL EMPLOYMENT OPPORTUNITY
(EXECUTIVE ORDER 11246).**

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas, (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in this notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employee or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirement for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business at least 50 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the minority business utilization form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contributors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the provisions of the contract documents including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A

tatement of workforce needs as requested by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. A section 3 affirmative action plan consists of tables AAP-1 to AAP-3 and forms AAP-1 and AAP-2 and can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements. All prospective bidders will be required to attend a prebid conference prior to submitting a bid. The time and place will be announced.

CITY OF BOSTON,
By LEO F. MARTIN,
Acting Building Commissioner.

(Dec. 18.)

CITY OF BOSTON**

**PARKS AND RECREATION
DEPARTMENT**

**Invitation for Bids for Improvements to the
Public Garden.**

The City of Boston acting by the Commissioner of Parks and Recreation hereinafter referred to as the Commissioner, invites sealed proposals for improvements to the Public Garden.

Proposals will be received until 2 p.m., Boston time, Tuesday, January 16, 1979, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 802, City Hall, at 10 a.m., Boston time, Monday, January 8, 1979.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the equal employment opportunity

section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a minority business and general contractor's letter of intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Contract documents, including bid forms, will be available at and after 9 a.m., Monday, December 18, 1978, at the office of the Awarding Authority, upon deposit of a certified check, in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,
ALAN M. AUSTIN,
Commissioner of Parks and Recreation.

**Proposal for Servicing Typewriters for the
Boston Public Schools.**

The School Committee of the City of Boston invites bids for servicing typewriters for the Boston Public Schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Servicing Typewriters." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager, at or before twelve o'clock noon on Thursday, December 28, 1978. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

**Department of Planning and Engineering,
26 Court Street, Boston, Mass.**

**Invitation for General Bids for Partition Work
at 26 Court Street, Boston, Mass.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for partition work at 26 Court Street, Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, January 3, 1979, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$1,200. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take

affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition in accordance with section 44D, chapter 149, of the General Laws, as amended.

**ANTHONY L. GALEOTA,
Chief Structural Engineer.**

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Repairs to Storm
Damage of Pavement, Boston Marine
Industrial Park.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, in accordance with G.L., chapter 30, section 39M, and all other applicable provisions of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Thursday, January 18, 1979, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on the proposal forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$550. The duplicate copy of the proposal shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of proposals. The proposals shall be filed before the time stated above for the opening of proposals.

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Monday, December 18, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

**CITY OF BOSTON,
PUBLIC FACILITIES COMMISSION,
DONALD B. MANSON,
Director of Public Facilities.**

NO. 52

NEIGHBORHOOD EVOLUTION: A CLOSER LOOK

Part II

Listening to a Neighborhood

In the morning, the group travelled to Dorchester for a tour of the area, with stops to meet and talk to several homeowners. While many concerns were raised on the tour and in the discussions, at least equally striking were the positive aspects of neighborhood life in Boston.

A young Dorchester housewife told about moving out to the suburbs and then moving back again, partly to regain the sense of community which still thrives in the city.

An older resident noted a reduction in crime and vandalism in the immediate area and added that even serious deterioration a few blocks away need not be a threat so long as "the neighborhood" itself has a good deal of coherence and confidence in the future.

A young professional man, formerly of Cambridge, showed his house, built by a craftsman-owner ninety years ago. Such a house, he claimed, would have cost him at least three times the price in Newton or Wellesley.

In a neighborhood a few blocks away, the group heard of a chemical plant which began operations in a commercial structure on Talbot Avenue. Local residents galvanized against it and in the process have created a much stronger civic organization. They are now working on crime and abandonment. Neither a young black housewife nor her older white neighbor minimized problems facing the community, but their clearest message was that pride and a willingness to work together were making a difference. In a closing note, they stressed that small but vital assistance from the city and from the private sector could help them a great deal.

Finally, a new homeowner related his experience in buying and rehabilitating a HUD-foreclosed triple-decker. At the price, it was obviously a great bargain and was proving itself to be a very convenient and desirable home which also provided shelter for two tenant

families. The owner-occupant noted that his two greatest problems had been obtaining financing (he finally had to borrow from a friend) and deleading the second-floor apartment (a less costly process than it might have been because he and his tenant did the work themselves.)

The morning ended with luncheon in a spacious Victorian home in the heart of Dorchester. A number of participants were clearly surprised and impressed to discover a dwelling of such style and in such pristine condition.

But more important than the house itself was the discovery that the surrounding neighborhood has been experiencing a resurgence of confidence, a revitalization sparked by an influx of young residents over the past few years. Furthermore, older residents generally feel reassured by their presence, while the newcomers and the new residents have the sense of entering a community with traditions.

Building Neighborhood Confidence

A member of the BRA research staff led off the afternoon with the famous advice Micawber gave David Copperfield: "Annual income twenty pounds, annual expenditure nine-

teen nineteen six, result happiness. Annual income twenty pounds, annual expenditure twenty pounds ought and six, result misery. The blossom is blighted, the leaf is withered, the god of day goes down upon the dreary scene, and, in short you are forever floored."

How does Mr. Micawber relate to the housing market? An optimum surplus of responsible buyers over sellers appears to be fundamental to the healthy evolution of neighborhoods. A great excess can mean the driving out of less advantaged residents; a deficit can mean the beginning of a gradual decline.

If, for instance, in a neighborhood of 1,000 homes, 50 come up for sale every year and every year there are 55 or so responsible bidders, confidence remains strong. If 50 homes come up for sale and there are only 45 qualified buyers, the remaining five turn over to others who may well be unscrupulous absentee owners. Subsequent "anxiety selling" could increase, causing turnover of 60 or 70 structures the following year.

Even marginal shifts in demand can significantly influence the majority of homeowners. In the hypothetical case presented, some of the 950 non-selling residents may well begin to feel alarm about the future, may begin to talk down their neighborhood, may hear brokers doing the same thing, all with the possible result that a negative, self-fulfilling process begins.

Conceptually, an index of confidence would express the neighborhood climate. This hypothetical indicator would integrate the buyer-seller ratio with perceptual factors, plus crime statistics, availability of mortgage financing and quality of

(Continued on next page)

municipal services. While these last items may be important, none need be crucial if a sufficient number of people hold positive views of future stability and value. Some areas of Boston with relatively serious concerns show sounder housing markets, based on higher confidence in the future, than other areas which, on the face of it, are relatively problem-free.

The question, then, is this: how can all those concerned improve communication and their relationships in order to maximize feelings of confidence, so that self-fulfilling prophecies can more frequently be positive ones? What must we do, in simple terms, to see the neighborhood glass as half-full rather than half-empty?

It was evident that all sectors — from the city to the brokerage business to bankers to the media to residents themselves — could do more than they have done to bolster Boston's neighborhoods and to prevent the loss of sound housing and sound communities which has become such a national problem.

A Pollyanna approach is not seen as desirable or useful. Real problems obviously cannot be ignored; yet problems can become far more manageable when neighborhoods have some sense of fundamental security about what the future will bring.

Among other major points made during the afternoon were these:

1. That government and agency officials were conditioned through the 1960s to present the city in negative terms in order to garner the maximum in federal categorical grant dollars — a habit that still persists.
2. That the role of the media is immensely important and that its tendency to treat the central city as a "theatre of calamities" sets city problems apart from problems sometimes of an equally serious nature in the suburbs.
3. That brokers, lenders and others intimately involved in neighborhood housing markets sometimes miss positive trends and opportunities which could be capital-

ized on to strengthen neighborhood stability.

4. That Boston's present tax structure, with its heavy reliance on the property tax, is perhaps the greatest destabilizing feature of all.
5. That new homeowners in city neighborhoods are sometimes simply overwhelmed by their new responsibilities, and that timely counseling might save many homes from foreclosure.
6. That housing abandonment ranks very high on the list of factors which negatively affect perceptions of a neighborhood and undermine confidence.

TUITION REIMBURSEMENT

To: All Department Heads.
From: Frank Holbrook, Training Coordinator.

The City of Boston and the American Federation of State, County and Municipal Employees Union (AFSCME) have reached an agreement concerning the percentage reimbursement for job related educational training. Attached is the "Tuition Reimbursement Schedule" which will be applied to all graduate and undergraduate level work in an accredited college or university and courses of study performed at technical or vocational

schools. This schedule is effective for courses commencing on or after January 1, 1979.

The schedule is subject to the availability of existing training funds, the prior approval by the individual's department head, and the prior approval of the City of Boston's Training Coordinator and the submission of evidence of satisfactory completion and payment for the particular course(s).

If you have any questions in this matter, please feel free to contact Frank A. Holbrook, Training Coordinator, 5 Doane Street, Third Floor, Boston, MA 02109, 725-4357.

IN-SERVICE TRAINING REIMBURSEMENT SCHEDULE

1. All employees who receive a grade of "A" for a particular course shall be reimbursed seventy-five (75) percent of tuition cost.
2. All employees who receive a grade of "B" for a particular course shall be reimbursed sixty (60) percent of tuition cost.
3. All employees who receive a grade of "C" for a particular course shall be reimbursed forty-five (45) percent of tuition cost.
4. All employees who receive a grade of "Pass" for a particular course shall be reimbursed fifty (50) percent of tuition cost.

ROBERT F. KENNEDY STAMP TO BE ISSUED JANUARY 12

The U. S. Postal Service has provided additional information about the 1979 commemorative stamp to honor United States Senator Robert F. Kennedy.

The first day of issue ceremony for the 15-cent Kennedy stamp will take place January 12 at the Department of Justice in Washington, D.C.

Senator Kennedy (1925-1968) was elected from New York State in 1964 after serving as U. S. Attorney General. He was selected for commemoration because he exemplified the spirit of an important era in

merican life and was one of America's most prominent political figures in recent decades, the Postal Service said.

Bradbury Thompson of Riverside, Connecticut, designed the Kennedy stamp. He based the single-color engraved design upon a photograph by Stanley Tretick of the senator in a pensive mood with his chin in his left hand. The photograph, suggested by Mrs. Ethel Kennedy for the stamp design, is a family favorite.

The stamp is blue in color and square in format. At the top left of the design, in two lines of white type, is "Robert F. Kennedy" and "USA 15c."

V. Jack Ruther of the Bureau of Engraving and Printing modeled the Kennedy stamp. It was engraved by Albert Saavedra (lettering and numerals) and Thomas R. Hipschen (ignette), also of the Bureau of Engraving and Printing.

The stamp is being printed by the taglio method. The image area size of a single stamp is 1.075 x 1.075 inches or 27.30 x 27.30 millimeters. The overall size, from perforated side to perforated side, is 1.225 x 1.225 inches or 31.11 x 31.11 millimeters. There will be 48 stamps per pane and one plate number.

Procedures for ordering first day of issue cancellations are as follows:

Customers affixing stamps. Customers are encouraged to purchase their own stamps at their local post offices and affix them to their own envelopes. Covers bearing customer affixed stamps will be given preferential service. All envelopes must be addressed and peelable return address labels are recommended for this purpose. Stamps must be affixed in the upper right corner of the envelope, approximately one quarter inch from the top and one quarter inch from the right side. Return addresses should be placed on the right side of the envelopes at least 5/8 of an inch up from the bottom. A filler of postal card thickness should be inserted in each cover. Not later than January 27—orders must be postmarked by that date—the envelopes may be forwarded to "First Day Cancellations,

Postmaster, Washington, DC 20013." No remittance is required.

Postal Service affixing stamps. Except for affixing stamps and addressing orders, follow the procedures listed above. Orders should be addressed to "Robert F. Kennedy Stamp, Postmaster, Washington, DC 20013." The cost is 15 cents per stamp to be affixed to covers. Do not send cash. Personal checks in the exact amount will be accepted as remittance for orders up to the limit of 50 covers. Postage stamps are unacceptable as payment. Orders must be postmarked no later than January 27.

CRIME PREVENTION SHOPPING LIST

Commissioner Joseph M. Jordan of the Boston Police Department has issued a "Crime Prevention Shopping List," prepared by "CRIME WATCH," the statewide crime prevention program. The information is designed to help local residents protect their property and themselves during the holiday season. "Let's not allow this joyous time of year to become an unhappy one," Commissioner Jordan said. "Often the only difference between a happy person and a crime victim is common sense. It takes only a moment or two to avoid becoming a victim of crime by carelessness!"

When shopping:

Always keep your car locked whenever you park. Pocket your keys.

If it's necessary to leave packages in your car, put them in the locked trunk, out of sight.

If you have a station wagon, put the packages on the floor and place a cover over them.

Park in a lighted area if at all possible.

Keep your packages under your control at all times, whether inside or outside of stores.

Don't put down your purse while looking at merchandise.

At home:

Be sure your home is protected by locks that are efficient. Maintain

adequate lighting around your home. Don't allow a burglar to do his Christmas shopping at your expense!

Don't wait until you have reached your front door to look for your keys. Have them ready in your hand as you approach your home.

Credit Cards. Inventory your credit cards. Remember: credit cards are as good as cash to you — as well as to anyone else who might gain possession of them. Most credit card companies hold the owner responsible for all purchases until a lost or stolen card is reported.

Don't carry excess credit cards. Carry only those cards for stores where you intend to shop. Be sure you have recorded, at home, the account numbers for each of the credit cards you own, as well as the addresses and telephone numbers of the various credit card companies.

CB Radios. These are the hottest, most in-demand items in crime! Every CB'er either has had a radio stolen, or knows someone who has lost one to a thief. If you get a CB radio for Christmas mark it for identification! You may check out a marker from the Police Department. Remove the CB radio from your vehicle when the vehicle is unattended. When the CB is not in use, put the antenna in the trunk of your car, if possible.

Additional suggestions:

Don't carry large sums of cash. Bring with you only the cash you'll need for purchases. If you must carry a large sum of money, divide the cash between your purse or wallet and your pocket. Carry a few extra dollars in your shoe.

Ladies! Don't carry your purse by the handle, or place your arm through the strap and let it dangle. Place one end of the purse in the palm of your hand, the other in the bend of your elbow. Draw your purse close to your body.

Finally, Commissioner Jordan advised, if you see any suspicious activity or persons — or if you or your properties are threatened in any way, immediately call the police on 911.

RIGHT TURN ON RED?

Can you make a right turn at a red light here in Massachusetts as you can in 48 other states? The answer is no, but almost.

Our state *does* have a right on red law (effective Oct. 6th), but it's just the opposite of what the other states have. Here, motorists are allowed to turn right at red lights only where signs specifically *permit* it.

In every other state the law allows motorists to make right turns at red lights unless there are signs specifically *prohibiting* such turns. Connecticut enacted its law this summer, but it won't become effective until July 1, 1979. (Right on red turns are prohibited in New York City and Washington, D.C.)

As this is written, federal pressure is being brought on Massachusetts to change its law to conform to all other states. The federal government is also concerned because the Massachusetts law is permissive, not mandatory as in the other states, so that cities and towns may adopt it or not as they wish.

Right turn on red was one of the gasoline conservation programs that Congress required states to adopt during the energy crisis four years ago, as a condition for receiving federal energy conservation funds. Massachusetts has been told it risks the loss of such funds if it doesn't comply, although it is now generally admitted very little gasoline can actually be saved by allowing right on red turns.

The issues here are safety and signs. State safety and transportation officials are concerned about pedestrians and feel that our older cities with their traffic congestion and narrow streets are comparable to New York City and Washington, D.C., which don't permit right on red turns. Cities and towns are concerned about the expense of erecting signs.

It may be some time before this is resolved, so Mass. Division AAA believes that in the interim signs must be posted on the major routes entering Massachusetts to alert motorists to our right on red law, otherwise visitors from other states will unknowingly violate it.

According to the state Department of Transportation, 80 percent of all the signalized intersections have lights that are pedestrian-activated, thus are not suitable for right on red turns. This leaves 20 percent eligible for right on red, and engineering studies will probably eliminate some of those.

These percentages best illustrate the economics of the sign situation. Under the Massachusetts law, signs would be posted at the 20 percent; while under the laws of the other states, signs would be put up at the 80 percent.

Left Turns, too!

The Mass. right on red law also deals with left turns. It allows motorists to turn left at a red light from a one-way street onto another one-way street, where signs specifically *permit* it.

The issues surrounding right on red also apply to left on red — lack of conformity with laws in other states, questions of pedestrian safety, and economics of sign posting.

WASHINGTON STREET CONCOURSE REVITALIZED

For many years, it was customary for homeward bound commuters hurrying through the MBTA's old Washington Street subway to stop for a quick cup of coffee or perhaps buy some flowers, pastry or a newspaper before boarding the train.

That tradition has recently been revived with the opening of the new Washington Street Concourse.

Flowers, fruit, coffee, sandwiches, keys, newspapers, razors, model trains, and a photo of yourself on a T-shirt or tote bag are some of the things that you can buy at the Washington Street Concourse.

Once dark and gloomy, the station has been completely redesigned and remodeled. It is located directly under Downtown Crossing, the new car-free shopping area centered at Washington, Summer, and Winter Streets. New floors, walls, lighting and store fronts have transformed the station, which

dates back to 1908, into a bright, modern shopping concourse and made it a pleasant and inviting place to visit. And the familiar basement entrances to Jordan Marsh and Filene's are still there as well.

A "free zone" has also been created by moving the turnstiles to the far ends of the concourse, allowing shoppers to enter and leave the area from the street level or from the basement stores at will. In addition to shoppers coming and going, regular commuters walk in or out over 50,000 times each weekday to get Red and Orange Line trains, making Washington Street the T's busiest station.

Six shops are currently open for business in the concourse with more expected to move in within the next few months. As in former days, shoppers and commuters can still get a quick cup or coffee or a sandwich at the new Down-Under Deli, which is owned and operated by Filene's.

Need a spare key? Across from the deli is Lock and Keys, which can duplicate a key while you wait, sell you a new lock or just give you some helpful advice. If you should lose the only key to your luggage case, they can probably open that for you, too.

Next door is Tobacco Row which, as the name implies, sells all kinds of smoking supplies. They also carry a complete line of health and beauty aids, candy, magazines, newspapers and Massachusetts Lottery tickets in both the instant and regular variety.

Metropolitan Hobby features model trains, model cars, kits, hobby supplies and other related merchandise with, as might be expected, special emphasis on trains. In fact, the entire window of their shop is covered with interesting old railroad and MBTA photos and other bits of nostalgia, well worth a few minutes browsing.

One of the most unusual shops in the new Washington Street Concourse is Computer Pix, a sort of instant photo service with a new twist. While you're strolling by their window, they shoot your picture with a special camera, feed it into a small computer and a few minutes later you have a photographic reproduction. The photo can then be trans-

ferred to a T-shirt (no pun intended), towel, tote bag or almost anything else. They can also do the same thing from one of your own black and white photos.

Currently located at the bottom of the stairs near the Washington Street exit while waiting for their store to be completed is Peters Plants. They carry a large selection of plants, cut flowers and other interesting flora and fauna which they intend to sell from Quincy Market-type pushcarts even after they move into their permanent home.

The MBTA expects to announce the opening of other businesses in the station. According to Walter Henneberry, supervisor of concessions for the MBTA, over 50 percent of the available space in the Washington Street Concourse has already been leased.

"We're very encouraged with the response we've had thus far," says Henneberry, "and we hope it won't be too long before all the space is occupied."

By the first of the year, the MBTA's Special Services Office will have moved from Government Center Station to the Washington Street Concourse. The new, larger location will provide much easier access for the elderly and handicapped since they can take elevators to the concourse level from Jordan Marsh and Filene's street floor. The office is staffed Monday through Friday from 9:00 a.m. to 3:30 p.m.

By the end of the month, the MBTA Pass Program will also open its downtown sales office in the concourse. The office will handle the large number of people expected to purchase MBTA monthly passes when they become available to the general public. The Pass Program main office will still be located on the fourth floor at 50 High Street.

There are five entrances to the concourse from the Downtown Crossing street level—two on Washington Street, and one each on Summer, Winter and Chauncy Streets—and from both Jordan Marsh and Filene's basement stores. Passengers from the MBTA's Red and Orange Lines also have direct access to the new concourse.

Ten MBTA bus routes extend into the Downtown Crossing from north, south and west of the city's central business and shopping district. The buses come from Framingham, Newton, Waltham, Brighton, South Boston, Roxbury, South End, and Charlestown and terminate within easy walking distance from Washington Street Station.

MAYOR HONORS THE LATE MELNEA CASS

Mayor Kevin H. White, on December 18, proclaimed Tuesday, December 19, 1978, as an official day of mourning in honor of Mrs. Melnea A. Cass, an outstanding community leader who died December 16, at the age of 84.

Mrs. Cass was eulogized in Mayor White's proclamation as the "First Lady of Roxbury" who had "served on important human services committees and had given advice to many national, state, and local government officials."

Said Mayor White, "Mrs. Cass was a strong, vibrant, and charismatic leader. Her wise counsel and dignified friendship will be missed by those who knew her. The City of Boston, as well as the Black community which loved her so well, has suffered a great loss."

NO SNOW DEPOSITS: PLEASE!

MDC Commissioner Paul F. Nace, Jr. has announced that the Metropolitan District Commission will begin a "rigorous observance" of the regulations prohibiting the depositing of snow from private property and businesses on MDC thoroughfares.

In making the announcement, Commissioner Nace expressed his concern for public safety during the winter season. "We are all familiar with the danger of snow-covered slick spots on roadways. But beyond that, snow shoveled into the travelway reduces the amount of room for vehicular passage and may hamper access to and from the roadways.

"Winter is a time when maneuverability and visibility for motorist and pedestrian safety are at a premium. A reduced burden on our roadways will also permit us greater flexibility in deployment of our parks maintenance crews," the Commissioner said.

Violators of the Rules and Regulations for the Government and Use of the Reservations and Parkways under the Care and Control of the MDC will be subject to a fine of up to \$100. "We are asking for everyone's cooperation in helping to defuse potentially hazardous winter road situations," the Commissioner concluded.

POLICE DEPARTMENT ORDERS

November 24.

Personnel Order No. 78-291

On July 17, 1978, Detective John Mulligan, Id. 6172, assigned to Criminal Investigation Division, and while off duty, observed two men in the process of robbing a liquor store. Detective Mulligan identified himself as a police officer and was immediately fired upon, fortunately sustaining no injury.

Six other officers came to his assistance:

Sergt.-Detective John Burke, Id. 4600, Bureau of Investigative Services.

Sergt. Phillip Doherty, Id. 5941, Training and Education Division.

Detective Arthur Linsky, Id. 5594, Criminal Investigative Division.

Detective Kenneth Acerra, Id. 6355, Criminal Investigative Division.

Detective Roland Bird, Id. 6073, Drug Control Unit.

Detective Robert Cunningham, Id. 5385, Criminal Investigative Division.

Some of these officers worked twenty-four hour shifts while trying to apprehend these two criminals. They apprehended these two men, as well as two other accomplices. Found in their apartment was \$170 in cash; gun-cleaning equipment; an ounce of white powder; a manila bag of marijuana, and articles used for the processing of controlled substances.

Through tedious stakeouts, time-consuming investigation, and high speed chases, these officers exemplified the best in law enforcement. Their tenacity, perseverance and enthusiasm in the apprehension of these criminals reflects the highest degree of professional accomplishment.

All the above-named officers are hereby officially commended for their actions in this case.

November 24.

Personnel Order No. 78-292

Donna M. McPhee, Id. 7781, was appointed a permanent clerk and typist in this department and assigned to the Community Coordinators Unit, effective November 11, 1978.

The following persons terminated service with this department, in capacity stated, effective on the dates listed below.

(Continued on next page)

ADVERTISEMENT CITY OF BOSTON

POLICE DEPARTMENT

Invitation for Proposals for Installation of Radio Communications Equipment in Department Vehicles.

The City of Boston, acting by the Police Commissioner, hereinafter referred to as the Awarding Authority, invites sealed proposals for installation of radio communications equipment in new department vehicles.

Bids will be received until twelve o'clock noon, January 8, 1979, at the office of the Police Commissioner, 154 Berkeley Street, Boston, forthwith after which time limit for the filing thereof, the bids shall be publicly opened and read aloud.

Bids must be submitted in duplicate on forms obtained from the office of the Property Clerk of the Boston Police Department, Room 310, 154 Berkeley Street, Boston. Each copy of the bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the bid shall be filed with the Awarding Authority at the office first designated above, accompanied by a bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of one hundred dollars (\$100).

The other copy of the bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the bids.

No bids may be withdrawn after the time limit for filing bids and for two (2) days (Sundays and holidays excluded) from the opening of the bids. In addition, no bid filed by the lowest responsible and eligible bidder may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencement of performance of the contract.

Sets of specifications and contract documents may be obtained at the office of the Property Clerk of the Boston Police Department, Room 310, at 154 Berkeley Street, Boston, on and after December 26, 1978.

A bond of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts, in an amount satisfactory to the Awarding Authority, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do, as well as to accept or reject any items of a proposal.

JOSEPH M. JORDAN,
Police Commissioner.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

**Department of Planning and Engineering,
26 Court Street, Boston, Mass.**

**Invitation for General Bids for Furnishing
and Installing Stage Curtains and Val-
ances at South Boston High School.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing stage curtains and valances at South Boston High School.

General bids will be received up until twelve o'clock noon, Boston time, Wednesday, January 10, 1979, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$800. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

**ANTHONY L. GALEOTA,
Chief Structural Engineer.**

PUBLIC FACILITIES DEPARTMENT

**Invitation for Bids for Alteration and Repair to
File Lift, Suffolk County Courthouse.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, Room 813, Boston City Hall, One City Hall Square, Boston, Mass. 02201, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including, without limitation, sections 39F and 39K through 39P of chapter 30 and sections 29 and 44A to 44L, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents.

Time and Place for Filing Bids

General bids will be received up until twelve o'clock noon, Boston time, Tuesday, January 16, 1979, at the office of the Awarding Authority, Room 813, City Hall, 1 City Hall Square, Boston, Mass. 02201, at which time and place they will be publicly opened and read aloud.

Bid Deposit Amounts

General Bids.....\$800

Bid Forms and Contract Documents

All general bids must be submitted on the forms obtained from the Awarding Authority. Any general bid not submitted on the proper form shall be rejected.

Contract documents, including bid forms, will be available on and after Wednesday, December 27, 1978, at the office of the Awarding Authority, upon deposit of a certified check in the amount of \$25, payable to the City of Boston. The full amount of the deposit will be

refunded upon return of all contract documents in good condition on and after the expiration of thirty days, exclusive of Saturdays, Sundays, and legal holidays, after the opening of general bids.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, antidiscrimination and affirmative action program contract provisions. No bidder shall be eligible for award on this project unless he is able to demonstrate to the satisfaction of the Awarding Authority his ability to comply with these requirements.

**Proposal for Furnishing Audio-Visual Equip-
ment and Supplies for Boston Public Schools.**

The School Committee of the City of Boston invites bids for audio-visual equipment and supplies for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Audio-Visual Equipment and Supplies." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon on Thursday, January 4, 1979. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city. The successful bidder will be required to furnish a check in the amount of one dollar (\$1), payable to the City of Boston, for the faithful performance of the contract.

From Washington Street to Tremont Street.

Article VII is amended by adding the following new Section 5B (Taxis Excluded), and the list of streets under Boston Proper:

Article VII, Section 5B Taxis Excluded. No Taxi shall be operated on the following streets or parts thereof:

Washington Street.
From Temple Place to Franklin Street, 2 a.m. to 7 p.m.

Winter Street.
From Tremont Street to Washington Street, 2 a.m. to 7 p.m.

Article VII is amended by adding the following new section and the list of streets.

Section 7. Exclusive Bus Lanes. No vehicle shall be operated on the following streets or parts thereof, in the designated lane or lanes set aside for the sole purpose of operating Massachusetts Bay Transportation Authority buses.

(1) All buses shall be operated in the exclusive bus lane, in the following direction of travel, which is the same direction of travel, as all other vehicles using the adjacent lane.

Bedford Street, southwesterly lane.
From Chauncy Street to Washington Street.

Franklin Street, southerly lane.
From Devonshire Street to Arch Street.

(2) All buses shall be operated in the exclusive bus lane, in the following direction of travel, which is the opposite (contra-flow) direction to vehicles using the adjacent lane.

Arch Street, northwesterly lane.
From Franklin Street to Summer Street.
Chauncy Street, northwesterly lane.
From Summer Street to Bedford Street.
Milk Street, southerly lane.

From Washington Street to Arch Street.
Summer Street, southwesterly lane.

From Kingston Street to Church Green.
Washington Street, northwesterly and westerly lane.

From West Street to Kneeland Street.

The undersigned does hereby certify that after taking into account the public safety and convenience, the reasonably free circulation of vehicular traffic, and the need for providing in the streets, ways, highways, roads, and parkways, in the City of Boston, the maximum number of parking spaces at all times, he is of the opinion that the amendments made this thirteenth day of December, 1978, to either Sections 2, 2A, or 18 of Article IV, or to Section 2 of Article X of the Traffic Rules and Regulations of the City of Boston are required by urgent public necessity.

EMILY LLOYD,

Commissioner of Traffic and Parking.

ADVERTISEMENT CITY OF BOSTON

PARKS AND RECREATION DEPARTMENT

Invitation for Bids for Reconstruction of Walks at Commonwealth Avenue.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for reconstruction of walks at Commonwealth Avenue.

Proposals will be received until 2 p.m., Boston time, Tuesday, January 9, 1979, at the office of the Commissioner, Room 802, City Hall, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the office of the Commissioner, Parks and Recreation Department, Room 802, City Hall, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total amount bid, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner.

Contract documents, including bid forms, will be available at and after 9 a.m., Tuesday, December 26, 1978, at the office of the Awarding Authority.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and

sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

ALAN M. AUSTIN,

Commissioner of Parks and Recreation.

(Dec. 25.)

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY

Proposal to Sell Land in Everett, Mass.

Pursuant to the provisions of General Laws, chapter 161A, section 5(b), the Massachusetts Bay Transportation Authority invites proposals to purchase approximately 97,901 square feet of Authority owned land off Broadway, Everett, Mass., as indicated on informational map as Lot 4 on file at the office of the Treasurer-Controller of the Authority, 50 High Street, Boston, Mass. Copies of said informational map may be had upon application to said Treasurer-Controller. Minimum acceptable purchase price shall be \$196,000.

Proposals, accompanied by a certified check in the amount of \$5,000, must be submitted in sealed envelopes clearly marked "Proposal — Purchase of Land, Parcel No. 4, Everett, Mass.," to the office of John R. Launie, Treasurer-Controller, Massachusetts Bay Transportation Authority, 50 High Street, Boston, MA 02110, until 3 p.m., Boston time, January 11, 1979, at which time they will be publicly opened and read aloud. The deposit of the unsuccessful bidder will be held until the transfer of title is finalized.

The deposits of the unsuccessful bidders may be retained by the MBTA until (I) the transfer of title is completed, or (II) the MBTA shall determine to reject the bid, whichever occurs earlier. If the MBTA determines at any time not to consider further the proposal of any bidder, it will return such check to such bidder.

The Authority reserves the right to refuse to accept any and all proposals and to take such other action if it finds that sound reasons in the public interest so require.

JOHN R. LAUNIE,
Treasurer-Controller.

Boston, Mass. 02110**

NOTICE TO CONTRACTORS

Sealed bids for MBTA Contract No. 059-115 will be received by the Director of Construction, Massachusetts Bay Transportation Authority at the Contract Administration Office, fifth floor, Construction Directorate, 50 High Street, Boston, Mass. 02110, until two o'clock (2 p.m.) on January 18, 1979. Immediately thereafter, in a designated room, the proposals will be opened and read publicly.

The above-numbered contract is more fully described as follows: **INSTALLATION OF HEAVY DUTY CAR TRUCK HOISTS, MAIN REPAIR SHOP, EVERETT SHOPS, EVERETT, MASS.**

This work consists of furnishing all labor, equipment, tools, and material for the demolition and removal of existing heavy duty car truck hoists, supply and installation of new heavy duty car truck hoists, and all piping, fitting, and valves, etc., required to complete the installation of the new hoists.

This contract is subject to a financial assistance contract between the MBTA and the UMTA of the United States Department of Transportation.

Prequalification of contractors in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders" will not be applicable to this contract.

In view of the specialized nature of construction, an award will not be made to a contractor who is not equipped to undertake and complete the work. The low bidder and/or lowest responsible bidder may be required to submit within five (5) business days after opening of bids a post-qualification statement on forms to be furnished by the Authority.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4:00 p.m., Monday through Friday, at a charge of \$5. The Authority's General Requirements and Covenants (1978 Edition of Division I), as amended, are available from the Contract Administration Office at a charge of \$5 per copy. Neither charge is refundable.

BIDDING DOCUMENTS WILL BE AVAILABLE ON DECEMBER 20, 1978.

Any person may purchase copies of the plans and specifications for information purposes only, upon payment of the required charge.

Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of two dollars (\$2), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder.

The Authority hereby notifies all bidders that it will affirmatively insure that in regard to any

contract entered into pursuant to this advertisement, (Notice to Contractors), minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246)

1. The offerer's or bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.

2. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows: (See Appendix 1 to Standard Federal Equal Employment Opportunity Specifications).

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered area.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a), and its efforts to meet the goals established for the geographical area where the contract resulting from this solicitation is to be performed. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

3. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor, employer identification number, estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

4. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is Everett, Middlesex County, Mass.

Authorization for bidders to view the site of work on the MBTA's property shall be obtained

from the office of Mr. R. P. Barry, Superintendent of Building-Structure-Maintenance and Design, Telephone No. 722-5441.

A prebid conference will be held on January 3, 1979, at 10 a.m., at the office of the Project Manager, Mr. Richard J. Dempsey, fifth floor, 50 High Street, Boston, Telephone No. 722-5827. It is imperative that prospective bidders have a representative attend. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

All bidders will be required to certify that they are not on the Comptroller General's list of ineligible contractors.

The provisions of Massachusetts Executive Order No. 130, Anti-Boycott Covenants, are incorporated by reference as part of this contract.

All bidders will be required to certify as part of their proposal that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

Proposal guaranty shall consist of a bid deposit of three thousand dollars (\$3,000), in the form of a bid bond, or cash, certified check, treasurer's or cashier's check issued to the MBTA by a responsible surety, bank, or trust company.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price. The surety shall be a surety company or securities satisfactory to the Authority.

The Authority reserves the right to reject any or all proposals, to waive informalities, to advertise for new proposals or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract No. 10 in the Fenway Urban Renewal Area, Project No. Mass. R-115, City of Boston, until 12:00 Noon, Boston time, on January 15, 1979, at City Hall, ninth floor, Room 910, Boston, Mass. (Attention: Engineering Department), at which time and place all bids will be publicly opened and read aloud.

The work will consist of cleaning and centrifugal lining with cement mortar the interior of existing cast iron water mains, the installation of new cement lined ductile iron of cast iron water mains and appurtenances, the installation and subsequent removal of temporary bypass mains, the removal and salvage

existing hydrants, valves, water mains and their appurtenances in the following streets: Huntington Avenue (from Wait Street to Opera House), Vancouver Street, Museum Road, Parker Street from (Huntington Avenue to Ward Street), and Forsyth Way (from Huntington Avenue to the Fenway).

Proposed forms of contract documents, including technical specifications, are on file at the office of the Boston Redevelopment Authority, City Hall, ninth floor, Room 910, Boston, Mass.

Copies of the contract documents may be obtained by depositing \$25 in cash or a certified check, payable to the Boston Redevelopment Authority, with the Boston Redevelopment Authority, for each set of documents so obtained. Each such deposit will be refunded if the contract documents are returned in good condition within ten (10) days after bid opening.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority, (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority, and; (c) conditioned upon the faithful performance by principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for Site Preparation Contract No. 10.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

Attention is also directed to the Instructions to Bidders — Award of Contract: Rejection of bids due to abnormally high and abnormally low prices for any class or item of work.

Attention is called to the fact that not less than the minimum salaries and wages set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin. Attention is also called to the requirements relating to Workmen's Compensation and conditions of employment and to the Boston Redevelopment Authority's Equal Opportunity Compliance Policy, adopted February 20, 1969, revised June, 1975, and to the Commonwealth of Massachusetts Supplemental Equal Employment Opportunity, Anti-discrimination and Affirmative Action Program and City of Boston Affirmative Action Compliance with contract specification and to the required certification of the bidder regarding equal employment opportunity.

Minority Business Participation

No bid for the award of this project will be

considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the minority participation section of the City of Boston contract for Boston Redevelopment Authority-funded construction contracts. The contractor must give satisfactory assurance that at least 10 percent (30 percent for impact areas) of his/her bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means, a business of at least 51 percent of which is owned and controlled by minority group members or, in the case of a publicly owned business, at least 51 percent of the stock is owned by minority group members who are Black, Hispanic, Oriental, or American Indians.

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his/her bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city one or more of the three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves to the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Employment Opportunity Construction Contract Specification" set forth in this part.

The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area. (See Pages EEO-1 and EEO-2 of the bid specification for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally-assisted) performed in the covered area.

As used in this notice, and in the contract the covered area is Boston, and the Islands of Boston Harbor, Mass.

The contractor's compliance with the Executive Order and the regulation in 41 CFR Part 60-4 shall be based on its implementation of the equal opportunity clause, specific affirmative action obligations required to meet

the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The Boston Redevelopment Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding of the contract.

Section Three Affirmative Action Plan

The attention of all bidders is specifically directed to the provisions of the contract documents, including, without limitation, the notice to all bidders (including subbidders) and provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages and the requirements set forth in the specifications or supplemental equal employment opportunity anti-discrimination and affirmative action program contract provisions, and the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246. A statement of workforce needs as required by section 3 and a section 3 affirmative action plan shall be submitted with the contractor's proposal. These forms AAP1-AAP6 and AAP8 can be found at pages ST1-ST7 of the contract documents. This requirement will be strictly adhered to. Proposals submitted without the required forms will be rejected. No bidder shall be eligible for award on this project unless he/she is able to demonstrate to satisfaction to the Boston Redevelopment Authority his/her ability to comply with these requirements.

Prebid conference and EEO and affirmative action attention is called to all prospective bidders that they are required to attend a prebid conference to discuss the federal, state and local requirements regarding affirmative action. Also to discuss the Minority Business Utilization Program, goals and timetables for minorities and females. This conference will be held with the Contract Compliance Officer of the Boston Redevelopment Authority. Prebid conference with Mr. Reggie Johnson will be held on January 3, 1979, at 10 a.m., in Room 938, City Hall, Boston, Mass.

BOSTON REDEVELOPMENT AUTHORITY,

By KANE SIMONIAN,
Secretary.

THE SCHOOL COMMITTEE OF THE
CITY OF BOSTON**

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

**Invitation for General Bids for Furnishing
and Installing New Vacuum Heating
Pumps and Vacuum Traps in the Boston
Latin School, 78 Avenue Louis Pasteur,
Boston, Mass.**

The School Committee of the City of Boston, acting by the Chief Structural Engineer of the Department of Planning and Engineering, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing new vacuum heating pumps and vacuum traps in the Boston Latin School, 78 Avenue Louis Pasteur, Boston, Mass.

General bids will be received up until twelve o'clock noon, Boston time, Thursday, January 11, 1979, at the office of the Awarding Authority, second floor, 26 Court Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form obtained from the Awarding Authority. The general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, or a bid bond in a form satisfactory to the Awarding Authority with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority and conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid, in the sum of \$1,700. The general bid shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do.

ANTHONY L. GALEOTA,
Chief Structural Engineer.
